DC/15/1128/OUT	Felixstowe	Land at Candlet Road Felixstowe	560	0	0	0	50	50	50	410	An application for reserved matters (DC/20/1002/ARM) for 262 dwellings and the discharge of a condition relating to the outline permission has been received and is awaiting decision. A developer, Persimmon Homes, is engaged and the submission of a reserved matters application shows progress and that the site is at least partially deliverable towards the end of the five years.
DC/16/2778/OUT (FPP4)	Felixstowe	Land north of Walton High Street Felixstowe Suffolk	385	0	0	0	50	50	50	235	This site was an allocation in the Felixstowe Peninsula Area Action Plan (FPP4) and was subsequently granted outline consent. An application for details reserved by conditions was approved in June 2019. The site's promoter has confirmed that the site is being actively marketed. The rates of delivery have been put back by one year from the 2019 Housing Land Supply to reflect the current position.
DC/16/1322/OUT (SA4)	Leiston	Land east of Abbey Road Leiston Suffolk	100	0	0	0	0	33	34	33	The site is allocated in the Leiston Neighbourhood Plan (Policy SA4). Outline permission was granted on 07.06.2017 with a reserved matters application to be submitted within 3 years. The site has been marketed. Under the Business and Planning Act 2020 the time to submit a reserved matters application is extended to 1.5.2021. Whilst no

											response has been received, the land has been marketed and therefore there is evidence of progress in bringing the site forward. It is therefore considered that some completions are likely within the five years.
DC/17/1435/OUT	Martlesham	Land south and east of Adastral Park Martlesham Heath Martlesham Suffolk	2000	0	0	0	75	125	125	1675	Funding of £19.75m secured through the Housing Infrastructure Fund from Homes England has been agreed subject to contract, which is anticipated to be agreed by the end of November 2020. This funding is provided to Suffolk County Council to enable highways infrastructure and the main on-site road to be put in place upfront, with costs being repaid to Suffolk County Council once the site has a positive cashflow. The funding will need to be spent by April 2024. The Council is in regular engagement with the landowner and Suffolk County Council and in view of the investment in the site it is expected that delivery of housing will commence in 2022/23 alongside construction of the on-site road and accesses.
DC/17/5437/OUT	Purdis Farm	Land To The North Of Purdis Farm Lane Ipswich IP3 8UE	6	0	0	0	6	0	0	0	A response on behalf of the developer confirms their intention to complete the site by 2022/23. Whilst reserved matters are still to be submitted this is a small site and therefore the developer's intentions are considered realistic.
DC/16/2119/OUT (FPP6)	Trimley St. Martin	Land south of High Road Trimley St Martin Suffolk	70	0	0	0	20	20	30	0	The site was allocated under policy FPP6 in the Felixstowe Peninsula Area Action Plan DPD. The site is progressing with a reserved matters application (DC/20/2890/ARM) received 31.07.20 and currently pending decision. The response from Taylor Wimpey suggests completions in years 2 and 3 however this has been put back slightly in reflection of the current position.

DC/16/2122/OUT (Part FPP8)	Trimley St. Mary	Land adjacent to Mill Farm Thomas Avenue Trimley St Mary Suffolk	50	0	0	0	0	25	25	0	The site was part of the allocation under Policy FPP8 in the Felixstowe Peninsula Area Action Plan DPD. The site has outline permission and the site's promoter has confirmed that the sites are being actively marketed. There is therefore evidence of progress that the site is coming forward and can be considered to be deliverable in the latter part of the five years.
DC/18/3850/OUT (SSP18)	Westerfield	Old Station Works Westerfield Road Westerfield Suffolk	75	0	0	0	25	25	25	0	The site was allocated under policy SSP18 in the Site Allocations and Area Specific Policies DPD. There has been recent progress on the site as a new variation of condition application (DC/20/1712/VOC) was received 07.05.20 to allow for separate discharge of the residential development and the commercial development. Within the Planning Statement submitted with this application the applicant states that purchasers have been selected for the residential element of the site and are keen to commence construction as soon as possible. The site is therefore considered to be deliverable within the five years.

SSP8 (Site Allocations and Area Specific Policies – now SCLP12.49 in 2020 Suffolk Coastal Local Plan)	Dennington	Land opposite Townsfield Cottages, Dennington	10	0	0	10	15	10	0	Part of the site was an allocation for ten dwellings in the former Site Allocations and Area Specific Policies DPD (2017) but has been enlarged in the recently adopted Suffolk Coastal Local Plan. The response suggests that action is dependent upon the plan being adopted. The Local Plan has now been adopted and the site is part of a new allocation for 35 units. Based on the response from the landowner the site is therefore considered to be deliverable within the next 5 years in accordance with the adopted local plan.
FPP5 (Felixstowe Peninsula Area Action Plan – now SCLP12.4 in 2020 Suffolk Coastal Local Plan)	Felixstowe	Land North of Conway Close and Swallow Close	150	0	0	0	0	0	150	It is understood that the delivery of the site will follow delivery of Land west of Ferry Road and therefore no completions are anticipated in the five years for the purpose of the Housing Land Supply Statement.
MEL20 (Melton Neighbourhood Plan)	Melton	Land off Wilford Bridge Road, Melton	55	0	0	0	20	20	15	A planning application has been submitted for the site (DC/20/1831/OUT) and is currently pending a decision. This demonstrates progress in the site coming forward and therefore it is considered that it is partially deliverable within the five year period.
SSP11 (Site Allocations and Area Specific Policies – now	Orford	Land North Of Mill Close, Orford	10	0	0	5	5	0	0	Application DC/19/2513/FUL submitted June 2019 and awaiting decision. ¹ Note that the Local Plan allocations reference numbers relate to the Site Allocations and Area Specific Policies Development Plan Document (2017) and the Felixstowe Peninsula Area Action Plan Development Plan Document (2017) as these were the plans in which they were allocated as at 1st April 2020. They have been reviewed and carried forward into the new Suffolk Coastal Local Plan which was adopted in September 2020.

SSP13 (Site Allocations and Area Specific Policies – now SCLP12.62 in 2020 Suffolk Coastal Local Plan)	Rendlesham	Land east of Redwald Road	50	0	0	0	25	25	0	An outline application for 75 homes on the site has recently been received (DC/20/3890/OUT) and the agent indicates completion of the site within 5 years. The response suggested the site will be completed by 2023, however this is considered ambitious, and it is more likely to be complete towards the end of the 5-year period considering the current position.
FPP7 (Felixstowe Peninsula Area Action Plan – now SCLP12.64 in 2020 Suffolk Coastal Local Plan)	Trimley St. Martin	Land off Howlett Way	360	0	0	50	75	100	135	An outline planning application (DC/20/1860/OUT) was submitted on 20.05.20 and is currently pending decision. The planning statement submitted with the planning application states that the landowner is willing to enable the prompt delivery of the site to support housing land supply in the district. The response from the site promoter states that the site will be marketed once permission is granted. Progress is therefore being made and the site is considered to be partially deliverable within the five years.
SSP17 (Site Allocations and Area Specific Policies – now SCLP12.67 in 2020 Suffolk Coastal Local Plan)	Westerfield	Land south of Lower Road	20	0	0	0	20	0	0	It is understood from the agent that an application is currently being prepared and is expected to be submitted in due course. Due to the scale of the site and this evidence of progress it is therefore considered to be fully deliverable in the five years.
SSP19 (Site Allocations and Area Specific Policies – now SCLP12.71 in 2020 Suffolk Coastal Local Plan)	Witnesham	Land at Street Farm	20	0	0	10	10	0	0	An application for this site (DC/18/3385/FUL) has been submitted and has a resolution to grant permission, subject to the Section 106 agreement. As the site is being developed it is therefore reasonable to anticipate this element coming forward during the five years.
DC/17/3981/OUT (WLP4.2)	Halesworth	Land south of Chediston Street Halesworth Suffolk IP19 8TU	200	0	0	0	50	50	50	50	The site is allocated and has outline permission. The questionnaire response from the agent states it will be marketed soon and completions will be 50 a year from 2021/22. However this may be optimistic as a developer is not yet on board although the site has been marketed and it is stated that there is some interest, so some of the units have been placed outside of the five years.

DC/18/4947/OUT; (part WLP4.1)	Halesworth	Town Farm Harrisons Lane Halesworth IP19 8EZ	190	0	0	0	40	40	40	70	This application covers the majority of the residential development land allocated under WLP4.1 Halesworth/Holton Healthy Neighbourhood. The response from the agent states that negotiations are ongoing with a developer. This is progression since the 2019 Housing Land Supply Statement, and accordingly the same build out rate is used, but starting from 2022/23 to reflect that negotiations are still underway.
DC/17/1391/OUT NB DC/19/3289/OUT approved by Planning Committee December 2019 subject to S106 (for up to 21 dwellings)	Lowestoft	Land south of Leisure Way Lowestoft	21	0	0	0	11	10	0	0	Permission for outline consent was granted on 30 th June 2020 under DC/19/3289/OUT for up to 21 dwellings. This is reflected in the numbers as a resolution to grant was in place at 31.3.2020. The response from the agent states that the aim is to market the site following the grant of permission. It is anticipated that the site will commence as soon as possible and they have given 2021/22 as the completion date. It is considered that the timescale provided by the agent is ambitious and it has therefore been put back to years 3 and 4.

WLP7.2 (Waveney Local Plan)	Barnby	Land between The Street and A146, Barnby	50	0	0	24	24	2	0	The response from the developer states that they intend to submit a planning application in the next few months and they intend to build out the site within 5 years. The questionnaire response confirmed that progress had been delayed due to Covid-19, however it is still anticipated that the site will be completed in the next five years.
WLP7.9 (Waveney Local Plan)	Brampton	Land south of Southwold Road, Brampton	50	0	0	10	15	25	0	The response from the agent states that construction work has been delayed by issues relating to ownership and interpretation of policies in the Local Plan. However they have stated they intend to develop the site within the next 5 years and progress has been made during the past year on surveys (such as topographical survey and ecology). The anticipated build out rates are as provided by the agent.
WLP7.10 (Waveney Local Plan)	Brampton	Land at Toodley Farm, Station Road, Brampton	8	0	0	8	0	0	0	The response to the questionnaire from the agent states that work upon the application has been delayed as all on site survey work has been suspended due to Covid-19. However some survey work had been undertaken (topographical and ecology) and it is expected that an application will be submitted in early 2021. The evidence is sufficient that the site can be developed within 5 years. The anticipated build out rates are as provided by the agent.
WLP5.1 (Waveney Local Plan)	Bungay	Land east of St Johns Road, Bungay	85	0	0	0	15	50	20	The response from the agent shows an intention to submit an application in 2022/23 and to develop within the 5 years. The landowner will either submit an outline application in 2021 or will market and sell in 2022 without permission. A flood risk assessment has been undertaken. They state that 70 dwellings will be completed in 2024/25, but given the timescales this is considered optimistic for housing land supply purposes so some units have been placed outside the 5 years.
WLP4.1 part (Waveney Local Plan)	Halesworth	Halesworth/Holton Healthy Neighbourhood	25	0	0	5	24	0	0	Discussions have been on-going between the landowners and a housing association and a planning application is anticipated to be submitted in spring 2022. Setting up a Community Land Trust is being explored. They have stated completions to be within the 5 years, however they have stated that progress may depend on the sale of the adjoining plot for 190 dwellings and as such their predicted completion rate could be considered optimistic so has been moved back by one year.

WLP4.4 (Waveney Local Plan)	Holton	Land west of Lodge Road, Holton	15	0	5	5	0	5	0	An application for this site has been submitted in August 2020 under reference number DC/20/3070/FUL and is awaiting decision. The Housing Land Supply questionnaire response states that the site will complete within the 5 year period. The delivery trajectory provided is as provided by the developer.
WLP4.5 (Waveney Local Plan)	Halesworth	Land at Dairy Farm, Saxons Way, Halesworth	40	0	0	0	5	10	25	No application received yet, however the developer, Badger Building, have stated they will submit an application shortly. Whilst their response suggests there is progress being made no timescale for development has been submitted. Progress is being made on the site from the previous Housing Land Supply with issues on drainage being addressed. The progress is sufficient to partially include the site in the next 5 years but at a reduced rate to previous.
WLP7.11 (Waveney Local Plan)	Ilketshall St Lawrence	Land south of Hogg Lane, Ilketshall St Lawrence	25	0	0	0	10	15	0	The response from the landowner states they intend to submit an application in the next year, with surveys and marketing likely to occur in the same period. They state they are close to being able to name a developer. There have been some delays in carrying out surveys due to Covid-19. Completions towards the end of the five year period are considered reasonable.
WLP2.8 (Waveney Local Plan)	Lowestoft	Former Lowestoft Hospital	45	0	0	0	30	0	15	The response from the landowner/developer states that discussions are ongoing with interested parties with the intention of submitting an outline planning application next year. The landowner/developer expects delivery to start in 2022/23. This may be an optimistic assumption and 2023/24 is a more realistic expectation for the purposes of the housing land supply statement. The developer has identified delivery of 30 dwellings in the five years and therefore for the purposes of the Housing Land Supply Statement 15 have been placed outside.
WLP2.13 (Waveney Local Plan)	Lowestoft	North of Lowestoft Garden Village	1300	0	0	0	0	100	1200	The response from the landowner states they are currently undertaking masterplanning and they expect an application to be submitted later in 2021. The Council is supporting the masterplanning process. The landowner is currently giving consideration to either sale or joint venture. The delivery rate is as anticipated by the landowner.
WLP2.15 (Waveney Local Plan)	Lowestoft	Land between Hall Lane and Union Lane, Oulton	190	0	0	0	0	25	165	The landowner has stated that they are in contact with the developer. At this stage it is therefore unlikely that a significant number of dwellings would come forward within the five years however as progress is being made a small number are considered reasonable in year 5.

WLP2.16 (Waveney Local Plan)	Lowestoft	Land south of the Street, Carlton Colville /Gisleham	900	0	0	0	45	45	810	There is an intention to enter into pre-application discussions in late 2020 and submit a planning application in March 2021, and the representative of the developer believes development will commence mid-way through the 5 year period. The time periods provided are optimistic, so it is considered reasonable to move the predicted timescale back to years 4 and 5.
WLP2.20 (Waveney Local Plan)	Lowestoft	Gunton Park, off Old Lane, Corton	65	0	0	0	35	30	0	The response from the agent states that discussions between interested parties are ongoing and there is a stated intention to submit an application before the end of 2020. They have stated they intend to complete mid-way through the 5 year period. Application for an amended access (DC/19/4368/FUL) to facilitate a residential development has been received and approved recently.
WLP7.13 (Waveney Local Plan)	Mutford	Land north of Chapel Road, Mutford	6	0	0	6	0	0	0	The landowner has stated that they intend to submit a planning application in August / September 2020. It will be marketed following grant of permission. As a small site, although at an early stage, it is considered reasonable that it could complete mid way through the five year period as anticipated by the landowner.
WLP6.1 (Waveney Local Plan)	Reydon	Land west of Copperwheat Avenue, Reydon	220	0	0	0	50	50	120	An outline application (DC/19/1141/OUT) for this site has been considered by Planning Committee in March 2020 and has a resolution to approve, subject to Section 106. Progress is therefore clearly being made and it is reasonable to anticipate some completions in the five year period.
WLP7.14 (Waveney Local Plan)	Ringsfield	Land north of School Road, Ringsfield	30	0	0	10	10	10	0	An outline application (reference DC/20/1001/OUT) has been received and is awaiting a decision. The response from the agent states it is anticipated that the site will be marketed on the granting of consent and that completions will begin from 2021/22. The provided projected timescales are considered ambitious for the purpose of the housing land supply statement so have been moved to later in the 5 year period, and have been aligned to the numbers in the allocation for the purposes of the Housing Land Supply Statement.
WLP7.15 (Waveney Local Plan)	Rumburgh	Land east of Mill Road, Rumburgh	10	0	0	0	10	0	0	The questionnaire response from the landowner lays out a comprehensive plan. Whilst no developer is engaged at present the landowner may develop the site. It is intended to submit a planning application in autumn 2021, Covid-19 having set back previous plans. Background technical work is likely to commence in late 2020/early 2021. Completion is estimated for

										2023 if the landowner develops the site. Should a developer develop the site it is considered still reasonable to anticipate completions in the five years.
WLP7.5 (Waveney Local Plan)	Somerleyton	Land north of The Street, Somerleyton	10	0	0	5	5	0	0	The response from the agent states they intend to submit an application in the next 12 months and they expect the development to be completed in the next 5 years. Over the past year progress has been made on marketing and selection of development partners.
WLP7.6 (Waveney Local Plan)	Somerleyton	Mill Farm Field, Somerleyton	35	0	0	10	15	10	0	The response from the agent states they intend to submit an application in the next 12 months and they expect the development to be completed in the next 5 years. Over the past year progress has been made on marketing and selection of development partners.
WLP7.7 (Waveney Local Plan)	Wangford	Land north of Elms Lane, Wangford	16	0	8	8	0	0	0	No application has been submitted yet, the landowner/developer have stated they will submit shortly following a landscape and visual assessment. Tenders are currently being sought for the landscape and visual assessment and preparatory layout drawings commenced. They intend to submit an application in the next six months. Whilst the response has indicated a number higher than the allocation, for the purposes of the housing land supply statement the number of dwellings in the allocation policy is used. The completions have been put back by one year from the landowner/developer's anticipated rates as this is considered more realistic.
WLP7.17 (Waveney Local Plan)	Westhall	Land west of Lock's Road, Westhall	18	0	0	9	9	0	0	The response from the agent states that the site is being marketed, that there is an interested party and that they expect development to commence by 2022/23 with topographical work already completed.
WLP7.8 (Waveney Local Plan)	Wrentham	Land north of Chapel Road, Wrentham	60	0	0	0	0	10	50	The site is being actively marketed. No expected build out rate has been provided, however the marketing of the site represents progress from the previous Housing Land Supply. It is considered reasonable that the site could begin completing in year 5.

WLP3.1 part (Waveney Local Plan).	Beccles	Beccles and Worlingham Garden Neighbourhood	1250	0	0	0	0	0	1250	Allocated for mixed use including approximately 1,250 dwellings, employment development, primary school, country park, sports fields. A small parcel of land near the centre of the site is a former scrapyards with extant consent for 6 dwellings - works have commenced to implement the permission but no further progress. It is anticipated this area will be delivered as part of a comprehensive, masterplanned development of the site. The eastern part of the allocation (approx 52.5ha) is in the control of a national housebuilder (Larkfleet Homes) and pre-application discussions with the Council are ongoing. Due to the scale of the site and the need for masterplanning it is considered reasonable, for the purposes of the housing land supply statement, to place the completions outside of the five year period.
WLP3.2 part (Waveney Local Plan)	Beccles	Land west of London Road, Beccles	39	0	0	0	0	0	39	The full site is allocated for a total of 280 dwellings. Planning permission has been granted for 228 dwellings (Ref DC/18/4312/FUL). The remaining part of the site will deliver approximately 39 dwellings and is currently in commercial use and has been formerly used as a petrol station. Due to the circumstances of the site and the lack of recent information from the landowner the Council does not consider the site to be deliverable within the 5 year supply period for the purposes of this statement.
WLP7.3 (Waveney Local Plan)	Blundeston	Land at south of Lound Road, Blundeston	16	0	0	0	0	0	16	Based upon the position described in the 2019 Housing Land Supply Statement, that the site was unlikely to come forward until after the Blundeston prison site is complete (see DC/16/2157/FUL), the Council does not consider the site to be deliverable within the 5 year supply period for the purposes of this statement.
WLP7.4 (Waveney Local Plan)	Blundeston	Land north of Pickwick Drive, Blundeston	45	0	0	0	0	0	45	The policy phases development for post 2025. Whilst the response from the landowner suggests they may wish to bring it forward sooner, based upon the Policy it is appropriate for supply to be identified outside of the five years.
WLP5.2 part (Waveney Local Plan)	Bungay	Land west of St Johns Road, Bungay (Slater Family)	250	0	0	0	0	0	250	The site is allocated for a total of 400 dwellings. The eastern part of the site has outline consent for 150 dwellings and approval of reserved matters was granted in May 2020 (see DC/14/4193/OUT). Development on this part of the allocation will not commence before the eastern part is developed and is identified outside of the five years.

WLP4.3 (Waveney Local Plan)	Halesworth	Land north of Old Station Road, Halesworth	10	0	0	0	0	0	10	The response from the landowner reported in the 2019 Housing Land Supply Statement stated that they did not wish to bring it forward in the five years. The Council has no evidence to suggest this position has changed and therefore it is identified outside of the five years.
SA1 (Kessingland Neighbourhood Plan)	Kessingland	Former Ashley Nurseries Site, Kessingland	25	0	0	0	0	0	25	Whilst a planning application was submitted in March 2018, (DC/18/1364/FUL) this is not determined and the response from the developer identifies some issues related to the policy requirements. It is therefore not appropriate to include any dwellings in the five years at present.
SA2 (Kessingland Neighbourhood Plan)	Kessingland	Land at Laurel Farm West and South, Kessingland	55	0	0	0	0	0	55	The response from the developer identifies some issues related to the policy requirements. It is therefore not appropriate to include any dwellings in the five years at present.
SA3 (Kessingland Neighbourhood Plan)	Kessingland	Land at Laurel Farm East, Kessingland	25	0	0	0	0	0	25	The response from the developer identifies some issues related to the policy requirements. It is therefore not appropriate to include any dwellings in the five years at present.
WLP7.12 (Waveney Local Plan)	Lound	Land east of The Street, Lound	10	0	0	0	0	0	10	The response from the landowner states that no development is expected within the next 5 years and that no progress has been made so far in bringing the site forward.
WLP2.4 part (Waveney Local Plan)	Lowestoft	Kirkley Waterfront and Sustainable Urban Neighbourhood	199	0	0	0	0	0	199	Forms part of the Kirkley Waterfront and Sustainable Urban Neighbourhood allocation under policy WLP2.4. A number of permissions exist for other parts of the wider allocation under reference numbers DC/13/3482/OUT, DC/18/1728/ARM, DC/15/2004/RG3 and DC/17/3145/VOC and these are listed elsewhere in these appendices. Various site development options are available and being considered for the Kirkley Waterfront and Sustainable Urban Neighbourhood following the approval of the Lake Lothing Third Crossing and Lowestoft Flood Defence scheme receiving funding. There is insufficient evidence to suggest that this part of the site will be deliverable within the next 5 years.
WLP2.6 part (Waveney Local Plan)	Lowestoft	Western end of Lake Lothing	45	0	0	0	0	0	45	A consent on the site has lapsed (DC/14/2986 - for 44 dwellings). There is therefore no evidence that the site is likely to come forward in the next five years. The allocation is for 57 dwellings but 12 already have permission and are under construction (ref DC/19/2073/FUL and DC/18/4874/FUL).
WLP2.14 (Waveney Local Plan)	Lowestoft	Land north of Union Lane, Oulton	150	0	0	0	0	0	150	The Council does not have any evidence to support this site coming forward in the five years and therefore it has been placed outside of the five years.

WLP7.16 (Waveney Local Plan)	Willingham	Land east of Woodfield Close, Willingham	10	0	0	0	0	0	10	There is currently insufficient evidence to suggest that the site will be developed within the next 5 years.

Sites under construction or where construction is due to start:
