1	Welcome and Introductions  Cllr Craig Rivett	14:00
2	Notes of last meeting 16th October 2020  Approved.	14:05
3	ScottishPower Renewables update  Members were updated regarding key commitments provided by the Applicants at Deadline 2 including reductions in the footprints of the EA1N and EA2 project substations commitment that should the projects be constructed sequentially, the ducting for the second project will be laid at the same time as the cabling for the first project. Information was also provided regarding the difference between GIS and AIS technology in relation to the National Grid substation and the implications in relation to the design of the infrastructure.  Naomi Goold / Graham Gunby	14:10
4	Strategic energy update  Members given overview of the current status of the Offshore Transmission Review.  Phil Watson	14:25
5	EDF Energy update	14:40

	<p>Members were shown a presentation illustrating potential proposed changes to the Sizewell C DCO application that EDF Energy is currently consulting on. Detail was given to members surrounding suggested amendments to rail transport, a potential temporary second beach landing facility, potential changes to the SSSI crossing and sea defence, an additional Fen Meadow Habitat site in Pakenham, and changes to the main development site and SZB relocated facilities.</p> <p>Members were given an overview of likely timescales of the examination as a result of EDF Energy submitting changes to their application to the Planning Inspectorate.</p> <p>Philip Ridley / Lisa Chandler / Michael Moll</p>	
6	<p>AOB</p> <p>An emphasis was put on the JLAG meeting in December to proceed despite being close to Christmas.</p> <p>Meeting closed at 15:45</p>	15.40
	Next JLAG meeting 18th December at 2pm
