Dear Hilary

WICKHAM MARKET NEIGHBOURHOOD PLAN

Wickham Market Parish Council has decided that a Neighbourhood Plan should be written for Wickham Market Parish.

At the start of the process it was felt that the boundary for the plan should be the Wickham Market parish boundary. However, as Wickham Market is a Key Service Centre and about 23 outlying villages rely on Wickham Market for basic services, it was felt that the surrounding parishes should be invited to join in our Neighbourhood Plan should they wish? One parish showed considerable interest, but after careful consideration has decided that they do not wish to join us. Consequently it has been agreed that the parish boundary should be the Neighbourhood Plan boundary.

A map showing the boundary is enclosed with this letter.

This application is made by Wickham Market Parish Council which is listed as an appropriate body under the Neighbourhood Plan guidance.

Yours sincerely

RJ Jenkinson
Chairman, Wickham Market Parish Council
