PART 1 – SUMMARY AND EXPLANATION

1. The Council's Constitution

- 1.1 East Suffolk Council has a Constitution which sets out how the Council operates, how decisions are made, and the procedures which are followed to ensure that decisions are efficient, transparent, and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose.
- 1.2 The purpose of the Constitution is to ensure that the Council's decision-making and governance arrangements help the Council to achieve its aims, objectives and priorities effectively and efficiently. It also ensures that the Council meets its legal duties.
- 1.3 The Council has chosen a Leader and Cabinet model of governance. This is explained below.

2. Corporate objectives and values

- 2.1 The Council's current objectives and priorities are set out in its Business Plan. This is available on the Council's website www.eastsuffolk.gov.uk.

3. What's in the Constitution?

- 3.1 The Constitution is divided in five parts that govern how the Council operates.
- 3.2 This part provides a summary and explanation of how the Council operates. More detail on this is contained within the rest of the Constitution. If a Member of the public requires further details they should contact [Democratic Services](#) who will try to assist.
[Part 2](#) sets out the Council's Functions and Responsibilities, including the Scheme of Delegation to committees, Officers and through the Cabinet.
[Part 3](#) sets out the Rules and Procedures through which the Council operates.
[Part 4](#) covers the Relevant Codes and Protocols.
[Part 5](#) sets out the Scheme of Members' Allowances.

4. How the Council operates

- 4.1 The Council consists of 55 Councillors (known as "Members") who are elected for a four-year term. There may be a by-election at any time if a Council seat becomes vacant during a Councillor's term of office.
- 4.2 Councillors must be over 18 years old and must live or work in the District. They are democratically accountable to residents of their ward. There are between 1 and 3 Councillors for each ward. The overriding duty of Councillors is to the whole community of East Suffolk, but they have a special duty to their constituents, including those who did not vote for them.
- 4.3 All Councillors meet together as the Council and this is often called "full Council". Members of the public are welcome to attend Council meetings except where exempt or confidential matters are being discussed (see [Access to Information Procedure Rules](#) in Part 3). There are some decisions which can only be taken by the full Council. The Council is responsible for setting the [Budget and Policy Framework](#). The Budget and Policy Framework sets out the Council's key policies and agreed budget for each

year. All decisions must be taken in accordance with these agreed documents. Only Council can change the Budget and Policy Framework. Details of the functions and responsibilities of Council are in [Part 2](#).

- 4.4 The Council is responsible for electing (and can remove) the Leader, who in turn will appoint a Deputy Leader and a Cabinet. The Council (mainly through the Scrutiny Committee process and call-in of decisions) is ultimately responsible for holding the Cabinet to account.
- 4.5 Councillors have to follow a [Code of Conduct](#) to ensure high standards in the way they undertake their duties. The Audit and Governance Committee promotes and maintains high standards of behaviour and has responsibility for considering complaints against Councillors.

5. The Chairman of the Council

- 5.1 The Chairman is elected by the Council at their Annual meeting each year. The Council also elects a Vice Chairman.
- 5.2 The Chairman undertakes civic and ceremonial roles on behalf of the Council and represents the Council at such events. They promote public involvement in the Council's activities and act as the conscience of the Council.
- 5.3 The Chairman presides over meetings of the full Council to ensure that business is carried out effectively and has responsibility for upholding and interpreting the Constitution.
- 5.4 If the Chairman is not available, the Vice Chairman undertakes the role.
- 5.5 Neither the Chairman nor the Vice Chairman can be the Leader or a Member of the Cabinet

6. Calendar of business and schedule of meetings

- 6.1 At its Annual Meeting (usually in May) the Council will approve its planned Calendar of Business and Schedule of Meetings, but nothing prevents amendments being made to the Calendar of Business and Schedule of Meetings.
- 6.2 There are three types of Council meeting:
 - a) the Annual Meeting
 - b) ordinary meetings
 - c) extraordinary meetingsand they are conducted in accordance with the [Council Procedure Rules](#) in Part 3 of this Constitution.

7. Interpretation

- 7.1 The ruling of the Chairman as to the interpretation or application of this Constitution or as to any proceedings of the Council cannot be challenged at any meeting of the Council. Such interpretation has to have regard to the purposes of this Constitution and must be reasonable.

8. Principles of decision making

- 8.1 All decisions taken by the Council, unless they are delegated to a single Member or to an Officer, are taken by a simple majority vote of the Members who are present. If there is a tie, the Chairman of the council, or of the meeting, has a casting vote. The

- [Functions and Responsibilities](#) and Scheme of Delegation in Part 2 gives details of responsibility for decision making.
- 8.2 The Council has decided to adopt a Leader and Cabinet form of governance for its executive system. The Leader is a Member who has been elected by a resolution of the Council and the Leader can be removed by a resolution of the Council.
- 8.3 The executive is a group of Councillors who are known as the Cabinet and who are responsible collectively for the executive functions of the Council. The law defines what functions of the Council are the responsibility of its executive or Cabinet and what functions of the Council are non-executive and so are functions of the Council (which can be delegated to Council Committees or Officers). Individual Members of the Cabinet have responsibility for specific executive functions delegated to them by the Leader. Details are set out in [Part 2 Section D - Cabinet](#). Most of the decisions taken by the Authority are executive decisions. The Leader also delegates many executive decisions to Officers to take.
- 8.4 The Cabinet is responsible for developing the policies and strategies of the Council and takes most of the decisions on service provision. The Cabinet is made up of the Leader (chosen by a vote of the Council), a Deputy Leader and up to eight other Cabinet Members who are all chosen and appointed by the Leader. The Leader may also appoint Cabinet Support Members to assist Cabinet Members in their roles, but these do not have a vote in Cabinet. The Cabinet does not have to be politically balanced.
- 8.5 When major decisions are to be discussed or made, these are published in the Cabinet's Forward Plan of Key Decisions which is available on the [Council's website](#), insofar as they can be anticipated. Key decisions are those which have a significant impact on the Council or where there will be spending or savings of over £250,000 within agreed budgets. If these major decisions are to be discussed at a meeting of the Cabinet, this will generally be open for the public to attend except where exempt or confidential matters are being discussed. The Cabinet can only make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the [Budget and Policy Framework](#), this must be referred to the full Council to decide.
- 8.6 The Constitution also enables the Council to:
- a) Provide clear leadership to the community in partnership with local people, communities, businesses and other organisations;
 - b) Support the active involvement of local people and local communities in the process of local authority decision making;
 - c) Help Councillors represent their constituents more effectively;
 - d) Create a powerful and effective means of holding decision makers to public account;
 - e) Ensure that no one will review or scrutinise a decision in which they were directly involved;
 - f) Be clear about who is responsible for making specific decisions and that they explain the reasons for decisions; and
 - g) Provide a means of improving the delivery of services to the community.
- 8.7 When taking decisions the Council will observe these principles.

9. Scrutiny

- 9.1 The Scrutiny Committee supports and challenges the work of the Cabinet and the Council as a whole. Cabinet Members cannot sit on the Scrutiny Committee. They also hold inquiries into matters of local concern in which citizens often take part. These sometimes lead to reports and recommendations which advise the Cabinet, the Council as a whole, and, in some cases, outside agencies, on policies, budgets, and service delivery.
- 9.2 The Scrutiny Committee monitors the decisions of the Cabinet. Non-Cabinet Members can 'call-in' a decision which has been made by the Cabinet, but not yet implemented. The Scrutiny Committee then considers whether the decision is appropriate before the decision is implemented. It may recommend that the Cabinet reconsider the decision, or ask Council to consider it before it is referred back to Cabinet.
- 9.3 The Scrutiny Committee may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

10. Regulatory and other Council committees

- 10.1 Where something is the responsibility of the Council and not the Cabinet, and the Council does not have, or want, to decide it at full Council, it is delegated to a Council committee. Some decisions are also delegated to Officers. Details of these delegations are set out in [Part 2](#).
- 10.2 The Council has established two Planning Committees and a Strategic Planning Committee to deal with planning matters; and a Licensing Committee to deal with a range of functions relating to licensing.
- 10.3 The Audit and Governance Committee looks after finance and audit. It promotes and maintains high standards of behaviour by Councillors and deals with any allegations of a breach of the [Code of Conduct](#). It also has responsibility to advise the Council on substantive changes to the Constitution.
- 10.4 In addition, Members take part when required in the Appointments Committee.
- 10.5 Council committees are politically balanced.
- 10.6 There is also an Independent Remuneration Panel to advise on Members' allowances.
- 10.7 The Council has appointed two Independent Persons with whom the Monitoring Officer consults, when consider complaints that Councillors may have breached the Code of Conduct.
- 10.8 All these Committees are explained in more detail in [Part 2 Section C - Committees](#).

11. Roles of all Councillors

- 11.1 All Councillors will:
 - a) collectively be the ultimate policy-makers and carry out strategic and corporate management functions;
 - b) contribute to the good governance of the District and actively encourage community participation and citizen involvement in decision making;
 - c) effectively represent the interests of the communities of the District in their own ward;
 - d) respond to constituents' enquiries and representations, fairly and impartially;

12. The Council's employees

- 12.1 The Council has people working for it (called 'Officers') to give advice, implement decisions and carry out the day-to-day delivery of its services. Some Officers such as the Head of Paid Service, the Monitoring Officer and the Chief Finance or Section 151 Officer, have specific duties to undertake. They are the 'Statutory Officers' and they ensure that the Council acts within the law and uses its resources wisely. The Council's [Management Structure](#) is set out in Part 2 Section E.
- 12.2 Officers must comply with a [Code of Conduct](#) which is set out in Part 4.
- 12.3 The recruitment, selection and dismissal of Officers will always comply with the [Officer Employment Procedure Rules](#) set out in Part 3 of this Constitution.
- 12.4 Officers are paid in accordance with the Council's Pay Policy.

13. Partnership working

- 13.1 The Council works with existing partners and creates new partnerships that will assist the Council in fulfilling its vision and objectives. In addition, the way in which the Council delivers some of its services and functions to citizens and businesses will continuously change to ensure value for money is delivered.
- 13.2 As part of this the Council may establish up to eight Community Partnerships which cover the district.

16. Citizens' rights

- 16.1 The Council welcomes the participation of citizens in its work.
- 16.2 Citizens have a number of rights in their dealings with the Council. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice can advise on individuals' legal rights.

 - j) Complain to the [Local Government and Social Care Ombudsman](#) if they think the Council has not followed its procedures properly. However, they should only do this after going through the Council's own complaints process;
 - k) Compliment the Council where the service they have received has been exceptionally good or speedy and which could help spread good practice across the Council;
 - l) Complain to the Council's Monitoring Officer if they have evidence which they think shows that a Councillor has not followed the Council's [Code of Conduct](#);
 - m) Complain to the Council about any Officers' actions or attitude;

- 18.2 The Monitoring Officer has authority to make minor amendments and corrections to the Constitution. The Leader may change Cabinet Portfolios and delegations.
- 18.3 Any substantive changes to the Council's decision-making arrangements and committee structure will be considered by the Audit and Governance Committee who will recommend changes to the Council. Any changes will need to be approved by the Council prior to implementation.

19. Publication

- 19.1 The Monitoring Officer will make available a printed copy of this Constitution for Councillors if requested, but every Councillor has access to this Constitution online, which ensures it is always the most up to date version.
- 19.2 The Monitoring Officer will ensure this Constitution is available for inspection on the [Council's website](#) and at Council offices. Printed copies can be purchased by the local press and the public on payment of a reasonable fee.
- 19.3 The Monitoring Officer will ensure that the summary of the Constitution is made widely available within the Council's area and is updated as necessary.

PART 2 – FUNCTIONS AND RESPONSIBILITIES (including the scheme of delegation)

Section A - General Principles

1. Principles of Decision Making

- 1.1 There are a number of controls and principles which must be followed whenever powers are exercised or decisions are made by the Council. These controls and principles are set out below and apply to all Members and Officers regardless of whether they are acting alone or in a group or committee.
- 1.2 It is the responsibility of every Member and Officer to familiarise themselves with these controls and principles and to be satisfied that they are complying with them every time they make a decision.
- 1.3 The first consideration in all decision making is whether the decision is being made by the most appropriate person or body with an aim to make the process efficient, transparent and accountable.
- 1.4 Part 2 Sections B, C and D of this Constitution set out the matters that Council has decided must be determined either by itself, its committees, or by the Cabinet. Everything else stands delegated to Officers in accordance with [Part 2 Section E](#) of this Scheme of Delegation.
Any decision making will be governed by these parts of the Constitution and the following additional arrangements:
 - a) The [Council](#), [Committee](#) and [Cabinet](#) Procedure Rules in Part 3 of this Constitution;
 - b) The [Contract Procedure Rules](#) and [Finance Procedure Rules](#) in Part 3;
 - c) [Member](#) and [Officer](#) Codes of Conduct in Part 4;
 - d) The Principles of Decision Making set out in this section;
 - e) Internal Service schemes of financial delegation;
 - f) Any Service specific operational guidance on the Scheme of Delegation to Officers, as published by the Council from time to time.
- 1.5 Any ambiguity that may arise as to whether a decision maker is authorised to take any particular decision is to be resolved by reference back up through the hierarchy of the chain of delegations, and legal advice should be taken if need be.
- 1.6 There should, however, be a presumption against referring (or calling) decisions back up the chain unless it is absolutely necessary to do so. Members and Officers are to take responsibility for making all decisions commensurate with their position and role at the Council.

2. Particular considerations for individual decision makers

- 2.1 Cabinet Members or Officers making decisions should pay particular regard to potential (or perceived) conflicts of interest and the rules on pre-determination, bias, interests, gifts and hospitality set out in the applicable Codes of Conduct in [Part 4](#).
- 2.2 Individual decision makers should consider whether it would, in all the circumstances, be prudent for a decision which would otherwise fall to be taken by them to instead be taken (or ratified) by:
 - a) in the case of a Cabinet Member, by the Cabinet collectively;

- b) in the case of an Officer, by their manager or another Officer with equivalent authority; or, in the case of a Cabinet decision, by a Portfolio Holder or the Cabinet collectively or, in the case of a Council decision, by an appropriate committee or sub-committee;
 - c) in the case of a decision maker under a specific delegation, by the person or body who made that delegation.
- 2.3 Individual decision makers should also have particular regard as to whether a decision should be made in consultation with any Officer or Member and of the need to consult and take advice as appropriate.

3. Best interests of the Council

- 3.1 All Members and Officers must act in the best interests of the Council at all times. Decision makers should always act in accordance with best practice, take the option that will deliver the best value for money and will result in the most effective and efficient use of resources.

4. Compliance with law, guidance and codes of practice

- 4.1 All decisions must be made in accordance with statutory requirements and codes of practice including any professional standards that apply to decision makers who are affiliated to professional associations that operate codes of conduct for their Members.

5. The Council's Budget and Policy Framework

- 5.1 All decisions must be taken in accordance with the [Budget and Policy Framework](#) set by the Council. This includes Service Area budgets, business plans and any other policies, arrangements, procedures, rules, practices or protocols in force from time to time. It also includes various Procedure Rules which set out the processes to be followed where certain types of decisions are being taken, specifically the [Council, Committee](#) and [Cabinet](#) Procedure Rules set out in Part 3 of this Constitution.
- 5.2 If any decision taker proposes to take a decision which is (or which the Monitoring Officer or Chief Financial Officer advise is) not in accordance with the Budget and Policy Framework, that decision must (unless any exceptions set out by Council apply) be referred to the Council. More information on the Budget and Policy Framework and taking urgent decisions which are not in accordance with the Framework is contained in Part 3 of this Constitution ([Access to Information Procedure Rules](#)).
- 5.3 The powers of the Scrutiny Committee in relation to decision making are set out in [Part 2 Section C - Scrutiny Committee](#) Terms of Reference.
- 5.4 The [Finance Procedure Rules](#) and [Contract Procedure Rules](#) in Part 3 of this Constitution also control who can take decisions with financial implications and how those decisions are to be taken.

6. Considering options and impacts

- 6.1 All decision makers must be clear about the desired aims and outcomes of the decision process. This means that before any decision is made, they will need to be clear on what needs to be achieved and gather and use all the information that is reasonably available to them to identify and evaluate all their options. They will need

to assess the likely impacts of each option, with particular regard to human rights, equality, diversity, and sustainability issues. Ultimately, decision makers need to be satisfied that actions taken are proportionate to the desired outcome.

- 6.2 Decisions must be made with regard to all relevant considerations and ignoring all irrelevant considerations.

7. Consultation

- 7.1 In order to be able to properly evaluate options and the potential impact of decisions, all decision makers should consider very carefully whether there is a need to consult those who may be affected by their decisions, local Members, committee Chairmen, or Cabinet Members. They also need to consider whether they need to take any professional or specialist advice or guidance from relevant Officers, particularly legal or financial advice. The body or individual taking the decision should have regard to the outcome(s) of such consultation.

8. Transparency - meeting in public

- 8.1 Most meetings where decisions are made will be held in public. Further information on meetings that are held in public and meetings that are not is contained in the [Council](#), [Committee](#), [Cabinet](#) and the [Access to Information Procedure Rules](#) in Part 3. Decision makers need to understand and comply with these requirements.
- 8.2 A very large number of decisions are not made in meetings but are taken by individual Cabinet Members or by an Officer. All decision makers need to ensure that the processes they follow are as transparent as possible, particularly when decisions are made by individuals or in meetings that are not open to the public. This means ensuring that it will be clear to outside observers, through the keeping of clear records, what the aims, outcomes, options and assessed impacts were, who was consulted (and when and how they were consulted), what information was taken into account and giving reasons for decisions made. Decisions shall be taken and recorded in accordance with the [Access to Information Procedure Rules](#) in Part 3.

9. Transparency - notice of decisions and meetings and record keeping

- 9.1 An important part of ensuring transparency in decision making is making sure that appropriate notice is given that decisions are going to be made, and that appropriate records are kept of decisions made and the reasons for them, in accordance with the [Access to Information Procedure Rules](#) in Part 3. Decision takers should assume that all decisions may be made available to the public.
- 9.2 The nature of any notice or decision record required will depend on the type of decision in question and is, in most cases, a matter of judgement for the decision maker. There are however particular requirements for certain types of decisions including urgent decisions (see [Access to Information Procedure Rules](#)), [Cabinet](#) decisions, and decisions outside of the [Budget and Policy Framework](#).

10. Transparency - decision reports

- 10.1 Formal report templates will be used to draft reports on which Key Decisions, and all decisions taken by Council, Committees, the Cabinet and individual Cabinet Members

will be based. These templates contain prompts to ensure all the relevant matters discussed above are addressed.

- 10.2 Every such report will list those documents (called background papers) relating to the subject matter of the report which: (a) disclose any facts or matters on which the report or an important part of the report is based; and (b) which have been relied on to a material extent in preparing the report. Background papers will be made available (unless exempt) in accordance with the [Access to Information Procedure Rules](#).
- 10.3 In addition, all reports to the Cabinet on proposals relating to the Budget and Policy Framework must contain details of the nature and extent of consultation with stakeholders and the relevant Scrutiny Committees, and the outcome of that consultation.
- 10.4 Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.
- 10.5 The Chief Executive, Strategic Directors and Heads of Service may initiate reports on any matter where they believe the Council, Cabinet, committee or sub-committee should make a decision or should be informed.
- 10.6 Where such a report affects another Service, the appropriate Strategic Director and Head of Service must be consulted. The appropriate Cabinet Member shall be consulted prior to the publication of a Cabinet report which concerns their Portfolio.
- 10.7 Reports shall communicate all relevant factual information and professional opinions, together with appropriate recommendations. The Cabinet Member may make suggestions as to the content and timing of the report.

11. Types of decision

11.1 Under the Constitution, decisions may be taken by:

- the full Council
- the Cabinet collectively
- individual Cabinet Members
- Committees and sub committees
- Officers

11.2 Under the Constitution, decisions taken by:

- Advisory Committees, Panels and Working Groups
- Appointments Panel
- and some decisions of the Scrutiny Committee

will form recommendations or referrals (as appropriate) to the decision making bodies listed above in paragraph 11.1, subject to the remainder of this paragraph 11.

11.3 The Appointments Panel shall appoint Heads of Services and members of the Strategic Management Team without further reference to any of the decision making bodies listed in paragraph 11.1 above, in accordance with the [Officer Employment Procedure Rules](#) in Part 3 of this Constitution.

11.4 Whichever body or individual is responsible for taking a decision, the decision will be formally minuted and recorded and unless it contains confidential or exempt information, will be open to public inspection in accordance with the [Access to Information Procedure Rules](#) in Part 3.

11.5 Decisions relating to the functions listed in [Part 2 Section B](#) will be made by the Council and not delegated.

12. Key decisions

12.1 A Key Decision is an executive decision which is likely to:

- a) result in the Council incurring expenditure, making savings or receiving income which is/are significant having regard to the Council's budget for the Service or function to which the decision relates; or
- b) be significant in terms of its effects on communities living or working in an area comprising 2 or more wards in the area of the Council's District;

12.2 By the term "significant" the Council means a decision which in the case of either revenue expenditure or a capital scheme:

- a) results in expenditure, savings, income, additional funding or virement of over £250,000 being incurred or achieved; or
- b) results in an outcome which will have a marked effect on communities living or working in an area comprising two or more wards.

12.3 A decision maker may only make a Key Decision in accordance with the requirements of the [Access to Information Procedure Rules](#) set out in Part 3 of this Constitution.

13. Decision making by Council bodies and Individuals

13.1 Council meetings will follow the [Council Procedure Rules](#) set out in Part 3 of the Constitution when considering any matter.

13.2 The Cabinet and Cabinet Members will follow the [Cabinet Procedure Rules](#) set out in Part 3 of the Constitution when considering any matter.

13.3 Other Council committees and sub-committees will follow those parts of the Council Procedures Rules or committee specific procedure rules set out in the Constitution which apply to them.

14. Decision making by Council bodies acting as tribunals

14.1 Decision takers acting in a judicial capacity, for instance when determining appeals, must pay particular regard to the requirements of this Section to ensure that principles of "natural justice" are observed.

14.2 Natural justice requires that a fair, reasonable and transparent decision making procedure is followed which affords all involved a fair opportunity to make representations. Procedures followed should eradicate any bias or conflict of interests (as far as possible) and full reasons for decisions should be given and recorded. Decision makers must ensure that they take all relevant information, considerations or circumstances into account and disregard any information, considerations or circumstances that are not relevant to the matter that is to be decided.

Section E – Officers

SCHEME OF DELEGATION TO OFFICERS

Summary

This section of the Constitution explains the role of the Council's Officers in general and the role of certain key and "Statutory" or "Proper" Officers. It sets out the Officer management structure and explains how the Council's functions are grouped together under Service Areas

This section also contains the specific delegations to Officers, setting out how Council has delegated powers to Officers and how Officers are to use those powers. In summary, with the exception of matters that are specifically reserved to Members by law or in this Constitution, such as adopting strategic policy and taking certain types of regulatory decisions, all of the other functions of the Council are delegated to Officers. Officers may enter into contracts and incur expenditure but must do so within financial limits and procedures set out in the [Finance Procedure Rules](#) and [Contract Procedure Rules](#).

1. Introduction

- 1.1 "Officers" is the term used to refer to the people employed, retained or appointed by the Council to advise and support Members and implement their decisions. The term "Officers" in this Constitution includes all the people who operate in this capacity under an agreement with the Council whether or not they are directly employed by the Council. This may include contractors, consultants, and agency staff.
- 1.2 This Council's approach to decision making is to ensure that its system of delegation enables decisions to be taken at the most appropriate level closest to those who will be affected by the decision in question. Under this system of delegation, the vast majority of the Council's decisions and actions will fall into the category of operational day to day decisions taken by its Officers.
- 1.3 In order to ensure the smooth functioning of the Council and the efficient delivery of Services, the Council and its Cabinet have delegated to Officers all of the powers that they need to carry out their role.
- 1.4 Some Officers have specific legal duties to ensure that the Council acts within the law and uses its resources wisely. These Officers are known as "Statutory" or "Proper" Officers, and some have specific legal titles in addition to their job titles. A summary of who these Officers are and what they are responsible for can be found below.
- 1.5 The relationship between Officers and Members is governed by a [Protocol for Member/Officer relations](#), and Members and Officers are also bound by the applicable Codes of Conduct, which are set out in [Part 4](#) of this Constitution.

2. Officer Management Structure

- 2.1 The Council's Services are delivered through different departments, known as "Service Areas" each under the control of an Officer who is known as a Head of Service. Services are grouped together under the control of a Strategic Director. Each Head of Service reports to their relevant Strategic Director.
- 2.2 Strategic Directors are responsible for all of the Services within their area and they report to the Chief Executive. The Chief Executive is ultimately responsible for the operational management of the Council, its Officers, and for the delivery of all the Council's Services within the budget and policy framework set by Members.

- 2.3 The Chief Executive and Strategic Directors form the Council's Strategic Management Team (SMT).
- 2.4 The Chief Executive, Strategic Directors and Heads of Service form the Council's Corporate Management Team (CMT).
- 2.5 The way the Council structures its Services changes from time to time to reflect changes in Service delivery and best practice. [Appendix 2](#) to this section shows Council's Management Structure and the [Council's website](#) will show relevant contacts for different services.

3. Statutory or Proper Officers

- 3.1. The Council is required to appoint certain Officers to undertake the "Statutory Officer" roles which require them to discharge specific legal duties to ensure that the Council acts within the law and uses its resources wisely. Those roles are the Head of Paid Service, the Chief Finance Officer (also known as the Section 151 Officer), and the Monitoring Officer.
- 3.2. The Council is responsible for ensuring that these Officers have the resources they require to discharge their roles effectively.
- 3.3. **The Head of Paid Service**
The Chief Executive is the Council's Head of Paid Service. The Head of Paid Service reports to Council on how the discharge of the Council's functions is coordinated, the number and grade of Officers required for the discharge of functions and the organisation of Officers, including Head of Service positions.
- 3.4. The Head of the Paid Service will report to the Council on the manner in which the discharge of the Council's functions is coordinated, the number and grade of Officers required for the discharge of functions and the organisation of Officers.
- 3.5. The Head of the Paid Service may not be the Monitoring Officer but may hold the post of Section 151 Officer if a qualified accountant.
- 3.6. **The Chief Finance (Section 151) Officer**
The Chief Finance Officer is the Council's Section 151 Officer and is responsible for the proper administration of the financial affairs of the Council.
- 3.7. The Chief Financial Officer's responsibilities include:
 - a) **Ensuring lawfulness and financial prudence of decision making.** After consulting with the Head of the Paid Service and the Monitoring Officer, the Chief Finance Officer will report to the Council or to the Cabinet in relation to an executive function and to the Council's external auditor if they consider that any proposal, decision or course of action will involve incurring unlawful expenditure, or is unlawful and is likely to cause a loss or deficiency or if the Council is about to enter an item of account unlawfully.
 - b) **Administration of financial affairs.** Responsibility for the administration of the financial affairs of the Council.
 - c) **Contributing to Corporate Management.** They will contribute to the corporate management of the Council, in particular through the provision of professional financial advice.
 - d) **Providing advice.** They will provide advice on the scope of powers and authority to take decisions, maladministration, financial impropriety, probity and Budget and Policy Framework issues to all Members and will support and advise Members and Officers in their respective roles.

- e) **Give financial information.** They will provide financial information to the media, members of the public and the community.
- 3.8. The Chief Finance Officer will contribute to the corporate management of the Council by providing professional advice and assistance to Officers and Members in respect of matters of financial propriety, compliance, and due process in the formation and implementation of the budget and policy framework.
- 3.9. The Chief Finance Officer shall, where necessary, and in consultation with the Head of Paid Service and Monitoring Officer, report any compliance issues to the Council, the Cabinet or the external auditor.
- 3.10. **The Monitoring Officer**
The Monitoring Officer is the Head of Legal and Democratic Services and is responsible for ensuring lawfulness and fairness in decision making and matters relating to the conduct of elected Members. The Monitoring Officer cannot be the Head of Paid Service or the Section 151 Officer.
- 3.11. The Monitoring Officer will provide advice to ensure that decisions are taken on proper authority, by due process, and in accordance with the Budget and Policy Framework. The Monitoring Officer will ensure that Cabinet decisions, together with the reasons for those decisions and relevant Officer reports and background papers are made publicly available as soon as possible.
- 3.12. The Monitoring Officer shall, where necessary, and in consultation with the Head of Paid Service and the Chief Financial Officer, report any proposal, decision or omission considered to be unlawful or to amount to maladministration to the Council or the Cabinet. Such a report will have the effect of stopping the proposal or decision being implemented until the end of the day after the report has been considered.
- 3.13. The Monitoring Officer will carry out the obligations set out in the [Localism Act 2011](#) in relation to Member conduct and standards and will deal with breaches of the Members' Code of Conduct in accordance with the arrangements which the Council has put in place for this.
- 3.14. The Monitoring Officer will determine questions as to the interpretation of the Constitution and will be responsible for ensuring that it is kept up to date.
- 3.15. The Monitoring Officer is authorised to make minor or consequential amendments to the Constitution for the purpose of keeping it up to date, clarifying its content or interpretation, correcting any errors or omissions or otherwise giving effect to the decisions of the Council and Cabinet.
- 3.16. The Monitoring Officer will contribute to the promotion and maintenance of high standards of conduct through the provision of support to the Audit and Governance Committee.
- 3.17. The Monitoring Officer will provide advice on the scope of the Council's powers and authority to take decisions, maladministration, financial impropriety, probity and Budget and Policy Framework issues to all Members.

4. Proper Officers

- 4.1. There are various laws which require certain functions to be undertaken by the "Proper Officer" of the Council. The following is a list of designated Proper Officers in East Suffolk. In the event that a Proper Officer is not listed then the Proper Officer shall be the Strategic Director with responsibility for the subject matter in question or in the alternative the Head of Paid Service.

4.2. "Proper Officer" functions may be discharged by other Officers duly authorised to act in the name of the "Proper Officer" concerned.

5. Powers of Officers

- 5.1 Officers are appointed to undertake particular roles. Those roles may be established by the terms of their appointment, job or role description, their position in the organisation, or from a specific instruction or the allocation of specific responsibilities by their manager. Officers' roles may vary from time to time to reflect changes in Service delivery.
- 5.2 To ensure the smooth functioning of the Council and the efficient delivery of the Services that it is responsible for, the Council and the Cabinet delegate to Officers all of the powers that they need to do whatever their role requires of them from time to time.

5.3 All powers and functions not specifically reserved to Members in this Constitution or by statute stand delegated to Officers in accordance with the cascade principle set out below.

6. Cascade of Powers

6.1 Officers' powers have been delegated by means of a standing cascade. That means that there are no long lists in this constitution of specific powers and who they have been delegated and sub-delegated to, with the exception of the specific delegations in [Appendix 1](#) to this Scheme of Delegation to Officers.

6.2 Instead, there is a standing delegation of all necessary powers from the Council and the Cabinet (and their committees) to the Chief Executive and from there to each Strategic Director and the Heads of Service. The cascade continues down through the Heads of Service to team managers and relevant Officers in each Service.

6.3 In each case the powers delegated are the full range and extent of powers vested in the Council as necessary in order to discharge functions, implement decisions, and undertake the efficient operational management of the Services that the Strategic Directors and Heads of Service are responsible for.

6.4 This includes the power to do anything ancillary or incidental to, arising from, or necessary to give effect to or facilitate the exercise of powers and the discharge of functions delegated to Officers.

7.1. When Officers act under delegated powers, they do so in the name of their Head of Service or Strategic Director who will retain ultimate responsibility for ensuring that powers are exercised at the appropriate level by suitably competent and qualified Officers.

7.2. It is for the Chief Executive, Strategic Directors and Heads of Service, to determine, record and keep under review the extent to which Officers in their Service are authorised to exercise delegated powers in their name. They shall do this by ensuring that there is clarity in setting out their Service and team structures and defining the respective roles of their Officers.

7.3. It is the responsibility of each Officer in the chain of delegations to ensure that powers are being exercised at the most appropriate level by suitably competent and qualified Officers. They shall at all times have due regard for the nature, subject matter, and likely impact of any decision and liaise closely with those above them in the chain of delegations, including relevant Members, especially where a matter has potentially significant strategic, policy or operational implications.

7.4. Any ambiguity that may arise as to whether or not a particular Officer is, by reference to the terms of their appointment, job or role description, or their position in the organisation, authorised in respect of any particular function is to be resolved by reference back up through the chain of delegations to Heads of Service, Strategic Directors or ultimately to the Chief Executive as appropriate who shall, where necessary, give written confirmation of the allocation of any given responsibility.

7.5. In exceptional circumstances, and with the agreement of those above them in the chain of delegations, Officers may decline to exercise powers which rest with them where it is considered, in all the circumstances, that it would be more appropriate for another Officer or for Members to exercise the power instead.

- 7.6. Unless specifically prohibited by the terms of any authorisation, Officers may arrange for any power which rests with them to be discharged by another suitably competent and qualified Officer, but they remain responsible for any powers so exercised.
 - 7.7. Officers may direct that certain types of decisions, or decisions on particular matters, be reserved to them (or to another Officer) notwithstanding that they would ordinarily be taken at a point further along the chain of cascade.
 - 7.8. Where the duly empowered Officer is unavailable or unable to act then, subject to any specific arrangements that may have been put in place, a suitably qualified and competent Officer who is most proximate to the absent Officer in the chain of delegations is empowered to act in place of that Officer. This will usually follow the chain of delegations or line of management back up through team managers and Heads of Service to the Chief Executive.
-
- 8.1. Officers are not empowered to make decisions in respect of matters that are specifically reserved to Members or which amount to the adoption or implementation of new policy.
 - 8.2. Officers are only empowered to act in respect of matters which fall within their Service area, suite of responsibilities and sphere of competence.
 - 8.3. Officers who propose to exercise powers in respect of any matter that is not wholly within their Service area, suite of responsibilities or sphere of competence shall be obliged to act in consultation with and take appropriate advice from those Officers with the relevant responsibilities and expertise and particularly from the Chief Financial Officer and the Head of Legal and Democratic Services in respect of financial and legal considerations.
 - 8.4. Before taking decisions, Officers must be satisfied that they can demonstrate, through appropriate records, that they are duly authorised to act and that they have undertaken all appropriate consultation.
 - 8.5. Officers must at all times observe and abide by the principles and controls governing decision making set out in [Section A](#).
-
- 9. Notices, Authorisations, Determinations, Orders, Licenses, Agreements, and Consents**
- 9.1 For the avoidance of doubt the delegation of authority through the Officer structure includes the power to take all action necessary in connection with or ancillary to the following, subject always to powers reserved for exercise by the Council, Cabinet and Cabinet Member, and any committees established by the Council and to the framework set out in the [Financial Procedure Rules](#) and [Contract Procedure Rules](#) in Part 4:
 - a) the instruction of the Monitoring Officer in respect of legal (or quasi legal) proceedings.
 - b) the authorisation of Officers as may be required by statute (whether as "Proper Officers" or otherwise) to undertake certain roles, or to exercise or discharge any powers, duties or functions including investigatory or regulatory functions and affecting entry to land or premises;
 - c) the issuing, service, variation, or withdrawal of any notice, direction, determination, requisition, ultimatum or demand;
 - d) the making, confirmation, variation or withdrawal of any order or regulation;
 - e) the formation, variation or termination of any contract or agreement;

- f) the grant, variation, withdrawal or termination of any permission, authorisation, license or consent.

10. Authorising Expenditure and Signing and Sealing Agreements

- 10.1 The [Finance Procedure Rules](#) and [Contract Procedure Rules](#) (Part 3 of this Constitution) and individual Service schemes of financial delegation sets out the financial limits that Officers must work within and procedures that they must follow when authorising expenditure. In the absence of any requirement to the contrary, Officers may:
 - a) authorise expenditure of up to £30,000;
 - b) in consultation with the Cabinet Member for the Portfolio to which the expenditure relates, authorise expenditure of up to £250,000.
- 10.2 The [Finance Procedure Rules](#) and [Contract Procedure Rules](#) set out which documents can be signed by Officers within individual Services and which documents must be signed or sealed by the Head of Legal and Democratic Services.

11. Legal Proceedings and Protecting the Council's Interests

- 11.1 All matters in respect of the conduct of legal (or quasi legal) proceedings (including the authentication or execution of documents) are reserved to the Head of Legal and Democratic Services (and their duly authorised Officers) who shall be authorised to institute, defend, settle, discontinue or otherwise participate in any such proceedings or take any other action considered necessary to give effect to decisions or protect the interests of the Council.

12. Conflicts of Interest

- 12.1 Every Officer is responsible for identifying whether they have a conflict of interest in any matter which is under consideration, actual or perceived, within the Council, and notifying the Council (including under section 117 of the [Local Government Act 1972](#)) is necessary.
- 12.2 Where an Officer has a conflict of interest in any matter, they shall not participate in that matter in their capacity as an Officer except with the prior approval of the Monitoring Officer or the Chief Executive.
- 12.3 Where the Chief Executive is unable to act on a matter because of a conflict of interest, the matter shall be discharged by the appropriate Strategic Director or Head of Service, where the appropriate Strategic Director or Head of Service is unable to act the matter shall be discharged by the CMT collectively, or by such Officer as they shall determine for this purpose.
- 12.4 Where a Head of Service is unable to act on a matter because of a conflict of interest, the Chief Executive shall discharge the matter themselves or allocate the matter to another Officer.
- 12.5 Where the Monitoring Officer is unable to act on a matter in their statutory capacity under section 5 of the [Local Government and Housing Act 1989](#), the matter shall be discharged by the Officer designated by the Monitoring Officer as Deputy Monitoring Officer.
- 12.6 Where the Monitoring Officer is unable to act on a matter in relation of Member conduct, the matter shall be discharged by the person appointed by the Monitoring Officer for this purpose under section 82A of the [Local Government Act 2000](#).

- 12.7 Where any other Officer is unable to act on a matter that Officer's line manager or the Chief Executive may discharge the matter or may arrange for another Officer to discharge the matter.
- 12.8 No Officer other than the Head of Legal and Democratic Services shall authorise or institute any legal proceedings or process or instruct legal agents or Counsel without the prior written consent of the Head of Legal and Democratic Services unless the Head of Legal and democratic Services is absent or conflicted in which case the Chief Executive may discharge the matter or arrange for another officer to discharge the matter.
- 12.9 The Chief Executive may allocate or re-allocate responsibility for functions between Officers as necessary for the effective discharge of those functions or to cover absence of particular Officers.
- 12.10 Where an Officer is going to be absent for a period, they or their line manager may re-allocate responsibility for that Officer's functions as necessary to ensure the effective discharge of those functions during the Officer's absence. Where the Chief Executive is going to be absent for a period then responsibility for the Chief Executive's functions as necessary to ensure the effective discharge of those functions during the Chief Executive's absence shall be allocated to the appropriate Strategic Directors or Heads of Service, unless otherwise allocated by the Chief Executive.
- 12.11 Where a function is delegated to an Officer it shall also be exercisable by their Head of Service. Where a function is delegated to a Head of Service it shall also be exercisable by the Chief Executive, except for the functions of Monitoring Officer and Section 151 Officer. Where a function is stated to be specifically delegated to a particular Officer, that function shall not be exercised by any other Officer, except in accordance with this Scheme. Staff exercising delegated powers shall do so with regard to Section A (Principles of Decision Making).

13. Specific Delegations

- 13.1 Specific delegations to Officers are set out in [Appendix 1](#) to this Scheme of Delegation to Officers.

Section E - APPENDIX 1

REGISTER OF SPECIFIC OFFICER FUNCTIONS

Head of Planning and Coastal Management

All planning application decisions including decisions concerning environmental decisions or considerations requiring habitat impact assessments are delegated to the Head of Planning and Coastal Management UNLESS:

1. The Planning Application is, in the opinion of the Head of Planning and Coastal Management or the Chairman/Vice Chairman of the Planning Committee, of significant public interest; would have a significant impact on the environment; or should otherwise be referred to Members due to its significance in some other respect; or
2. The applicant or landowner is East Suffolk Council; or
3. The applicant, or agent, is a Councillor or a Council employee, or the applicant, or agent, is a close relative of a Councillor or Council employee; or
4. The 'minded to' decision of the Planning Officer is contrary to either:
 - a. The comments received from the Town or Parish Council within the 21 day consultation period; or
 - b. The comments received from the Ward Member within the 21 day consultation period; or
 - c. The comments received from a statutory consultee within the 21 day consultation period.

In which case, if item 4 is invoked, the Planning Application will be referred to the Referral Panel – the panel will discuss with the Head of Planning and Coastal Management (based on planning grounds) to either refer the application to Planning Committee for decision or remain delegated to the Head of Planning and Coastal Management.

Planning Referrals Panel

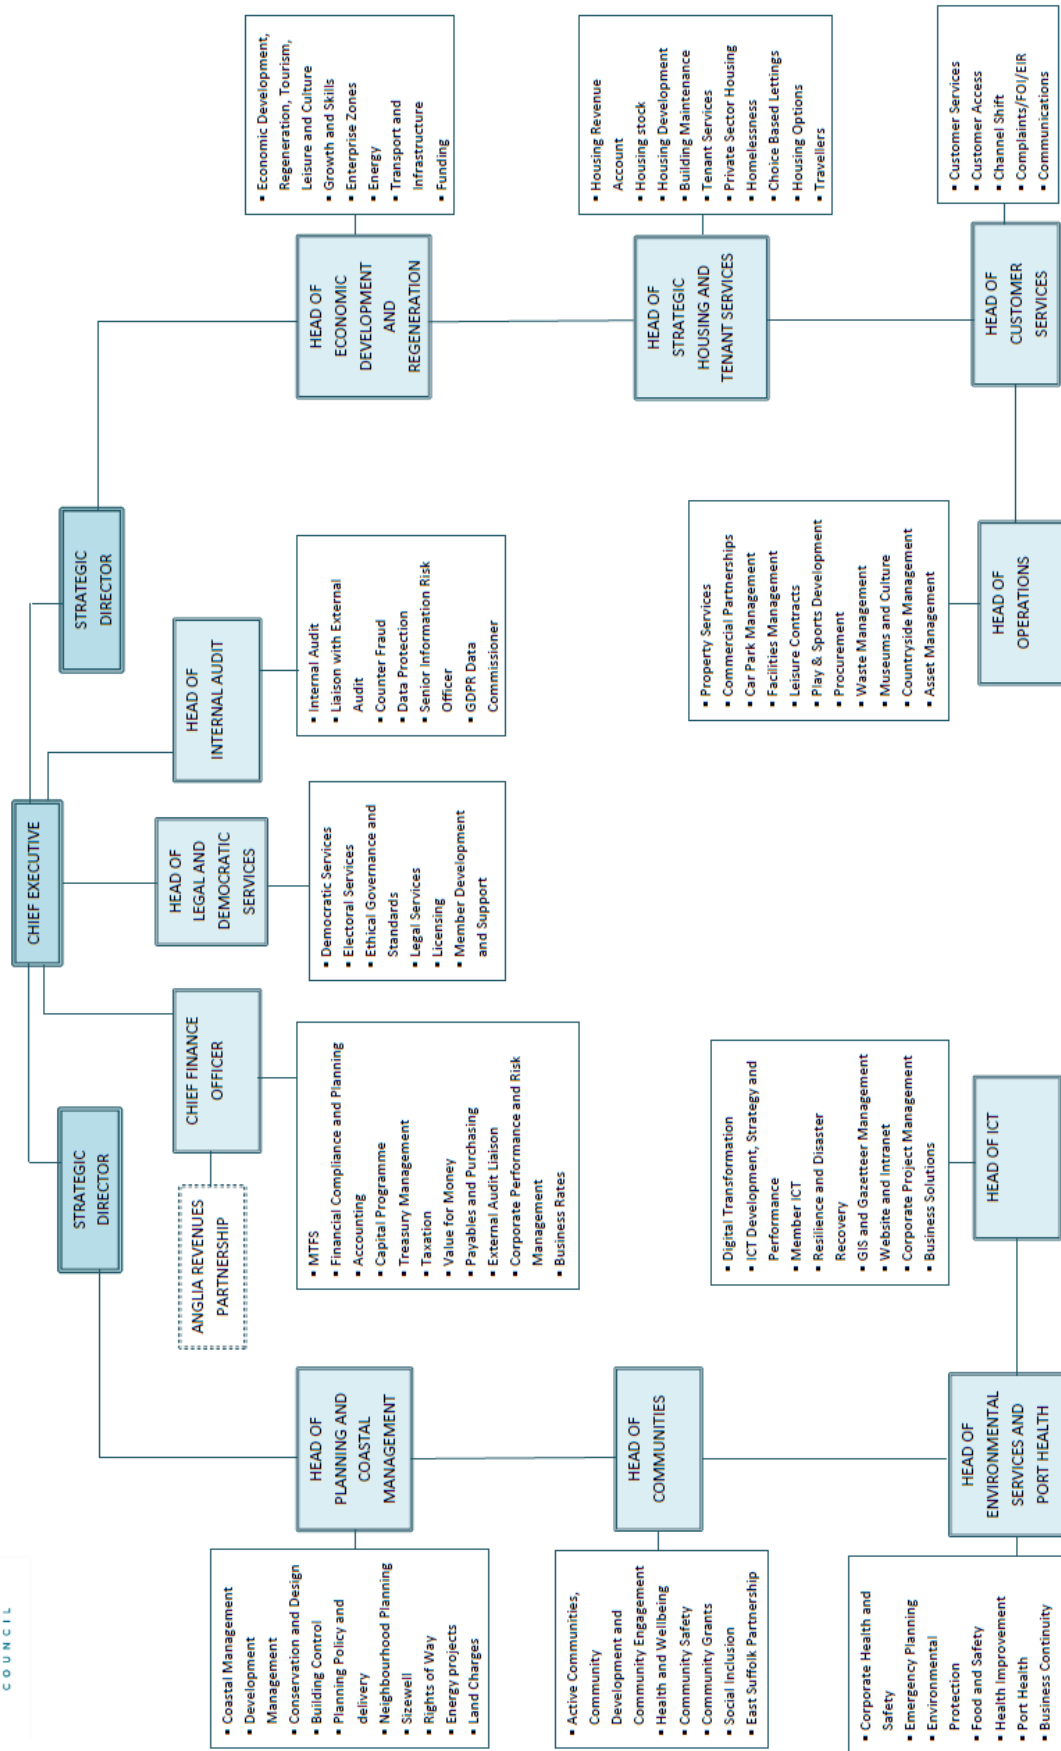

The Referrals Panel is a consultative panel consisting of the Chairman and Vice Chairman of each area Planning Committee, convened by the Head of Planning and Coastal Management as necessary and established to advise on the delegated route of decision making for planning permission and other planning matters as part of the scheme of delegation.

Officers will use the Referrals Panel to consult with the Chairman and Vice Chairman of the committees as to whether the application or matter will be determined by the relevant Planning Committee or remain delegated to the Head of Planning and Coastal Management in accordance with the Scheme of Delegation. The final decision on whether the relevant Planning Committee or the Head of Planning and Coastal Management shall determine the application or matter shall be made by the Head of Planning and Coastal Management as part of the consultation with the referral panel.

All consultations with the Referral Panel will be recorded.

Section F – Councillor Roles

As a democratically elected local representative, East Suffolk Councillors have a unique and privileged position and the potential to make a real difference to people's lives. Councillors represent their ward and the people who live in it and not just those who may have voted for them. They provide a bridge between the community and the Council, advocating for local residents, signposting them to the right people, and keeping them informed about relevant issues.

Being an effective Councillor requires a lot of hard work but can be extremely rewarding. Councillors have to balance the needs and interests of their residents, voters, community groups, local businesses, political parties (if they belong to one) and the Council, on a daily basis. All these groups will make legitimate demands on a Councillor's time, on top of their personal responsibilities to family, friends and workplace. It is important, therefore, that Councillors understand their role, so they can perform responsibly and effectively for the Council and maintain the quality of their personal lives.

Role Descriptions outlining the purpose, duties, and responsibilities of a Councillor, as well as the qualities and skills required, have been developed. They are designed to be used as a guide and a working document but are not intended to be prescriptive or exclusive. Each newly elected Councillor will be invited to draw up their own Personal Development Plan (PDP), and as part of this process, the Role Descriptions can help identify what learning and development needs a Councillor may have. In turn, those needs help us to develop the Annual Member Development Programme (AMDP), which consists of a series of briefings and courses designed for Councillors to develop their skills.

The Council is committed to ensuring that all Councillors have the necessary skills and knowledge to enable them to effectively carry out their community leadership roles. The Role Descriptions cover the following roles:

- Chairman/Vice-Chairman of a Regulatory Committee (eg Planning, Licensing etc)
- Member of Audit & Governance Committee
- Member of Scrutiny Committee
- Member of a Regulatory Committee
- Leader/Deputy Leader of an Opposition Group

Where Members undertake more than one role, it is anticipated that the Role Descriptions will be combined, for example, the Chairman of the Planning Committee will be expected to undertake the role of Elected Member, Planning Committee Member and Chairman of the Planning Committee.

If there is no meeting of the Cabinet soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

3. TASK GROUPS

- 3.1 The Cabinet will be supported in its detailed work by ad-hoc, time limited, task and finish task/research groups, where it decides that this is the most appropriate means of carrying out any of its functions.
- 3.2 Such a task/research group will be set up by the Cabinet as and when necessary.
- 3.3 The number of Members sitting on a Cabinet task group will be decided upon when the task group is set up, to allow for a degree of flexibility.

Budget and Policy Framework Procedure Rules

1. The Policy Framework

- 1.1 The plans and strategies listed the [Budget and Policy Framework in Part 2 Section B](#) will comprise the Council's Policy Framework.
- 1.2 The appropriate Cabinet Member, after consulting those stakeholders they consider appropriate, will make their proposals for the above plans and strategies available to Members of the Scrutiny Committee and all other Members of the Council.
- 1.3 In the case of the Development Plan, the Cabinet Members' consultations will include the Strategic Planning Committee.
- 1.4 The Scrutiny Committee will meet to consider the Cabinet Members' proposals and will make recommendations to the Cabinet about their proposals. Any Member of the Council who is not a Member of the Cabinet will be entitled to attend and speak at the meeting of the committee.
- 1.5 The Cabinet will consider any recommendations from the committee and will make recommendations to the Council. The Council will then determine the plan or strategy.
- 1.6 Once the Council has approved the plan or strategy all those responsible for taking decisions on behalf of the Council will need to ensure that they are consistent with those plans and strategies. Material changes to any plan or strategy set out in section 1.1 above can only be made by following the process in sections 1.2 to 1.5 above, unless the matter falls within the Council's procedures for dealing with urgent matters.
- 1.7 In order that plans and strategies can be kept up-to-date and free from error or doubt, the Cabinet Members whose Portfolio includes overseeing the particular plan or strategy may, after consulting the Council's Monitoring Officer and appropriate Member of the Strategic Management Team or Head of Service, make amendments to the plan or strategy to:
 - (a) correct typographical errors and any similar changes needed to ensure clarity;
 - (b) update any factual information contained in the plan or strategy; and
 - (c) make minor modifications necessary to take account of changes in circumstances of the Council and its partners or Government legislation.
- 1.8 Where a Cabinet Member makes any changes under section 1.7 they will be reported to the next available meeting of the Council.

2. The Budget

- 2.1 The Council's budget will be determined by a simple majority of those present at a meeting of the Council. For the purpose of this Constitution the budget to be determined by the Council will consist of:
 - (a) the budget requirement as provided for in the [Local Government Finance Act 1992](#);
 - (b) the revenue budget allocations to the different services provided by the Council;
 - (c) the council taxes;
 - (d) the use of and contribution to reserves and balances;
 - (e) the capital expenditure; and

- (f) the borrowing limits.
- 2.2 Immediately after any vote is taken at a budget decision meeting of the Council there must be recorded in the minutes of the proceedings of that meeting the names of the persons who cast a vote for the decision or against the decision or who abstained from voting. (See also [Council Procedure Rules](#)).
- 2.3 In paragraph 2.2 above, a “budget decision meeting” means as a meeting of the relevant body at which it:
 - a) makes a calculation (whether originally or by way of substitute) in accordance with any of sections 31A, 31B, 34 to 36A, 42A, 42B, 45 to 49, 52ZF, 52ZJ of the [Local Government Finance Act 1992](#)(4): or
 - b) (ii) issues a precept under Chapter 4 of Part 1 of that Act, and includes a meeting where making the calculation or issuing the precept as the case may be was included as an item of business on the agenda for that meeting
- 2.4 At key stages in the development of the Council’s budget the Cabinet will, after consulting those stakeholders it considers appropriate, make its proposals available to Members of the Scrutiny Committee and all other Members of the Council.
- 2.5 For the purpose of section 2.4 above the key stages will include:
 - (a) a review of issues likely to affect the Council’s budget in the next financial year or subsequent years;
 - (b) the overall framework for the preparation of the budget;
 - (c) the budget information set out in section 2.1 (a) to (f) above.
- 2.6 At a meeting to consider the Cabinet’s proposals, the Scrutiny Committee will determine its views on the proposals. At this meeting any Member of the Council that is not a Member of the Cabinet will be able to attend and speak.
- 2.7 The Cabinet will consider the views of the Scrutiny Committee and will make recommendations to the Council about the items set out in section 2.1 above.
- 2.8 In order that the Council is able to respond quickly to changing circumstances some variations to the budget approved by the Council can be made. The Council’s [Financial Procedure Rules](#) set out the circumstances under which these changes can be made without reference back to Council. Any other changes, except those dealt with under the Council’s urgency procedures, must be made by the Council.

3. Conflict Resolution Procedure

- 3.1 The Cabinet will have five working days to object to a Council decision before that decision takes effect.
- 3.2 If the Cabinet registers such an objection, the Council must reconsider the issue in the light of that objection.
- 3.3 The Council may insist on its decision on the basis of a simple majority of those Members present and voting.

The requirement for five clear days' notice of meetings will not apply to any meeting of a sub-committee considering an application in accordance with the [Licensing Act 2003 \(Hearings\) Regulations](#).
- 7.2 If a report is added to the agenda later, the supplementary agenda will be open to public inspection from the time it is completed and sent to Councillors.
- 7.3 If the Proper Officer thinks fit, the Council may exclude access by the public (and in more limited circumstances by Members of the Council who are not Members of the committee or sub-committee considering the item) to a report or part of a report, which, in his or her opinion, relates to an agenda item during which the meeting is likely not to be open to the public. Such reports will be clearly marked "Exempt - not for publication". Each report will indicate clearly that it contains confidential information and the category of information disclosed (as specified under Schedule 12A of the [Local Government Act 1972](#)) by virtue of which the decision-making body is likely to exclude the public. In the case of executive reports, the report will also state, when appropriate, that it contains the advice of a political adviser or assistant.

11. EXCLUSION OF ACCESS BY THE PUBLIC TO MEETINGS

11.1 Confidential Information – Requirement to Exclude Public

The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted, or the nature of proceedings, that confidential information would be disclosed.

11.2 Meaning of Confidential Information

Confidential information is information given to the Council by a Government Department on terms which forbid its public disclosure, or information which cannot be publicly disclosed by Court Order.

11.3 Exempt Information – Discretion to Exclude Public

The public may be excluded from meetings whenever it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that exempt information will be disclosed.

Exempt information is, in broad terms, information relating to personal privacy, information about Council negotiations for land, goods or services where disclosure would be likely to prejudice the Council's position, information about legal proceedings, investigation of crime and security matters.

For meetings of either Cabinet or individual Cabinet Members, including where Executive decisions are being taken, at least 28 clear days' notice will be given of the intention to exclude the public from the meeting where exempt information is disclosed.

Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the [Human Rights Act 1998](#) establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

11.4 Meaning of Exempt Information

‘Exempt information’ is defined in Schedule 12A of the [Local Government Act 1972](#). Information is only exempt if it falls within one of the following 7 categories **and** in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information:

- 1) Information relating to any individual.
 - 2) Information that is likely to reveal the identity of an individual.
 - 3) Information relation to the financial or business affairs of any particular person (including the authority holding that information) but not if that information has to be registered at Companies House or with the Charity Commission etc.
 - 4) Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
 - 5) Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
 - 6) Information which reveals that the authority proposes:
 - (a) to give under any enactment a notice under or by virtue of which requirements are imposed upon a person; or
 - (b) to make an order or direction under any enactment.
 - 7) Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.
- 11.5 Information falling within any of paragraphs 11.4(a) to (g) is not exempt by virtue of that paragraph if it relates to proposed development for which the local planning authority can grant itself planning permission under Regulation 3 of the [Town and Country Planning General Regulations 1992](#).
- 11.6 If the Monitoring Officer considers it appropriate, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule 11.4 above, the meeting at which those reports are to be discussed is likely not to be open to the public. Such reports will be marked “Exempt - Not for publication” together with the category of information likely to be disclosed.

12. INDIVIDUAL EXECUTIVE DECISIONS

- 12.1 No Key Decision shall be taken by a Cabinet Member or an Officer unless they have first received a report setting out the background to that decision, the available options and the implications of that decision. Provided that in cases of special urgency, the Cabinet Member or Officer may take that Key Decision without first having received a report if they first obtain the agreement of the Chairman of the Scrutiny Committee that the taking of the decision cannot reasonably be deferred to permit the preparation, publication and consideration of a report. If there is no chairman of the Scrutiny Committee, or if the Scrutiny Committee Chairman is unable to act, then the agreement of the Chairman of the Council (or in his or her absence, the Vice-Chairman) will suffice.
- 12.2 Where a Cabinet Member or an authorised Officer receives a report which they intend to take into consideration when they make a Key Decision they shall not make that decision until the report has been available for public inspection for at least five clear days after the report is received by the Cabinet Member / Officer.

- 12.3 The person who submits the report to the Cabinet Member / Officer shall, at the same time, supply a copy of it to the Chairman of the Scrutiny Committee, or where there is no chairman, to every Member of the Committee.
- 12.4 The originating Officer shall include, in any report required to be available for inspection by the public, a list of background papers for the report and shall ensure that sufficient copies of the background papers are available to meet every reasonable request from members of the public for them. This does not require the disclosure of exempt or confidential information or advice from a Political Assistant
- 12.5 As soon as reasonably practicable after an Executive/ Key Decision has been taken, they will prepare, or instruct the Proper Officer to prepare, a document setting out:
- (a) the title of the Officer and date of decision;
 - (b) a record of the decision;
 - (c) a statement of the reasons for the decision and any alternative options considered and rejected in accordance with provisions of Rule 18 (Recording and Publishing Decisions); and
 - (d) a record of any conflict of interest in relation to the matter decided which is declared by any Member of the decision-making body, and in respect of any declared conflicts of interest, a note of any dispensation granted by the Head of Paid Service.

13. ACCESS TO RECORDS OF DECISIONS AND MINUTES

- 13.1 After a private meeting or a public meeting of a decision-making body at which an executive decision has been made, after an individual Member has made an executive decision, after an authorised Officer has made a Key Decision or after a committee has made a decision, the Proper Officer will ensure that the following is made available for inspection:
- a record of the decision(s);
 - a record of the reasons for the decision(s);
 - details of alternative options considered and rejected by the decision-making body or individual;
 - a record of any conflict of interest in relation to any matter decided which is declared by any Member of the decision-making body or a Cabinet Member, together with a record of any dispensation granted by the Council's Monitoring Officer;
 - any Disclosable Pecuniary Interest or Local Non-Pecuniary Interest declared by the decision taker or any Member of the decision-making body in connection with the matter decided, and whether any dispensation has been granted in respect of that interest.
- 13.2 These documents, once prepared, will be available for the public to inspect at the Council's Offices (East Suffolk House, Station Road, Melton, and Riverside, 4 Canning Road, Lowestoft) during normal office hours, or on the [Council's Website](#).
- 13.3 Confidential or exempt information or the advice of a Political Advisor need not be disclosed.
- 13.4 So far as is reasonably practical, we will aim to make available within ten working days after every meeting of the Council, Scrutiny, regulatory, and other committees, the minutes of the meeting excluding any part of the minutes of proceedings when

the meeting was not open to the public or which disclose exempt or confidential information.

- 13.5 Records of decisions and minutes published in accordance with paragraphs 13.1 and 13.4 above shall continue to be available to the public for six years after the meeting date.

14. THE FORWARD PLAN OF KEY AND EXEMPT DECISIONS

- 14.1 A Forward Plan will be prepared by the Leader of the Council which will contain details of all the matters likely to be the subject of Key Decisions and confidential and exempt decisions by the Cabinet, individual Cabinet Members and authorised Officers of the Council for a period of four months.
- 14.2 The Forward Plan will be updated on a monthly basis, or as required, ensuring all Key Decisions and confidential and exempt decisions that are due to be taken are included within the Forward Plan.
- 14.3 The Forward Plan will be published at least 28 days before the start of the period covered by the plan.
- 14.4 The most recent Forward Plan shall be taken to have superseded any or each earlier plan.
- 14.5 Each current Forward Plan will be available for public inspection at the Council's Offices (East Suffolk House, Station Road, Melton, and Riverside, 4 Canning Road, Lowestoft) during normal office hours, or on the [Council's Website](#).
- 14.6 The Forward Plan shall contain the items below if they are available when the plan is prepared, or which the person preparing it may reasonably be expected to obtain:
- (a) the matter in respect of which a decision is to be made;
 - (b) where the decision taker is an individual, their name and title, if any and where the decision taker is a body, its name and details of membership;
 - (c) the date on which, or the period within which, the decision will be taken;
 - (d) the identity of the principal groups whom the decision taker proposes to consult before taking the decision;
 - (e) the means by which any such consultation is proposed to be undertaken;
 - (f) the steps any person might take who wishes to make representations to the Cabinet or decision taker about the matter in respect of which the decision is to be made, and the date by which those steps must be taken; and
 - (g) a list of the documents submitted to the decision taker for consideration in relation to the matter and details about how the public can access these documents or request such details as they become available (subject to restrictions); and
 - (h) whether the reports to be considered by the decision-maker will include confidential or exempt information and require the meeting to be private to consider the item, either in full or part and the relevant exemption category.
- 14.7 Where the public might be excluded from the meeting, or documents relating to the decision need not be disclosed to the public, then the Forward Plan shall contain details of the matter but may not contain any confidential or exempt information or particulars of the advice of a political adviser.
- 14.8 If the Cabinet, its committees or Cabinet Members exercising delegated powers meet to discuss a Key Decision to be taken collectively, with an Officer other than a political assistant, within 28 days of the date according to the Forward Plan of Key

and Exempt Decisions by which it is to be decided, then it must also comply with these rules. This requirement does not include meetings, whose sole purpose is for Officers to brief Members.

15. GENERAL EXCEPTION FOR INCLUSION IN THE FORWARD PLAN

15.1 If a matter, which is likely to be a Key Decision, has not been included in the Forward Plan, then subject to Rule 16 'Special Urgency', the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision to ensure that notice has been published in the Forward Plan or any subsequent notice at least 28 days ahead of the expected date of the decision and;
- (b) the Proper Officer has informed the Chairman of the Scrutiny Committee, or if there is no such person, each Member of the Scrutiny Committee in writing, by notice, of the matter to which the decision is to be made including reasons why compliance with the requirements to provide at least 28 clear days' notice was impractical in that case;
- (c) the Proper Officer has made copies of that notice available to the public at the offices of the Council (East Suffolk House, Station Road, Melton, and Riverside, 4 Canning Road, Lowestoft) and on the [Council's Website](#); and
- (d) at least five clear days have elapsed since the Proper Officer complied with (b) and (c).

15.2 Where such a decision is taken by the Cabinet or by Cabinet Members exercising delegated powers, it must be taken in public unless it contains exempt or confidential information.

15.3 The call-in procedure will apply.

16. SPECIAL URGENCY

16.1 If Rule 15 cannot reasonably be complied with, then the decision can be taken, but only if the decision taker (if an individual) or the Chairman of the body making the decision, obtains the agreement of the Chairman of the Scrutiny Committee that the taking of the decision cannot be reasonably deferred. If there is no Chairman of the Scrutiny Committee, or if the Scrutiny Committee Chairman is unable to act, then the agreement of the Chairman of the Council, or in their absence the Vice-Chairman will suffice.

16.2 As soon as practicable after the agreement has been obtained, a notice must be published, made available to the public at the Council's Offices and on the [Council's website](#) setting out the reasons for urgency and why the decisions cannot be reasonably deferred.

16.3 Urgency Provisions for taking Non-Key Decisions

In regard to non Key Decisions, if by virtue of the date by which a decision must be taken Rule 16 cannot be followed, then the decision can only be taken if the decision taker (if an individual) obtains the agreement of the Chairman of the relevant committee, and confirmation of the decision is obtained at the next meeting of that committee.

17. NOTICE OF PRIVATE MEETING OF THE CABINET

- 17.1 Where the Cabinet or Individual Cabinet Member is likely to consider an item of business that contains exempt or confidential information and will require the public to be excluded from the meeting to prevent disclosure of this information, it must publish a notice 28 clear days in advance of the meeting including a statement of reasons for the meeting being held in private for that item. The notice will include details of how representations can be made.
- 17.2 At least five clear days before the meeting a further notice will be published setting out the reasons for holding any part of the meeting in private, details of any representations received about why the meeting should be held in public and a response to those representations. The meeting will then consider the representations and responses and pass a resolution excluding the public.
- 17.3 Except for when the report contains confidential information provided by a Government Department on terms which forbid the disclosure of the information to the public or the disclosure of information of which the public is prohibited by or under any enactment or by the order of a court.
- 17.4 If the date of the meeting and the urgency of the decision makes compliance with this requirement impracticable, the meeting may only be held in private with the agreement of the Chairman of the Scrutiny Committee, or if the Scrutiny Committee Chairman is unable to act, then the agreement of the Chairman of the Council, or in their absence the Vice Chairman will suffice. After that permission is obtained a notice will be published setting out the reasons why the matter is urgent and cannot reasonably be deferred.

18. ATTENDANCE AT PRIVATE MEETINGS OF THE CABINET

- 18.1 Notice of private meetings of the Cabinet and its committees will be served on the chairmen of the Scrutiny Committee and sub-committees, at the same time as notice is served on Members of the Cabinet. Where the Scrutiny Committee does not have a chairman, the notice will be served on all the Members of the Scrutiny Committee.
- 18.2 Where a decision is to be made at a private meeting of the Cabinet and that decision is within the remit of the Scrutiny Committee / sub-committee, the chairman of that Scrutiny Committee / sub-committee, or in their absence the vice chairman, may attend that private meeting and, with the consent of the person presiding, speak.
- 18.3 The Head of Paid Service, the Section 151 Officer and the Monitoring Officer, and their nominees, are entitled to attend any meeting of the Cabinet where a decision is to be made. Where a decision(s) is to be made, the Cabinet may not meet unless the Proper Officer has been given reasonable notice that a meeting is to take place.
- 18.4 Where a decision(s) is to be made, a private Cabinet meeting may only take place in the presence of the Proper Officer or their nominee with responsibility for recording and publicising the decisions.

19. RIGHTS OF MEMBERS OF THE SCRUTINY COMMITTEE

- 19.1 Any Member of the Scrutiny Committee is entitled to copies of any document which is in the possession or control of the Cabinet, its committees or a Cabinet Member exercising delegated powers, and which contains material relating to:
 - (a) any business transacted at a public or private meeting of a decision-making body of the District Council;

- (b) any decision taken by an individual Member of the Cabinet in accordance with executive arrangements; and
 - (c) any Key Decision that has been made by an Officer of the Council in accordance with executive arrangements.
- 19.2 Every Member of the Scrutiny Committee will receive a copy of any report relevant to a private decision of the Cabinet at the same time as it is furnished to the Cabinet.
- 19.3 No Member of the Scrutiny Committee will be entitled to a copy of:
- (a) a document or any part of a document that is in draft form;
 - (b) a document or any part of a document that contains exempt or confidential information unless that information is relevant to an action or decision they are scrutinising or intend to scrutinise; and
 - (c) a document or any part of a document that contains the advice of a political adviser.

20. REPORTS TO THE LOCAL AUTHORITY WHERE THE KEY DECISION PROCEDURE IS NOT FOLLOWED

- 20.1 Where an executive decision has been made and was not treated as being a Key Decision and the Scrutiny Committee is of the opinion that it should have been treated as a Key Decision, then any three Members of the Scrutiny Committee (including either the Chairman or Vice Chairman) may require the executive decision maker to submit a report to the Council within such a reasonable period as the Scrutiny Committee might specify. The report must include details of who made the decision, the decision and reasons for it and the reasons why the executive decision-maker did not consider the decision as a Key Decision.

21. ADDITIONAL RIGHTS OF ACCESS TO DOCUMENTS FOR MEMBERS

- 21.1 Any document which is in the possession or under the control of the Cabinet or its committees and contains material relating to any business to be transacted at a public meeting shall be available for inspection by any Member of the Council.
- 21.2 Any document which is in the possession, or under the control, of the Cabinet or its committees; and
- (a) contains any material relating to any business transacted at a private meeting of the Cabinet;
 - (b) contains any material relating to any decision made by an individual Cabinet Member, or any Key Decision made by an authorised Officer, in accordance with executive arrangements;
- shall be available for inspection by any Member of the Council when the meeting concludes or immediately after the executive decision by an individual Cabinet Member or Key Decision by an individual authorised Officer has been made.
- 21.3 Where it appears to the Proper Officer that any document or part document contains:
- (a) exempt information falling within paragraphs 1 and 2 of the categories of exempt information as defined in Part 1 of Schedule 12A of the [Local Government Act 1972](#) and;
 - (b) the advice of a political adviser.
- then paragraphs 23.1 and 23.2 above, will not apply.

22. QUARTERLY REPORTS OF URGENT DECISIONS TO THE LOCAL AUTHORITY

22.1 The Leader of the Council shall submit to the Council at quarterly intervals a report containing details of each executive decision taken during the preceding three months where the making of the decision was agreed as urgent. The report will include details of each decision made and a summary of the matters in respect of which each decision was made.

23. ADDITIONAL RIGHTS OF ACCESS FOR MEMBERS

Finance Procedure Rules

1. Introduction

1.1 ROLE OF CHIEF FINANCE OFFICER (CFO)

1.1.1 Section 151 of the [Local Government Act 1972](#) states, “every local authority shall make arrangements for the proper administration of their financial affairs and shall secure that one of their Officers has responsibility for the administration of those affairs”.

1.1.2 The Officer designated by East Suffolk Council as having the statutory responsibility set out in Section 151 of the 1972 Act is the “Chief Finance Officer and Section 151 Officer” (“the CFO”).

1.2 FINANCIAL PROCEDURE RULES

1.2.1 The Financial Procedure Rules provide the framework for the financial administration of the Council with a view to ensuring that financial matters are conducted in a sound and proper manner, constitute value for money and minimise the risk of legal challenge. Financial Procedure Rules are not intended to constitute a set of detailed rules to respond to every contingency.

1.2.2 All financial decisions and decisions with financial implications must have regard to proper financial control. Any doubt as to the appropriateness of a financial proposal or correctness of a financial action must be clarified in advance of the decision or action with the CFO.

1.2.3 Detailed procedure notes and other financial instructions may be issued from time to time by the CFO, where assistance is needed with the interpretation of Financial Procedure Rules.

1.2.4 Failure to observe Financial Procedure Rules (including any supplementary procedure notes and financial instructions), may result in action under the Council’s disciplinary procedures.

1.2.5 These Financial Procedure Rules should be read in conjunction with the [Contract Procedure Rules](#) and the [Scheme of Delegation](#).

1.2.6 The CFO is responsible for maintaining a continuous review of the Financial Procedure Rules and submitting any additions or changes necessary to the Council for approval. An annual review shall be undertaken.

1.2.7 The CFO is also responsible for reporting, where appropriate, breaches of the Financial Procedure Rules to the Council and/or to the Cabinet. The CFO is authorised to temporarily suspend Financial Procedure Rules in exceptional circumstances, and where such a suspension is authorised, a written record shall be kept of the reasons for this.

1.2.8 Strategic Directors and Heads of Service are responsible for ensuring that all staff in their Directorates/Services are aware of the existence and content of the Financial Procedure Rules and that they comply with them.

1.3 RESPONSIBILITIES To the Council

1.3.1 Elected Members and employees of the Council are responsible for ensuring that they use the resources and assets entrusted to them in a responsible and lawful

manner. They should strive to achieve value for money and avoid legal challenge to the Council.

- 1.3.2 These responsibilities apply equally to Members and employees when representing the Council on outside bodies.

Personal

- 1.3.3 Any person charged with the use or care of Council resources and assets should make themselves aware of the Council's requirements under the Financial Procedure Rules. If anyone is in any doubt as to their obligations, then they should seek advice. Unresolved questions of interpretation should be referred to the CFO.

- 1.3.4 All employees must report immediately to their manager, supervisor or other responsible senior Officer any illegality, impropriety, serious breach of procedure or serious deficiency in the provision of services that they suspect or become aware of. Employees are able to do this without fear of recrimination providing they act in good faith via the Council's Whistle Blowing Policy. In such circumstances managers must record and investigate such reports and take appropriate action. Compliance with the Council's Anti-Fraud and Corruption Strategy and the [Code of Conduct for Officers](#) is mandatory for all Officers.

Chief Finance Officer

- 1.3.5 Section 114 of the [Local Government Finance Act 1988](#) requires the CFO to report to Council, Cabinet and External Auditor if the Council or one of its Officers:

- Has made, or is about to make, a decision which involves or would involve the authority incurring unlawful expenditure;
- Has taken, or is about to take, unlawful action which has resulted or would result in a loss or deficiency to the Council; or
- Is about to make an unlawful entry in the Council's accounts.

- 1.3.6 Section 114 of the 1988 Act also requires:

- The CFO to nominate a properly qualified member of staff to deputise should they be unable to perform the duties under section 114 personally; and
- The Council to provide the CFO with sufficient staff, accommodation and other resources – including legal advice where this is necessary – to carry out the duties under Section 114.

- 1.3.7 The CFO has a range of general responsibilities, which underpin an overriding responsibility to ensure the proper administration of the financial affairs of the Council. These include:

- Setting financial management standards and to monitor compliance with them;
- Ensuring proper professional practices are adhered to, and to act as head of profession in relation to the standards, performance and development of finance staff throughout the Council;
- Advising on the key strategic controls necessary to secure sound financial management; and
- Ensuring that financial information is available to enable accurate and timely monitoring and reporting of financial and non-financial performance indicators.

- 1.3.8 Reference to the CFO includes those authorised by them to undertake the various functions concerned.

Strategic Directors/Heads of Service

- 1.3.9 Strategic Directors and Heads of Service are responsible for ensuring that the Financial Procedure Rules are observed throughout all areas under their control and shall:

- Provide the CFO with such information and explanations as the CFO feels is necessary to meet their obligations under the Financial Procedure Rules;
- Consult with the CFO and seek approval on any matter liable to affect the Council's finances materially, before any commitments are incurred;
- Ensure that executive Members are advised of the financial implications of all significant proposals and that the financial implications have been agreed by the CFO;
- Inform the CFO of failures of financial control resulting in additional expenditure or liability, or loss of income or assets;
- Wherever any matter arises which may involve irregularities in financial transactions consult with the CFO and, if a serious irregularity is confirmed, the matter shall be reported to the Chief Executive, appropriate Cabinet Member and the HR & Workforce Development Manager; and
- Ensure the legality of their Directorate/Service's actions.

- 1.3.10 Strategic Directors and Heads of Service are also responsible for:

- Promoting the financial management standards set by the CFO in their departments and to monitor adherence to the standards and practices, liaising as necessary with the CFO; and
- Promoting sound financial practices in relation to the standards, performance and development of staff in their service areas.

2. Financial Planning

2.1 BUDGETING

a) Budget Format

The budget format determines the level of detail to which financial control and management will be exercised. The format shapes how the rules around virement operate, the operation of cash limits and sets limits at which funds may be reallocated.

CFO Responsibilities

- 2.1.1 Advise Cabinet on the format and content of the budget to be approved by Council.

Strategic Directors/ Heads of Service Responsibilities

- 2.1.2 Comply with budgetary guidance provided by CFO.

b) Budget and Medium-Term Planning

The Council is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighted priorities. The budget is the financial expression of the Council's plans and policies.

The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of Council. Budgets (spending plans) are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for a Council to budget for a deficit.

Medium-term planning involves a cycle in which managers develop their own plans in conjunction with the CFO. As each year passes, another future year will be added to the Medium-Term Financial Strategy (MTFS). This ensures that the Council is always preparing for events in advance.

CFO Responsibilities

- 2.1.3 Prepare and submit reports on revenue budget forecasts to Cabinet, including resource constraints set by Government. Reports should take account of medium-term forecasts, where appropriate.
- 2.1.4 Determine detailed form of revenue budgets and the methods for preparation, consistent with the budget approved by Council, and after consultation with Cabinet, Strategic Directors and Heads of Service.
- 2.1.5 Prepare and submit reports to Cabinet on aggregate spending plans of service areas and on the resources available to fund them, identifying, where appropriate, implications for the level of taxation to be levied.
- 2.1.6 Advise on the medium-term implications of spending decisions and alternative options.
- 2.1.7 Work with Strategic Directors and Heads of Service, and all Council Officers, to identify opportunities to improve economy, efficiency and effectiveness, encouraging good practice financial appraisals of development or savings options, and in developing the financial aspects of service planning.
- 2.1.8 Advise Council on Cabinet proposals in accordance with responsibilities under Section 151 of the [Local Government Act 1972](#).

Strategic Directors/Heads of Service Responsibilities

- 2.1.9 Prepare detailed draft revenue budgets in consultation with the CFO, for submission to Cabinet and approval by Council.
- 2.1.10 Integrate financial and budget plans into service planning, so that budget plans can be supported by financial and non-financial performance measures.
- 2.1.11 When drawing up draft revenue budgets, have regard to spending/income patterns and pressures, volatility to external influences, legal requirements, policy requirements, initiatives already underway and external grants and contributions.

c) Capital Programme

Capital expenditure involves acquiring or enhancing fixed assets with long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.

Capital expenditure must form part of an investment strategy and must be carefully prioritised and scrutinised in order to maximise the benefit of scarce resources.

CFO Responsibilities

- 2.1.12 Prepare capital budgets jointly with Strategic Directors/Heads of Service and report them to Cabinet for approval. The Cabinet will make recommendations on the capital budgets and on any associated financing requirements to Council. Cabinet Member approval is required where a Strategic Director/Head of Service proposes to bid for or exercise additional borrowing, not anticipated in the Capital Programme (extra borrowing will create future commitments to financing costs).
- 2.1.13 Prepare and submit reports to Cabinet on projected income, expenditure and resources compared with approved budgets.
- 2.1.14 Issue guidance on capital schemes and controls e.g. revenue costs, project appraisal techniques. The definition of capital will be determined by the CFO, having regard to government regulations and accounting requirements.
- 2.1.15 Obtain Cabinet authorisation for individual schemes where estimated expenditure exceeds Capital Programme provision by more than 10% or £50,000 whichever is the lower (subject to minimum overspend of £5,000).

Strategic Directors/Heads of Service Responsibilities

- 2.1.16 Comply with guidance on capital projects and controls issued by CFO.
- 2.1.17 Develop and implement asset management plans in conjunction with CFO.
- 2.1.18 Ensure that all capital projects have undergone a robust appraisal which has been approved by Financial and Legal Services, before being presented and discussed by the appropriate management group.
- 2.1.19 Prepare regular reports reviewing Capital Programme provisions for their services. Also prepare a quarterly return of estimated final costs of schemes in the approved Capital Programme for submission to CFO.
- 2.1.20 Ensure adequate records are maintained for all capital contracts.
- 2.1.21 In consultation with the CFO, accelerate the progress of a scheme by deferring the start of another scheme in that year's programme or, if delays are occurring generally, may bring forward a scheme programmed to start in a later year.
- 2.1.22 Proceed with projects only when there is adequate provision in the Capital Programme, following Cabinet or Council approval, and with the agreement of the CFO where required. Cabinet can approve projects up to a cumulative value of £500,000 (General Fund) and £500,000 (Housing Revenue Account) in any one financial year. Projects that breach the £500,000 limits – either alone or cumulatively – require Council approval.
- 2.1.23 Prepare and submit reports, jointly with the CFO, to Cabinet, of any variation in contract costs greater than approved limits. The Cabinet may meet cost increases of up to 5% of the project by virement from identified savings arising from other projects within the capital programme.
- 2.1.24 Prepare and submit reports, jointly with the CFO, to Cabinet on completion of schemes where the final expenditure varies from the approved budget by more or less than 10% or £50,000 whichever is the lower (subject to minimum overspend/underspend of £5,000).

- 2.1.25 Ensure credit arrangements, such as leasing agreements, are not entered into without prior CFO approval, who will need to undertake an assessment of the type of lease arrangement being entered into and, if applicable, approval of the scheme through the Capital Programme.
- 2.1.26 Consult with the CFO and seek Cabinet approval where Strategic Director/Head of Service proposes to bid for Government approvals to support expenditure that has not been included in current year's Capital Programme.

2.2 MAINTENANCE OF RESERVES

The Council must decide the minimum level of General Reserves it wishes to maintain before it can decide the level of Council Tax. Reserves are maintained as a matter of prudence. They enable the Council to provide for unexpected events and thereby protect it from overspending, should such events occur. There are also reserves earmarked for specific purposes.

CFO Responsibilities

- 2.2.1 To advise Cabinet and/or Council on prudent levels of reserves for the Council, and to take account of the advice of [CIPFA](#) in this matter.

Strategic Directors/Heads of Service Responsibilities

- 2.2.2 To ensure that reserves are used only for the purposes for which they were intended.

3. Financial Management

3.1 MANAGING INCOME & EXPENDITURE

a) Budget Monitoring and Control

Proper budget management ensures that – once the budget has been approved by Council – allocated resources are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account, managers responsible for defined elements of the budget.

By continuously identifying and explaining variances against budget targets, the Council can identify changes in trends and resource requirements at the earliest opportunity. The Council itself operates within an annual revenue limit, approved when setting the annual budget. To ensure that the Council does not overspend in total, each service is required to manage its own income and expenditure within the budget allocated to it. For the purposes of budgetary control by managers, a budget will usually be the planned income and expenditure excluding support and capital charges, for a Department.

CFO Responsibilities

- 3.1.1 Submit reports to Cabinet and Council, in consultation with the relevant Strategic Director/Head of Service, where a Strategic Director/Head of Service's

expenditure and resources are significantly outside the approved budgets under their control.

3.1.2 Prepare and submit quarterly reports on the Council's projected income and expenditure compared with the budget to the Cabinet.

3.1.3 Establish an appropriate framework of budgetary management and control that ensures that:

- Budget management is exercised within the approved budget unless Cabinet approves a supplementary estimate;
- Each Strategic Director/Head of Service has timely information on income and expenditure on each budget which is sufficiently detailed to enable managers to monitor their budgetary responsibilities;
- As a minimum, quarterly updates are held between a Head of Service, budget holder and their Finance representative;
- Expenditure is committed only against the approved budget cost centre;
- All Officers responsible for income and expenditure, comply with the relevant guidance and the Financial Procedure Rules;
- Each cost centre has a single named manager, designated by the relevant Strategic Director/Head of Service. As a general principle, budgetary responsibility should be aligned as closely as possible to the decision-making processes that commit expenditure; and
- Significant variances from approved budget are investigated and reported by budget holders monthly and advised to the Strategic Management Team and Cabinet.

3.1.4 Administer the Council's Scheme of Virement (refer to Section 3B below).

Strategic Directors/Heads of Service Responsibilities

3.1.5 Consult with CFO on any matter which is liable materially to affect the finances of the Council before any provision or other commitment is incurred and before reporting to Members.

3.1.6 Maintain budgetary control within their services, in adherence to the principles above, and to ensure that all income and expenditure is properly recorded and accounted for.

3.1.7 Ensure that an accountable budget holder is identified for each item of income and expenditure under the control of the Strategic Director/Head of Service (grouped together in a series of department codes). Budget responsibility should be aligned as closely as possible to the decision-making that commits the expenditure.

3.1.8 Ensure that spending remains within the service's overall budget limit, and that individual budget heads are not overspent, by monitoring and taking appropriate corrective action where significant variations from the approved budget are forecast and to report these to the CFO. This regulation shall also apply to any action or decision, which will give rise to a reduction in income.

3.1.9 Ensure that a monitoring process is in place to review performance levels in conjunction with the budget and is operating effectively within the guidelines set down by the CFO.

3.1.10 Obtain prior approval by Council or Cabinet (as appropriate) for new proposals outside of the budget and policy framework, of whatever amount, that:

- Create financial commitments in the current year and future years (Cabinet approval limit up to £500,000 cumulative in a single financial year individually for both General Fund and HRA , Council approval for higher amounts)
- Change existing policies, initiate new policies or cease existing policies; and
- Materially extends or reduces Council services.

3.1.11 Ensure compliance with Scheme of Virement (refer to Section 3B below).

3.1.12 Consult with the relevant Strategic Director/Head of Service, where it appears that a budget proposal, including a virement proposal, may impact on another service area or another Strategic Director/Head of Service's service activity, prior to any action being taken.

b) Virement

A Virement is the transfer between budgets that enables Cabinet, Strategic Directors, Heads of Service and their staff, to manage budgets with a degree of flexibility within the overall budget and policy framework determined by the Council, and therefore to optimise the use of resources.

3.1.13 The Scheme of Virement is administered by the CFO within guidelines set by Council and any variation from the Scheme requires Council approval.

3.1.14 Virement does not create additional overall budget liability and should not be used to create additional budget demand in future years.

3.1.15 Virement is not allowed:

- From capital financing charges, interest credits, council tax and housing benefit payments and projects financed by external grants and contributions, corporate finance costs (e.g. bank charges), precepts etc. or internal recharges (e.g. departmental support service recharges); or
- For a transfer of resources between funds or Capital projects.

3.1.16 Virement is only allowed from employee costs with the approval of the CFO and after consideration of the overall budget position on employees, since the budget anticipates savings on employee budgets from natural staff turnover.

CFO Responsibilities

3.1.17 Prepare – jointly – with the relevant Strategic Director/Head of Service a report to Cabinet on proposed virements, where required under the Scheme.

Strategic Directors/Heads of Service Responsibilities

3.1.18 Strategic Directors/Heads of Service may exercise virement on budgets under their control for gross amounts up to £30,000 in total (cumulative within a single financial year), within Departmental budgets or between Departmental budgets within the same Service budget (any combination thereof), following the approval of the CFO and subject to the conditions in paragraphs 3.2.20 to 3.2.22 below.

3.1.19 Amounts greater than £30,000 require Portfolio Holder approval, following a joint report by the CFO and the Strategic Director/Head of Service, which must specify the proposed expenditure and the source of funding, and must explain the implications in the current and future financial year. Each Cabinet Member has a cumulative limit of £250,000 per financial year.

- 3.1.20 Amounts greater than £250,000 require Cabinet approval. The Cabinet has a cumulative limit of £500,000 per financial year. Amounts greater than £500,000 require Council approval.
- 3.1.21 Prior Cabinet approval is required for any virement where it is proposed to:
- vire between budgets of different accountable Cabinet Members; and
 - vire between budgets managed by different Strategic Directors/Heads of Service.
- 3.1.22 Virements relating to a specific financial year, should not be made after 31st March in that year.
- 3.1.23 Where an approved budget is a lump-sum budget or contingency intended for allocation during the year, its allocation will not be treated as a virement, provided that:
- The amount is used in accordance with the purposes for which it has been established; and
 - Cabinet has approved the basis and the terms, including financial limits, on which it will be allocated. Individual allocations in excess of the financial limits should be reported to the Cabinet.

c) Year-End Balances

The treatment of year-end balances is administered by the CFO within guidelines set by the Council. The rules below cover arrangements for the transfer of resources between accounting years, i.e. a carry-forward.

Year-End Balances ('carry forwards')

- 3.1.23 The Scheme of Carry-Forwards is administered by the CFO within guidelines set by Council and any variation from the Scheme requires Council approval.
- 3.1.24 The rules cover arrangements for transferring resources between accounting years (i.e. carry-forwards).

CFO Responsibilities

- 3.1.25 Administer the Scheme of Carry-Forwards within guidelines approved by Council:
- Underspent Capital budgets at year-end will be carried forward in the Capital Programme automatically unless no longer required
 - Underspent Revenue budgets up to £30,000 on individual budgets may be carried forward with CFO approval
 - Underspent Revenue budgets in excess of £30,000 on individual budgets may be carried forward with Cabinet approval
 - All underspent Revenue budgets approved to be carried forward will be retained in an earmarked reserve.
- 3.1.26 Report jointly with relevant Strategic Director/Head of Service on all material overspends and underspends on service budgets carried forward to the Cabinet and to Council.

Strategic Directors/Heads of Service Responsibilities

- 3.1.27 Underspends on service budgets up to £30,000 under the control of the Strategic Director/Head of Service may be carried forward with prior CFO approval.

Underspends over £30,000 require Cabinet approval.

- 3.1.28 Take account of Capital underspends carried forward into the following years Capital Programme.

d) **Emergency Expenditure**

The Council needs a procedure in place for meeting immediate needs if an emergency situation arises in the district.

- 3.1.29 The Chief Executive and CFO shall have authority to approve expenditure on items essential to meet immediate needs created by an emergency or which is referable to Section 138 of the Local Government Act 1972, subject to a subsequent report to Cabinet and/or Council depending on whether or not the expenditure can be met within the current budget framework.
- 3.1.30 The Leader or Deputy Leader (having received report from Chief Executive and CFO), shall have power to incur expenditure essential to meet immediate needs created by an emergency, or which is referable to Section 138 of the Local Government Act 1972 (or subsequent legislation) which is not otherwise authorised, or where it is necessary in the Council interest to settle legal proceedings. A subsequent report shall be submitted to Cabinet and/or Council, depending on whether or not the expenditure can be met within the current budget framework.
- 3.1.31 The CFO will ensure – retrospectively – the submission of a claim for reimbursement under the “Bellwin Scheme” for any eligible emergency costs incurred i.e. costs incurred on, or in connection with, immediate actions to safeguard life and property or to prevent suffering or severe inconvenience as a result of a disaster or emergency in the district. Grant is limited by Section 155 of the Local Government and Housing Act 1989 and local authorities are expected to have budgeted for a certain amount of emergency expenditure (the ‘threshold’).

4. Financial Accounting

4.1 ACCOUNTING POLICIES

The CFO is responsible for preparing the Council’s Statement of Accounts, in accordance with proper practices as set out in the format required by the [Code of Practice on Local Authority Accounting in the United Kingdom](#) (the Code) issued by (CIPFA/LASAAC), for each financial year.

Strategic Directors/Heads of Service Responsibilities

- 4.1.2 Adhere to accounting policies, timetables and guidelines approved by the CFO.

4.2 ACCOUNTING RECORDS AND RETURNS

Maintaining proper accounting records is one of the ways in which the Council discharges its responsibility for the stewardship of public resources. The Council

has a statutory responsibility to prepare an annual Statement of Accounts that give a “true and fair view” of the financial position and transactions of the Council. The accounting records are subject to external audit. The audit provides assurance that the Statement of Accounts have been prepared properly, that proper accounting practices have been followed and that robust arrangements have been made for securing economy, efficiency and effectiveness in the use of Council resources.

CFO Responsibilities

- 4.2.1 Determine the accounting procedures and records for the Council. Where these are maintained outside of Financial Services, the CFO should consult the Strategic Director/Head of Service concerned.
- 4.2.2 Arrange for the compilation of all accounts and accounting records under his or her direction.
- 4.2.3 Comply with the following principles when allocating accounting duties:
 - Separating the duties of providing information about sums due to or from the Council and calculating, checking and recording these sums from the duty of collecting or disbursing them; and
 - Employees with the duty of examining or checking the accounts of cash transactions must not themselves be engaged in these transactions.
- 4.2.5 Ensure that claims for funds, including grants, are made by the due date.
- 4.2.4 Make proper arrangements for the audit of the Council’s Statement of Accounts in accordance with the latest Accounts and Audit (England) Regulations.

- 4.2.12 Supply information required to enable the Statement of Accounts to be completed by the statutory deadline of 31st May each year and in accordance with guidelines issued by the CFO.

4.3 STATEMENT OF ACCOUNTS

The Council has a statutory responsibility to prepare its own Statement of Accounts, which give a “true and fair view” of the financial position and transactions of the Council.

Strategic Directors/Heads of Service Responsibilities

5. Risk Management and Control of Resources

5.1 RISK MANAGEMENT

All organisations, whether in the private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk Management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure its continued financial and organisational well-being. In essence it is an integral part of good business practice. Risk Management is concerned with evaluating the measures an organisation already has in place to manage perceived risks and then recommend the actions the organisation needs to take to control these risks effectively.
The Audit and Governance Committee monitors the effective development and operation of Risk Management, and it is the overall responsibility of Cabinet to approve the Risk Management Strategy, and to promote a culture of risk management awareness throughout the Council.

CFO Responsibilities

- 5.1.1 Develop and maintain a Risk Management Strategy.
- 5.1.2 Develop and maintain a Risk Register.
- 5.1.3 Develop and promote a proactive and positive corporate Risk Management culture, including awareness and the implementation and maintenance of Risk Management controls.
- 5.1.4 Include all appropriate employees in suitable Fidelity Guarantee insurance cover.

- 5.1.5 Arrange suitable corporate insurance cover, through external insurance and internal funding, and negotiate claims for losses in consultation with other Officers, and partner organisations, where necessary.

Strategic Directors/Heads of Service Responsibilities

- 5.1.6 Promote a proactive and positive Risk Management culture within service area, including raising awareness and the implementation and maintenance of Risk Management controls.
- 5.1.7 Show due regard to advice from specialist Officers (e.g. health and safety) and review risks through the Service Planning process at least quarterly.
- 5.1.8 Promptly notify CFO of all significant new risks, properties, vehicles or other assets that require insurance and of any alterations affecting existing insurances and to provide information when requested.
- 5.1.9 Immediately notify CFO of any loss, liability or damage that may lead to a claim against the Council, together with any information or explanation required by the CFO or the Council's insurers.
- 5.1.10 Consult with the CFO and the Head of Legal and Democratic Services on the terms of any indemnity that the Council is requested (or has offered) to give.
- 5.1.11 Ensure that employees, or anyone covered by Council insurance, do not admit liability or make any offer to pay compensation that may prejudice the assessment of liability in respect of any insurance claim.

5.2 INTERNAL CONTROLS

The Council is complex and beyond the direct control of individuals. It therefore requires internal controls to manage and monitor progress towards strategic objectives and to monitor compliance with statutory obligations.

The Council faces a wide range of financial, legal, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks and to protect the Council from the impact of uncertainties.

CFO Responsibilities

- 5.2.1 Assist the Council to put in place an appropriate control environment and effective internal controls which provide reasonable assurance of effective and efficient operations, financial stewardship, probity and compliance with laws and regulations.
- 5.2.2 Ensure an effective internal audit function is resourced and maintained.
- 5.2.3 Ensure that the Council has put in place effective arrangements for internal audit of the control environment and systems of internal control as required by professional standards and in line with CIPFA's Code of Practice.
- 5.2.4 Ensure an effective audit committee is developed and maintained.

Strategic Directors/Heads of Service Responsibilities

- 5.2.5 Manage processes to check that established controls are being adhered to and to evaluate their effectiveness, in order to be confident in the proper use of resources, achievement of objectives and management of risks.

- 5.2.6 Review existing controls in the light of changes affecting the Council and to establish and implement new ones in line with guidance from the CFO. Strategic Directors/Heads of Service should also be responsible for removing controls that are unnecessary or not cost or risk effective – for example, because of duplication.
- 5.2.7 Ensure Officers have a clear understanding of the consequences of lack of control.

5.3 AUDIT REQUIREMENTS

a) Internal Audit

The requirement for an internal audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities “make arrangements for the proper administration of their financial affairs”. More specific requirements are set out in the Accounts and Audit Regulations 2015, which require the Council to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Chief Executive

- 5.3.1 Ensure that the Head of Internal Audit has direct access to and freedom to report in his or her own name and without fear or favour to the Chief Executive and the CFO, the Cabinet and the Audit & Governance Committee, all levels of management, Officers and elected Members. This should include the ability to meet the Chairman of the Audit & Governance Committee alone (outside of the Committee meeting) and External Auditors to discuss significant concerns that they may have over the adequacy and effectiveness of internal controls and risk management activities.

CFO Responsibilities

- 5.3.2 Implement appropriate measures to prevent and detect fraud and corruption and ensure that effective procedures are in place to investigate promptly any identified fraud or irregularity.
- 5.3.3 Report to Cabinet requesting additional funding where insufficient internal audit resources have been identified.

Head of Internal Audit Responsibilities

- 5.3.6 Providing and maintaining an Internal Audit function which meets the requirements of the Public Sector Internal Audit Standards (PSIAS).
- 5.3.7 Developing and delivering an annual Audit Plan for the Council using a risk based methodology. Following consultation with the Chief Executive Officer, CFO and SMT, the Head of Internal Audit will submit such plan to the Audit & Governance Committee for review and approval prior to the commencement of each financial year.

- 5.3.8 Providing an annual Internal Audit opinion, compliant with PSIAS requirements, which informs the Annual Governance Statement on how the Council's control environment, including risk management processes, accounting records, governance and value for money arrangements, established by management, are operating within the Council.
- 5.3.9 Issuing other reports which provide assurance to the Chief Executive, CFO, Monitoring Officer and the Strategic Management Team, and making recommendations for improvement.
- 5.3.10 Comply with any requests from the External Auditor or access to any information, files or working papers obtained or prepared during audit work that is required to discharge their responsibilities.
- 5.3.11 Reporting to the Chief Executive, CFO and the audit committee, if the Head of Internal Audit concludes that resources are insufficient.

Strategic Directors/Heads of Service Responsibilities

- 5.3.12 Ensure that Internal Audit are given access at all reasonable times to premises, human resources, documents and assets that the auditors consider necessary for the purposes of their work.

b) External Audit

The Local Audit and Accountability Act 2014 ("the Act") sets out the framework for audit of local authorities. It replaces the provisions of the Audit Commission Act 1998 following the closure of the Audit Commission. The duties and responsibilities of external auditors are primarily set out in Part 5 of the Act and reflected in a Code of Audit Practice issued by the National Audit Office.

The Statement of Accounts is scrutinised by the external auditors, who must be satisfied that they give a "true and fair view" of the financial position and transactions of the Council (including any group financial statements where applicable) during the year and complies with all legal requirements.

CFO Responsibilities

5.4.10 Maintain corporate Register of Interests' for both councillors and Officers.

5.5 ASSETS

a) Security of Property

The Council holds assets in the form of property, vehicles, plant, software, equipment other items worth many millions of pounds. An up-to-date asset register is a prerequisite for proper fixed asset accounting and sound asset management.

CFO Responsibilities

5.5.1 Maintain an Asset Register in accordance with good practice for all fixed assets with a value in excess of £10,000. The function of the Asset Register is to provide the Council with information about fixed assets so that they are safeguarded, used efficiently and effectively, and adequately maintained.

5.5.2 Receive and process information required for accounting, costing and financial records from each Strategic Director/Head of Service.

The Head of Operations must keep a record of all properties owned by the Council, recording Portfolio, the purpose for which it is held, the location, the plan reference, purchase details, particulars of interest and rent payable, and particulars of tenancies granted.
- 5.5.14 Ensure that cash holdings on premises are kept within insurance limits (determined by CFO) and keys to safes and similar receptacles are carried on the person of those responsible at all times. Loss of any such keys must be reported to the CFO immediately.
- 5.5.15 Ensure all employees are aware of their personal responsibility to protect and retain the confidentiality of information, whether held in manual or computerised records. b) Intellectual Property

Intellectual property is a generic term that includes inventions and writing. If these are created by the employee during the course of employment, then, as a general rule, they belong to the Council, not the employee. Certain activities undertaken within the Council may give rise to items that may be patentable, for example, software development. These items are collectively known as intellectual property.

5.6 TREASURY MANAGEMENT, BANKING AND PETTY CASH

**Millions of pounds pass through Councils’ accounts each year. This has led to the establishment of CIPFA’s “*Treasury Management in the Public Services: Code of Practice and Cross-Sectoral Guidance Notes*” (the Code).
The Code aims to provide assurance that Council money is properly managed in a way that balances risk with return, with overriding consideration given to the security of capital sums.
Banking arrangements and petty cash should also be managed appropriately with key responsibilities confined to the CFO and a limited number of authorised individuals.**

CFO Responsibilities

- 5.6.1 Undertaking borrowing and investment activities in full compliance with CIPFA’s “*Treasury Management in the Public Services: Code of Practice and Cross-Sectoral Guidance Notes*”. Any other lending or borrowing cannot be undertaken without the approval of Council, following consultation with the CFO.

6. Financial Systems and Procedures

6.1 GENERAL

Service areas have many systems and procedures relating to the control of the Council's assets, including purchasing, costing and management systems. Service areas are increasingly reliant on ICT for their financial management information. The information must therefore be accurate and the systems and procedures sound and well administered. They should contain controls to ensure that transactions are properly processed, errors detected promptly and system reconciliations completed and evidenced monthly.

The CFO has a professional responsibility to ensure that Council financial systems are sound and should therefore be consulted at an early stage in the process prior to the implementation of any new developments or changes/upgrades to existing systems.

CFO Responsibilities

- 6.1.1 Make arrangements for the proper administration of the Council's financial affairs, including:
 - Issuing advice, guidance and procedures for Officers and others acting on the Council's behalf
 - Determining the accounting systems, form of accounts and supporting financial records
 - Establishing arrangements for audit of the Council's financial affairs
 - Approving any new financial systems to be introduced; and
 - Approving any changes to be made to existing financial systems.

Strategic Directors/Heads of Service Responsibilities

- 6.1.2 Comply with procedures and guidance issued by the CFO.
- 6.1.3 Ensure that accounting records are properly maintained and held securely.
- 6.1.4 Ensure that vouchers and documents with financial implications are not destroyed, except in accordance with arrangements set out in the approved Document Retention Policy.

- 6.1.5 Ensure that a complete management trail, allowing financial transactions to be traced from the accounting records to the original document, and vice versa, is maintained.
- 6.1.6 Incorporate appropriate controls to ensure that, where relevant:
 - All input is genuine, complete, accurate, timely and not previously processed
 - All processing is carried out in an accurate, complete and timely manner
 - Output from the system is complete, accurate and timely; and
 - Output is reconciled, at least monthly, to the Council's general ledger and signed off by the preparer and reviewer of the reconciliation.
- 6.1.7 Ensure that the organisational structure provides an appropriate segregation of duties to provide adequate internal controls and to minimise the risk of fraud or other malpractice.
- 6.1.8 Ensure there is a documented and tested disaster recovery plan to allow information system processing to resume quickly in the event of an interruption.
- 6.1.9 Ensure systems are documented and Officers trained in operations.
- 6.1.10 Consult with CFO before changing existing financial systems or introducing new financial systems.
- 6.1.11 Establish a scheme of delegation identifying Officers authorised to act upon the Strategic Director/Head of Service's behalf in respect of payments, income collection and placing orders, including variations, and showing the limits of their authority.
- 6.1.12 Supply lists of authorised Officers, with specimen signatures and delegated limits, to the CFO, together with any subsequent variations.
- 6.1.13 Ensure that effective contingency arrangements, including back-up procedures, exist for computer systems. Where possible, back-up information should be retained in a secure location, preferably off site or at an alternative location within the building.
- 6.1.14 Ensure that, where appropriate, computer systems are registered in accordance with data protection legislation and that staff are aware of their responsibilities under the legislation.
- 6.1.15 Ensure relevant standards and guidelines for computer systems issued by Strategic Directors/Heads of Service are observed.
- 6.1.16 Ensure computer equipment and software is protected from loss and damage through theft, vandalism etc.
- 6.1.17 Comply with the copyright, designs and patents legislation. In particular, ensure that only software legally acquired and installed by the Council is used on its computers.

6.2 INCOME AND EXPENDITURE

a) Income

Income can be a vulnerable resource and effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and properly banked. It is preferable to obtain income in advance of supplying goods or services as this improves cash flow and avoids the time and cost of administering debts.

CFO Responsibilities

- 6.2.1 Agree arrangements for the collection of income due to the Council and approve the procedures, systems and documentation for its collection.
- 6.2.2 Periodically issuing guidance on charging policy, including key principles on fees and charges (e.g. full cost recovery and benchmarking), taxation and inflationary assumptions.
- 6.2.3 Order and supply to service areas receipt forms, books or tickets and similar items and satisfy themselves regarding control arrangements.
- 6.2.4 Agree the write-off of bad debts (in consultation with the relevant Strategic Director/Head of Service) up to £15,000 in value in each case and refer sums in excess of this limit, but up to £100,000, to the Cabinet Member for Resources for approval. Individual sums to be written off that exceed £100,000 require Cabinet approval.
- 6.2.5 Keep records of all sums written off and ensure appropriate accounting adjustments are made.
- 6.2.6 Ensure that refunds are not made for sums under £5.00, unless specifically requested by the individual.

Strategic Directors/Heads of Service Responsibilities

- 6.2.7 Establish charging policy for the supply of goods or services in accordance with guidance issued by the CFO, reviewing it regularly, in line with corporate policies.
- 6.2.8 Separate responsibility for identifying amounts due and responsibility for collection, as far as is practicable.
- 6.2.9 In consultation with the CFO, establish and initiate appropriate recovery procedures, including legal action where necessary, for debts that are not paid promptly.
- 6.2.10 Issue official receipts for all cash transactions (except where a legal document is the receipt for money received) and maintain other documentation for income collection where receipts are not required.
- 6.2.11 Ensure wherever practical that at least two employees are present when post is opened at a site where income is regularly received.
- 6.2.12 Securely hold receipts, tickets and other records of income in accordance with Document Retention Policy.
- 6.2.13 Lock away all cash to safeguard against loss or theft, and to ensure security of cash handling.
- 6.2.14 Ensure income is paid promptly and fully into Council bank account in the form in which it is received. Appropriate details should be recorded to provide a full audit trail. Money collected and deposited must be reconciled to bank account on a monthly basis (minimum).
- 6.2.15 Ensure income received is not used to cash personal cheques or make any other payments.
- 6.2.16 Supply CFO with details relating to work done, goods supplied, services rendered or other amounts due, to enable the CFO to record correctly the sums due to the Council and to ensure accounts are sent out promptly. To do this, Strategic Directors and Heads of Service should use established debt recovery systems to monitor the recovery of income and flag up areas of concern to the CFO. Heads of Service have a responsibility to assist the CFO in collecting debts that they have

originated, by providing any further information requested by the debtor, and in pursuing the matter on the Council's behalf.

- 6.2.17 Keep a record of every transfer of money between employees of the Council. The receiving Officer must sign for the transfer and the transferor must retain a copy.
- 6.2.18 Recommend debts for write-off to the CFO and keep a record of all sums written off. Once raised, bona fide debts must not be cancelled, except by full payment or by formal write off. A credit note to replace a debt can only be issued to correct a factual inaccuracy or administrative error in the calculation and/or billing of the original debt, a waiver or reduction in charges.
- 6.2.19 Where delegated authority has been granted by the CFO, individuals can write-off bad debts up to their specified limit in each case (Note – delegated authority must be exercised in strict observance of 'separation of duties' principles; referred to above in Paragraph 6.2.8). Sums in excess of their limit must be referred to the CFO for approval, who in turn will seek Cabinet Member approval for write-off of bad debt exceeding £15,000 in line with Paragraph 6.2.4 above.
- 6.2.20 Notify CFO of outstanding income relating to the previous financial year as soon as possible after 31st March in line with timetable determined by the CFO, and not later than 10th April or nearest working day thereafter.

b) Ordering and paying for work, goods and services

Public money should be spent with demonstrable probity and in accordance with Council policies. Councils have a statutory duty to achieve best value, in part through economy and efficiency. Council procedures should help to ensure that services obtain value for money from their procurement arrangements. These procedures should be read in conjunction with the Council's Contract Procedure Rules.

- 6.2.21 Officers and Members engaged in contractual or procurement decisions on behalf of the Council have a responsibility to declare links or personal interests that they may have with purchasers, suppliers and/or contractors, in accordance with appropriate codes of conduct.
- 6.2.22 Official orders must be issued for all work, goods or services to be supplied to the Council, except for supplies of utilities, periodic payments such as rent or rates, corporate purchasing card purchases, petty cash purchases or other exceptions specified by the CFO. Any order placed by telephone shall be confirmed by the issue of an official order within 5 working days.
- 6.2.23 Purchase orders must conform to guidelines approved by Council for the procurement of goods, services and suppliers. Standard terms and conditions must not be varied without the prior CFO approval.
- 6.2.24 The normal payment method will be by BACS payment direct to the customer, drawn on the Council bank account, approved by the CFO. Direct debits will require prior CFO agreement, or a designated bank signatory, before any agreement is signed. Purchasing card payments may be made by Officers pre-authorised by the CFO and identified on the Authorised Signatory List. VAT receipts for all goods must accompany monthly statements submitted to the CFO. Spending limits will be set/approved the CFO.
- 6.2.25 Official orders must not be raised for personal or private purchases, nor must personal or private use be made of Council contracts.

CFO Responsibilities

- 6.2.26 Ensure Council financial systems and procedures are sound and properly administered, approving changes to existing systems (whether new systems or upgrades) before implementation.

- 6.2.32 Provide advice and encouragement on making payments by the most economical means.

- 6.2.34 Ensure that all contract variations are in writing and agreed before work on the variation commences.
- 6.2.35 Refer claims from contractors on matters not clearly within existing contract terms to Head of Legal and Democratic Services for consideration of Council liability and to the CFO for financial consideration, before settlement is reached.
- 6.2.36 Take appropriate action, in consultation with Head of Legal and Democratic Services, in respect of any claim for liquidated and ascertained damages where contract completion is delayed. This provision will not apply if there are reasons qualifying for an extension.
- 6.2.37 Ensure that unique NAV generated official orders are used for all goods and services, other than the exceptions specified in Paragraph 6.2.22.
- 6.2.38 Ensure orders are only used for goods and services provided to the relevant service area. Members and Officers must not use official orders to obtain goods or services for private use. Neither may Officers place orders for goods or services for personal use using the Council's e-procurement system.
- 6.2.39 Ensure that only staff authorised by Strategic Directors/Heads of Service authorise orders and maintain an up-to-date list of such authorised staff, including specimen signatures, identifying the limits of their authority. The authoriser of the order should be satisfied that works, goods, supplies and services ordered are appropriate and needed, that there is adequate budgetary provision and that Contract Procedure Rules have been followed.
- 6.2.40 Ensure that works, goods, supplies and services are checked on receipt to verify that they are in accordance with the order. This check should, where possible, be carried out by a different Officer from the authoriser of the order. Entries should then be made in inventories or stores records where appropriate.

- 6.2.41 Ensure payment is not made unless a proper VAT invoice has been received, checked, coded and certified for payment.
- 6.2.42 Ensure a minimum of two authorised members of staff are involved in the ordering, receiving and payment process. If possible, a different Officer from the person who signed the order, and in every case, a different Officer from the person checking a written invoice, should authorise invoices.
- 6.2.43 Periodically review a list of their staff approved to authorise invoices. New authorising Officers, together with specimen signatures, and details of their authority limits, must be forwarded to the CFO.
- 6.2.44 Ensure that payments are not made on photocopied or faxed invoices, statements or other documents. Any instances of these being rendered should be reported to the Head of Internal Audit. In exceptional circumstances, where payment is made against such a document, where properly authenticated, the transaction must be processed in accordance with CFO guidance.
- 6.2.45 Encourage suppliers to accept payment by the most economical means for the Council. Payments made by Direct Debit must have the prior approval of the CFO or an authorised bank signatory.

- 6.2.48 Ensure that employees are aware of the Code of Conduct (Part 5 of the Constitution).
- 6.2.49 Ensure that loans, leases or rental arrangements are not entered into without prior CFO agreement. This is to protect the Council against entering into unapproved credit arrangements that might adversely affect financial standing and to ensure that value for money is being obtained.
- 6.2.50 Notify CFO of outstanding committed expenditure relating to previous financial year as soon as possible after 31st March in line with timetable determined by CFO and, in any case, not later than 10th April.
- 6.2.51 With regard to construction contracts and alterations to buildings and for civil engineering works, to document and agree with CFO the systems and procedures to be adopted in relation to all financial aspects, including certification of interim and final payments, checking, recording and authorising payments, the system for monitoring and controlling capital schemes and the procedure for validation of subcontractors' tax status.
- 6.2.52 Notify the CFO immediately of any expenditure to be incurred as a result of statute/court order where there is no budgetary provision.
- 6.2.53 Ensure that all appropriate payment records are retained and stored for the defined period, in accordance with the Document Retention Policy.

c) Payments to employees and Members

Staff costs are the largest item of expenditure for most Council services. It is therefore important that payments are accurate, timely, made only where they are

due for services to the Council and that payments accord with individuals' Contract of Employment. It is also important that all payments are accurately and completely recorded and accounted for and that Member allowances are authorised in accordance with the scheme adopted by Council.

CFO Responsibilities

- 6.2.54 Ensure appropriate arrangements are in place to control secure and reliable payment of salaries, wages, compensation or other emoluments to existing and former employees, in accordance with procedures prescribed by them, on the due date.

- 6.2.64 Provide and maintain an up-to-date list of the names of Officers authorised to complete and return records to the Human Resources and Workforce Development Manager, together with specimen signatures, where appropriate. The 'Yourself' HR system should contain update lists of Human Resources Officers and Officers authorised to approve timesheets and claims.
- 6.2.65 Ensure that payroll transactions are processed only through the payroll system. Strategic Directors and Heads of Service should give careful consideration to the employment status of individuals employed on a self-employed consultant or

subcontract basis and take advice from the Human Resources and Workforce Development Manager.

- 6.2.66 Approve travel and subsistence claims and other allowances, but only when they have been made through 'Yourself' or an approved travel expenses form and within three months of the travel or subsistence being incurred. Approval is taken to mean that journeys were authorised and expenses properly and necessarily incurred, and that allowances are properly payable by the Council, ensuring that cost-effective use of travel arrangements is achieved. Due consideration should be given to tax implications and that the Human Resources and Workforce Development Manager is informed where appropriate.
- 6.2.67 Ensure that the Human Resources and Workforce Development Manager is notified of the details of any employee benefits in kind, to enable full and complete reporting within the income tax self-assessment system.

- 6.2.71 Ensure the Chief Executive (or the Officer delegated by them) has approved any changes in employment conditions where the full year cost of such changes would exceed £1,000.
- 6.2.72 Monitor staff activity to ensure adequate control over costs such as sickness, overtime, training and temporary staff.
- 6.2.73 Ensure that the staffing budget is not exceeded without prior authority from the CFO / HR & Workforce Development Manager and that it is managed to enable the agreed level of service to be provided.
- 6.2.74 Ensure that the Human Resources and Workforce Development Manager and the CFO are immediately informed if the staffing budget is likely to be significantly overspent or underspent.

Member Responsibilities

- 6.2.75 Submit claims for Member travel and subsistence allowances on a monthly basis (or within three months of incurring the travel or subsistence) and, in any event, within one month of year end.

6.3 TAXATION

The Council is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax are severe. It is therefore very important for all Officers to be aware of their role.

The Council's Commercial Investment Strategy, which includes the creation and use of Local Authority Trading Companies (LATC's), has resulted in added Tax considerations, including Corporation Tax and 'different VAT rules'.

CFO Responsibilities

- 6.3.6 Ensure that, where construction and maintenance works are undertaken, the contractor fulfils the necessary CIS requirements.
- 6.3.7 Ensure that all persons employed by the Council are added to the Council's payroll and tax deducted from any payments, except where the individuals are bona fide self-employed or are employed by a recognised staff agency.
- 6.3.8 Follow the guidance on taxation issued by the CFO or the Human Resources and Workforce Development Manager in the Council's accounting guides and Basic guide to VAT.

6.4 TRADING ACCOUNTS AND BUSINESS UNITS (including Local Authority Trading Companies)

Trading accounts and business units have been growing in importance for many years as local councils have progressively developed a more commercial culture. Under proper accounting practices, Councils are required to keep trading accounts for services provided on a basis other than a straightforward recharge of cost in accordance with the Accounting Code of Practice. Ongoing reductions in Government support is further increasing the rate of 'council commercialisation'. Councils are seeking ever more innovative ways to achieve financial self-sufficiency, with legislative changes (notably the introduction of a "general power of competence" under Section 1 of the Localism Act 2011) aiding the proliferation of local authority trading companies.

CFO Responsibilities

- 6.4.1 Advise on the establishment and operation of trading accounts and business units.
- 6.4.2 Advise on the establishment and operation of local authority trading companies, including the professional financial appraisal of proposed commercial investments, projects and trading opportunities.
- 6.4.3 Prepare financial statements for local authority trading companies in accordance with relevant proper accounting practice.
- 6.4.4 Ensure compliance with all relevant extant companies and tax legislation in respect of local authority trading companies, including the preparation of taxation and other financial returns.
- 6.4.5 Arrange and maintain adequate insurance cover for local authority trading companies, where appropriate.

Strategic Directors/Heads of Service Responsibilities

- 6.4.6 Follow CFO advice on the establishment and operation of trading accounts and business units.
- 6.4.7 Follow CFO advice on the establishment and operation of local authority trading companies. In particular, it is essential that the robustness of all commercial proposals is established through CFO input at the concept and development stage(s).
- 6.4.8 Consult with the CFO where a business unit wishes to enter into a third party contract where the contract expiry date exceeds the remaining life of their main contract with the Council. In general, such contracts should not be entered into unless they can be terminated within the main contract period without penalty.
- 6.4.9 Ensure that appropriate accounting principles (as guided by the CFO) are applied in relation to Council trading accounts, and statutory accounts required for trading companies, including any tax implications, where applicable.
- 6.4.10 Ensure that each business unit and trading company prepares an annual business plan.

7. External Arrangements

7.1 PARTNERSHIPS

Partnerships can exist in many forms and play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Councils are working in partnership with others – public agencies, private companies, community groups and voluntary organisations. Councils still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user and community wishes.

Councils will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Councils will be measured by what they achieve in partnership with others.

Jointly Controlled Operations (JCO's) are activities undertaken by the Council in conjunction with partners that involve the use of assets and resources of the partners, rather than the establishment of a separate entity.

- 7.1.1 A partner is defined as either:
 - (a) An organisation (private or public) undertaking, part funding or participating as a beneficiary in a project; or
 - (b) A body whose nature or status gives it a right or obligation to support the project.

CFO Responsibilities

- 7.1.2 Advise on effective controls and the key elements of entering into any partnership – including JCO's – to ensure that resources are not wasted. Examples include, but are not limited to:
 - (a) A scheme appraisal for financial viability in both the current and future years, together with capital/revenue cash flow forecasts for at least three years
 - (b) Risk appraisal and management
 - (c) Resourcing, including taxation / VAT issues

- (d) Audit, security and control requirements
- (e) Carry-forward arrangements; and
- (f) Ensure that an annual business plan is prepared.

7.1.3 Ensure that the partnership accounting and governance arrangements comply with all relevant regulations and codes of practice.

Strategic Directors/Heads of Service Responsibilities

7.1.4 Ensure that, before entering into any agreement with external bodies, including the terms of operation, the CFO is consulted and the Cabinet approval is obtained.

7.1.5 Maintain a register of all contracts entered into with external bodies in accordance with procedures specified by the CFO.

7.1.6 Ensure that, before entering into agreements with external bodies, a risk management appraisal has been prepared for the CFO.

7.1.7 Ensure that arrangements are in place for cessation of a partnership, including an exit strategy.

7.1.8 Ensure that such agreements and arrangements do not impact adversely upon existing Council services.

7.1.9 Ensure that all agreements and arrangements are properly documented.

7.1.10 Provide appropriate information to the CFO to determine if any requirement for a note to be entered into the Council's Statement of Accounts in accordance with relevant accounting Codes of Practice is required.

7.2 EXTERNAL FUNDING

External funding is an important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the Council. Councils are increasingly encouraged to provide seamless service delivery through working closely with communities, other agencies and private service providers.

In some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall corporate/spending plans.

CFO Responsibilities

7.2.1 Ensure that arrangements are approved in advance by Cabinet.

7.2.2 Ensure that funding notified by external bodies is received and properly recorded in the Council's accounts.

7.2.3 Ensure that match-funding requirements are considered prior to entering into agreements and that future revenue budgets reflect these requirements.

7.2.4 Ensure that internal and external audit requirements are met.

Strategic Directors/Heads of Service Responsibilities

7.2.5 Ensure that the CFO is consulted prior to the completion of all applications for external funding and is provided with a written copy of all grant approvals, together with grant and auditing conditions, and that all claims for funds are made in conjunction with Finance staff and submitted by the due date.

7.2.6 Ensure that the project progresses in accordance with the agreed project and that all expenditure is properly incurred and recorded.

- 7.2.7 Records of achievements against key targets to be met must be maintained for both financial and Non-Financial indicators.
- 7.2.8 Documentation must be made available for access by either internal and/or external audit where required.
- 7.2.9 To ensure that the retention and archiving of records complies with the conditions and requirements of the funding body.

7.3 WORKING FOR THIRD PARTIES

Legislation has enabled the Council to provide a range of services to other bodies for some time. Such work may enable a unit to maintain economies of scale and existing expertise. More recently, the Council has adopted a Commercial Investment Strategy which means that such services will increasingly be delivered through local authority trading companies. Whatever service-delivery arrangements are used (either 'in house' or through a company), robust procedures should be in place to ensure that any risks associated with such work are minimised, and that such work is legal.

CFO Responsibilities

- 7.3.1 Advise on appropriate service delivery arrangements for third party working proposals.
- 7.3.2 Where work is to be delivered through a trading company, ensure compliance with Section 6.4 of these Rules (paragraphs 7.3.3 to 7.3.5 apply to in-house service delivery arrangements only).
- 7.3.3 Issue guidance with regard to the financial aspects of third party contracts.
- 7.3.4 Provide financial information in order for the relevant Strategic Director/Head of Service to monitor the contract.
- 7.3.5 Arrange and maintain adequate insurance cover for third party contracts through corporate policy, where appropriate.

Strategic Directors/Heads of Service Responsibilities

- 7.3.6 Follow CFO advice on appropriate service delivery arrangements for third party working proposals.
- 7.3.7 Where work is to be delivered through a trading company, ensure compliance with Section 6.4 of these Rules (paragraphs 7.3.8 to 7.3.14 apply to in-house service delivery arrangements only).
- 7.3.8 Ensure that potential proposals are properly costed in advance in accordance with CFO guidance. It is essential that no contract is subsidised by the Council.
- 7.3.9 Ensure Cabinet approval is obtained before negotiations are concluded to work for third parties.
- 7.3.10 Maintain third party contracts register in accordance with procedures specified by CFO and ensure all contracts are properly documented.
- 7.3.11 Ensure that – wherever possible – payment is received in advance of service delivery, but in any event, payments must be promptly paid in accordance with the contract.
- 7.3.12 Ensure service area has the appropriate expertise to undertake the contract.
- 7.3.13 Ensure contracts do not adversely impact on services provided for the Council.

7.3.14 Provide appropriate information to CFO to determine any Accounting Code of Practice requirements.

Contract Procedure Rules

1. INTRODUCTION

These Contract Procedure Rules (CPR) are the Council's contract standing orders under section 135 of the Local Government Act 1972. They must be followed every time the Council enters into a contract for works, goods or services.

All public procurement and other applicable laws (including any European Union law directly or indirectly in force in England at the relevant time) must be followed. Such laws override any conflicting provision of the CPR.

Furthermore, the CPR must be read in conjunction with the Council's Constitution, including its Financial Procedure Rules, decision making processes and delegated authorities.

The CPR are the minimum standards which must be adhered to. Particular procurements may require a more thorough procedure than one defined by value alone depending on the identifiable risks to the Council, or it may be beneficial to the Council to secure greater competition. If in any doubt as to the position on any procurement, please consult the Procurement Team.

The CPR aim to promote the highest standards of probity, integrity and impartiality in a clear, fair and understandable supplier selection process. They thereby offer the best defence against allegations of purchases having been made fraudulently or incorrectly. Failure to comply with the CPR, without a valid waiver, may result in disciplinary action against the Officers concerned.

1.1. Overriding principles:

- a) The aim of every procurement exercise should be to achieve Value for Money as part of the general requirement to secure Best Value. In doing so those involved in the process will treat suppliers evenly and equally, without discrimination, acting in a transparent manner.
- b) Subject to those overriding principles, there should also be a focus on, wherever viable, enabling social value and encouraging participation by local businesses in bidding for Council procurement opportunities.
- c) Contractual arrangements should be made, wherever possible, on the Council's terms (standard general terms or standard form contracts, as explained in Rule 5.1). The fall-back position would be to use industry standard model contracts, with supplemental terms for higher risk contracts. Contracting on the supplier's terms should be avoided and only done when agreed with (and with the changes to those terms required by) the Head of Legal and Democratic Services and the Procurement Team.

2. EXCLUDED CONTRACTS AND COMPLEX PROCUREMENTS

2.1. Excluded contracts

Contracts are not subject to these CPR if they are of the following specialist types, which will be managed by the relevant specialist team at the Council in accordance with the Council's Constitution:

- a) Contracts of employment which make an individual a direct employee of the Council;
- b) Agreements regarding the acquisition, disposal or transfer of land only (i.e. without any connected development);

- c) Agreements creating planning obligations (such as those under Section 106 of the Town and Country Planning Act 1990, as amended);
- d) Grant awards or loan advances.

2.2. Complex procurements

Where the procurement involves any of the following criteria the Procurement Team and the Head of Legal and Democratic Services must be consulted:

- a) Where the Total Value exceeds the relevant Public Procurement Threshold (see the link at Rule 3.2, or consult the Procurement Team, for the current thresholds);
- b) Where the opportunity is likely, in view of its particular characteristics, to be of cross-border interest and therefore attract potential suppliers from outside the UK;
- c) Where any staff of the Council or an existing supplier spend the majority of their time providing the services which are to be procured (investigation would be needed to identify any potential TUPE implications in advance and obtain/provide employee liability information);
- d) The procurement involves leasing agreements;
- e) Where it is proposed to use a supplier's own terms or any other form of contract which is not one of those normally used by the Council for other matters (see Rule 5.1);
- f) Procurement of application software with a Total Value above £75,000;
- g) Agreements involving the development of land for public benefit;
- h) Where it is proposed to extend or vary an existing contract (as explained in Rules 5.7 and 5.8 respectively);
- i) Any collaborative procurements (where the Council is working with other authorities to procure), as explained in Rule 6.3;
- j) Any proposed arrangement which could be seen as distorting or threatening to distort competition by favouring certain suppliers (such as land and build contracts, as explained in Rule 6.5);
- k) Where it is proposed to enter into a new contract with an existing supplier without competition (such as a new contract for a line of business software system, as explained in Rule 6.6);
- l) Where it is complex in any other way or involves unusual risks.

3. CORPORATE AGREEMENTS/DEFAULT SELECTION PROCEDURES

3.1. Corporate agreements

A Corporate Agreement is one which has been approved by the Procurement Team in consultation with the Head of Legal and Democratic Services to give sufficient assurance that it complies with the law and specifies terms acceptable to the Council. For example, it might be:

- a) A framework agreement, dynamic purchasing system or similar facility operated by the Council or a suitable external organisation for government or similar public authority buyers; or
- b) A procurement arrangement with an "in-house" service provider, which is controlled by the Council and does almost all of its work for the Council. This is often referred to as a "Teckal" arrangement; specific legal tests determine whether the service provider is exempt from the normal competition requirements under the Public Procurement Regulations.

Such Corporate Agreements aim to streamline procurement by specifying in advance the terms and conditions which will apply and the procedure/options to be followed when procuring work under the Corporate Agreement.

If a Corporate Agreement exists and is suitable for the relevant procurement, Officers should consider with the Procurement Team whether to procure under that Corporate Agreement rather than following the default minimum requirements under Rule 3.2 below.

If you would like to use a Corporate Agreement, please contact the Procurement Team. They will need to assist you to ensure that the requisite procedure is followed and the Council’s requirements are properly specified in the contract which would be procured under the relevant Corporate Agreement.

3.2. Default selection procedures

The following Table A outlines the default minimum selection procedure to be used where the procurement is within these CPR and not complex (see Rule 2 above) and a suitable existing Corporate Agreement (see Rule 3.1 above) is not being used in consultation with the Procurement Team:

Table A: Default minimum selection procedures for Goods, Works or Services:

Estimated Total Value	Selection procedure	Selection recommendations
Less than £5,000	Single quotation in writing (see 4.1 and 4.2 below)	Officer
£5,000 to £75,000	At least three quotations in writing, unless 4.3(h) applies (see 4.1 and 4.3 below)	Officer, Line Manager or Procurement Team
Above £75,000 but below the Public Procurement Threshold	Invitation to Tender issued openly or to at least three suppliers (see 4.1 and 4.4 below)	Officer, Line Manager and Procurement Team
At or above the Public Procurement Threshold	Advice must be sought from the Procurement Team and the Head of Legal and Democratic Services	Consult with the Procurement Team and the Head of Legal and Democratic Services

- a) The **Total Value** includes the whole life cost (and may include the lifecycle cost) of the procurement. See the definition in Rule 8 and consult the Procurement Team if you are unsure about whether any direct or indirect costs are included. For example, individual purchases under a general contract need to be aggregated and a software purchase will generally involve costs beyond the purchase of the system such as necessary implementation, training, support, licensing, updates and maintenance.
- b) The current **Public Procurement Thresholds** can be found at: <https://www.gov.uk/government/publications/procurement-policy-note-0417-new-threshold-levels-2018> or the updated link maintained on the Procurement Team intranet page.

4. OFFICER RESPONSIBILITIES

Officers when purchasing must, at all times, ensure that they:

- a) Behave consistently with the highest standards of integrity;
- b) Ensure open and transparent processes are used;
- c) Strive for Best Value;
- d) Remain impartial;

- e) Comply with the necessary legal requirements, corporate and departmental aims; policies and procedures, and any procurement strategy in place; and
- f) Ensure the inclusion of social value (either social, economic or environmental value). The following defines the specific responsibilities for Officers in each of the procurement processes identified in Rule 3.

4.1. Prior to purchasing, Officers shall:

- a) Make themselves familiar with these CPR.
- b) Define the need. Where this is likely to be complex, seek early input from relevant stakeholders including the Procurement Team, other departments and Legal Services.
- c) Identify if the need can be delivered from within the Council.
- d) In consultation with the Procurement Team, assess the risks associated with the procurement, paying particular attention to:
 - i. risks to people - could staff or members of the public be injured?
 - ii. risks to information - will the supplier be given personal data or confidential information?
 - iii. risks to property - will the supplier have or be working on land/buildings/assets of the Council or others?
 - iv. other specific risks to the Council given the nature of the work and what it will be used for - if a supplier’s work is negligent, could that cause injury, damage or losses?
- e) In consultation with the Procurement Team, use that risk assessment to set the minimum insurance requirements for the supplier, which will be specified in the relevant contract document(s). In addition to the default insurance requirements set out in Table B below, specific insurance arrangements will be needed for specific risks (such as construction projects).
- f) Officers should consult the Procurement Team if they need any further guidance or training to assess risks and set insurance requirements. The Procurement Team will liaise with Legal Services and/or Internal Audit as required.

Table B: Minimum insurance requirements

Insurance type	Default position	Default minimum requirement (per claim, or series of claims arising out of the same cause or source)
Employer’s liability insurance	Required unless the supplier is a small trader who will carry out all of the work themselves	£10 million A lower figure based on the Officer’s risk assessment (but not less than £5 million) may be set for procurements with a Total Value of less than £25,000 where the risk of any injury or illness being suffered by the supplier’s employees is low
Public liability insurance	Required unless there is no risk of the public, the Council or Council staff suffering injury or damage (including any property damage).	£10 million A lower figure based on the Officer’s risk assessment may be set for procurements with a Total Value of less than £25,000 where the risk of the public, the Council or Council staff suffering injury or damage (including any property damage) is low

Professional indemnity insurance	Normally required to protect the Council in the event of breach/negligence, or third party claims caused, by the supplier.	£1 million A lower - or substantially higher - figure may be appropriate depending on the risks. In some cases, a multiple of the Total Value will be a useful reference point, but always use the risk assessment under Rule 4.1: in particular, given the information which will be given to the supplier, the nature of the work and what the work will be used for, if the supplier is negligent, could that cause injury, damage or losses?
----------------------------------	--	---

- g) Establish the approximate Total Value of the procurement by considering the full life cost of the procurement including any costs for support, consumables, delivery, disposal, annual renewals, and similar.
- h) Where a procurement exercise would be a Key Decision, ensure the requirements under the Constitution have been followed to enable the procurement to be carried out.
- i) Secure the budget required via the approved Member (or delegated) approval for the expenditure or check that it has been agreed under the approved policy and scheme of delegation as set out in the Constitution.
- j) Check for existing Corporate Agreements (see Rule 3.1) which cover the purchase.
- k) Decide on the appropriate procurement route or, if the procurement is likely to have a Total Value of £25,000 or more or other risks were identified, consult with the Procurement Team.
- l) Note that, for so long as pre-selection stages remain unlawful for procurements below the Public Procurement Threshold, in such procurements the Council cannot use a separate selection stage to reduce the number of potential suppliers before inviting tenders. This does not prevent the Council from assessing suitability by setting evaluation criteria/questions in the invitation documents (under Rule 4.2, 4.3 or 4.4 below) which are proportionate and relevant to the subject matter of the procurement.
- m) If required, conduct pre-tender market engagement (subject to the restrictions in Rule 6.12) with guidance, and support, from the Procurement Team to ensure that no potential supplier is given an improper advantage over other potential suppliers.
- n) Identify Key Success Criteria for what constitutes an acceptable procurement outcome.

4.2. Single Quotation Procedure (Total Value less than £5,000):

Having followed Rule 4.1:

- a) Identify the appropriate contract document(s) to be used by reference to Rule 5.1 below and/or contacting Legal Services or Procurement.
- b) Complete the relevant details in the contract document(s), including the Council’s specification of its requirements, and make them available to the relevant supplier(s) so that they can provide their quotation(s) based on this.
- c) Officers should select a supplier by any reasonable means (eg written quotation, online catalogue, etc.)

- d) Where practicable a supplier from the local area should be considered.
- e) Request a final written quote from the supplier.
- f) Reasons for the selection are to be recorded on the Officer's files.
- g) Raise an appropriate Purchase Order to the supplier using the Navision software, ensuring this refers to or incorporates the relevant contract document(s).

4.3. Multiple Quotation Procedure (Total Value £5,000 to £75,000):

Having followed Rule 4.1:

- a) Identify the appropriate contract to be used by reference to Rule 5.1 below and/or contacting Legal Services or Procurement.
- b) Develop and include in the relevant sections of the Council's invitation to bid documents, so that prospective suppliers can provide their quotations based on this:
 - i. The evaluation criteria (prepared in accordance with Rule 4.6); and
 - ii. The draft contract (including the specification of services/goods/works required by the Council).

These should be specified having considered as a minimum: Key Success Criteria, risks to the service and process, use of property and information, costs and performance indicators. The Procurement Team can assist with developing the relevant criteria/specification as required.

- c) Officers should then either:
 - i. **Invitations to selected potential suppliers**
select 2 or more (where the Total Value is less than £25,000) or 3 or more (where the Total Value is £25,000 to £75,000) specific potential suppliers to invite to bid (including at least one local supplier, where practicable without improperly excluding other suppliers, as explained in Rule 6.13 below); or
 - ii. **Open opportunities**
using the Council's e-sourcing system to do so, opt to publish the opportunity nationally using [Contracts Finder](#) with or without any other advertisement.
NB - If the opportunity is advertised at all (such as in newspapers or on the Council's website to attract local or wider interest), it must also be published on Contracts Finder.
- d) The period allowed for responses should be adequate, considering the complexity of the Council's requirements, to provide a reasonable opportunity for suppliers to prepare and submit a quotation. This will normally be at least 10 working days.
- e) Invitation to bid documents should be sent or made available to the suppliers via the Council's e-sourcing system either to the selected suppliers or in an open opportunity. Access to the Council's e-sourcing system will be arranged by the Procurement Team on request.
- f) The Council's e-sourcing system will publish open opportunities to the Contract Finder system automatically.
- g) Evaluate the bids against the specified evaluation criteria, liaising with the Procurement Team and the Finance Team to check the information provided by the suppliers and investigate the financial status of the supplier(s).

- h) If less than two bids are received (where the Total Value is less than £25,000) or less than three bids are received (where the Total Value is £25,000-£75,000), consult with the Procurement Team and follow their recommendations as to whether to arrange a new invitation to bid or obtain other evidence demonstrating that (because of the nature of the opportunity, an absence of suitable competitor suppliers or otherwise) the bid(s) received represent Value for Money.
- i) If it is proposed to make advance payments to the supplier before receiving the relevant goods, works or services, seek approval from the Section 151 Officer before proceeding (see Rule 6.9).
- j) Identify the winning bid.
- k) Record with the Procurement Team the details of the purchase, including reasons for the selection and for any absence of local suppliers in the winning bid and/or bids received.
- l) All communications with suppliers must remain (and should be headed) “subject to contract” until a binding contract is entered into with (awarded to) the selected supplier in accordance with Rule 5.
- m) Formal groups should be established for contract mobilisation plans, service improvements, contract variations, performance monitoring and any other contract management processes.

4.4. Tender Procedure (Total Value more than £75,000 but below the Public Procurement Threshold):

Having followed Rule 4.1 above:

- a) Officers should engage the assistance of the Procurement Team as soon as it is anticipated that a tender may be required. A procurement resource will then be assigned to the project/purchase.
- b) The Procurement Team will assist Officers with the following steps, including design of scope, critical success factors and mitigation of risks/costs.
- c) Check that it would not be preferable to procure under any suitable Corporate Agreement which may be in place (see Rule 3.1 above).
- d) Identify the appropriate contract to be used by reference to Rule 5.1 below and/or contacting Legal Services.
- e) Develop and include in the relevant sections of the Council’s invitation to tender documents, so that prospective suppliers can provide their tenders based on this:
 - i. The evaluation criteria (prepared in accordance with Rule 4.6); and
 - ii. The draft contract (including the specification of services/goods/works required by the Council).

These should be specified having considered as a minimum: Key Success Criteria, risks to the service and process, use of property and information, costs and performance indicators. The Procurement Team can assist with developing the relevant criteria/specification as required.

- f) Officers should then either:
 - i. **Invitations to selected potential suppliers**
select 3 or more specific potential suppliers to invite to tender (including at least one local supplier, where practicable without

improperly excluding other suppliers, as explained in Rule 6.13 below);
or

ii. Open opportunities

using the Council's e-sourcing system to do so, opt to publish the opportunity nationally using [Contracts Finder](#) with or without any other advertisement.

NB - if the opportunity is advertised at all (such as in newspapers or on the Council's website), it must also be published on Contracts Finder.

- g) Reasons for inviting only selected potential suppliers must be recorded with the Procurement Team.
- h) Where the Procurement Team believe it is in the best interests of the Council, they may, in consultation with the Officer, seek authority from a Chief Officer to override a decision not to publish an opportunity openly.
- i) As noted under Rule 4.1 above, for so long as pre-selection stages remain unlawful for procurements below the Public Procurement Threshold, the Council cannot use a separate selection stage to reduce the number of potential tenderers before inviting tenders.
- j) The period allowed for responses should be adequate, considering the complexity of the Council's requirements, to provide a reasonable opportunity for suppliers to prepare and submit a tender. This will normally be at least 20 working days.
- k) Invitation to tender documents should be sent or made available to the suppliers via the Council's e-sourcing system either to the selected suppliers or in an open opportunity. Access to the Council's e-sourcing system will be arranged by the Procurement Team on request.
- l) The system will publish open opportunities to the Contract Finder system automatically.
- m) The Procurement Team will manage evaluation of tenders against the specified evaluation criteria and liaise with the Finance Team to check the information provided by the suppliers and investigate the financial status of the supplier(s).
- n) If the Finance Team advise against proceeding with the relevant tenderer and/or it is proposed to make advance payments to the tenderer before receiving the relevant goods, works or services, seek approval from the Section 151 Officer before proceeding (see Rule 6.9).
- n) All communications with tenderers must remain (and should be headed) "subject to contract" until a binding contract is entered into with (awarded to) the selected tenderer in accordance with Rule 5.
- o) Formal groups should be established for contract mobilisation plans, service improvements, contract variations, performance monitoring and any other contract management processes.

4.5. Procurement above the Public Procurement Threshold

- a) Advice should be sought from the Council's Procurement Team where the Total Value is likely to exceed the Public Procurement Threshold.
- b) A business case must be prepared for all procurements over the Public Procurement Threshold to include:
 - Nominated contract manager,
 - Risk assessments (see Rule 4.1(d)) and risk register,

- Contingency measures (including early termination and exit strategy).
- c) The Procurement Team will then work with you to carry out a procurement exercise which complies with the requirements of the Public Procurement Regulations and includes information/financial status checks and other safeguards in line with those which apply under Rule 4.4.

4.6. Evaluation Criteria and Evaluation

Evaluation Criteria

- a) Evaluation criteria for procurements below the Public Procurement Threshold may be price only.
- b) However, the evaluation criteria should normally be prepared to enable the most economically advantageous tender or bid (MEAT), as explained below, to be identified, ensuring that all such criteria are appropriate for and proportionate to the relevant procurement. It is advisable to liaise with the Procurement Team to develop suitable criteria for the relevant procurement and the weighting to be given to those criteria.
- c) Evaluation criteria for procurements above the Public Procurement Threshold would be prepared by the Procurement Team, in consultation with the relevant Officers, to enable the most economically advantageous tender (MEAT) to be identified on the basis of price or cost, using a cost-effectiveness approach. This may include the best price-quality ratio, assessed on the basis of criteria (such as qualitative, environmental and/or social aspects) which relate to the works, supplies or services to be provided under the relevant contract in any respect and at any stage of their life cycle. The cost element may take the form of a fixed price or cost on the basis of which suppliers will compete on quality criteria only. The criteria may include, for example:
 - i. quality, including technical merit, aesthetic and functional characteristics, accessibility, design for all users, social, environmental and innovative characteristics and trading and its conditions;
 - ii. organisation, qualification and experience of staff assigned to performing the contract, where the quality of the staff assigned can have a significant impact on the level of performance of the contract; and/or
 - iii. after-sales service and technical assistance, delivery conditions such as delivery date, delivery process and delivery period or period of completion.
- d) Evaluation criteria shall not include Non-Commercial Considerations except in accordance with advice from the Head of Legal and Democratic Services, include matters which unlawfully discriminate against suppliers outside the UK or have the effect of conferring an unrestricted freedom of choice on the Council. They shall ensure the possibility of effective competition and be accompanied by specifications that allow the information provided by the tenderers to be effectively verified in order to assess how well the tenders meet the evaluation criteria.
- e) It will be important to specify in the invitation document the relative weighting given to each of the evaluation criteria, except where this is price alone. Those weightings may be expressed by providing for a range with an appropriate maximum spread. Where weighting is not possible for objective reasons, the criteria are to be indicated in decreasing order of importance.

Evaluation

- f) Any clarifications of any invitation, or requests to clarify a quotation/tender, may

only be provided/made in accordance with Rule 4.7 below.

- g) Post Tender Negotiation is to be the exception and subject to Rule 4.8 below.
- h) Where the evaluation criteria are not price alone (i.e. MEAT is used), a member of the Procurement Team should facilitate the formal evaluation process and evaluators must record reasons for and be able to justify their scores under the scoring mechanism specified in the invitation document.
- i) Minimum criteria compliance checks, including checking for complete quotations/tenders, should be carried out prior to any other evaluation. Where a quotation/tender is incomplete, contact the Procurement Team for advice on how to proceed. In case of doubt, evaluators shall verify effectively the accuracy of the information and proof provided by the prospective suppliers.
- j) Pricing should be checked with any pre-tender estimates, and any significant variations should be examined and resolved by raising clarification questions in accordance with Rule 4.7.
- k) Arithmetic in compliant tenders should be checked where practicable. Any identified mathematical errors should be notified to the supplier for clarification in accordance with Rule 4.7. Any correction or other change proposed by the prospective supplier cannot be made unless it is approved by the Procurement Team.
- l) If the bid total does not reflect the pricing matrix provided, the rates should be taken as correct and the prospective supplier asked to stand by those rates or withdraw the bid.

4.7. Clarifications

- a) The Council may issue clarifications of an invitation (on its own initiative or in response to enquiries from prospective suppliers) either in writing or in person, but written records shall be kept and (except for communications which the Procurement Team have confirmed can properly be withheld on the basis that they contain commercially sensitive information from suppliers and do not confer an unfair advantage on any supplier) made available to all prospective suppliers (by publication on the Council's e-procurement system or otherwise).
- b) The Council may ask suppliers to clarify their quotations/tenders but must do so in consultation with the Procurement Team, in accordance with the restrictions in Rule 4.8 below on Post Tender Negotiation and through the Council's e-sourcing system to ensure the clarification is properly recorded or, if that is not possible, with a written record.

4.8. Post Tender Negotiation

- a) Discussions with prospective suppliers after submission of a tender/bid and before the award of a contract, with a view to obtaining adjustments in price, delivery, quality or content (i.e. **Post Tender Negotiations**) must be the exception and not the rule and, wherever possible, conducted through the Council's e-sourcing system to ensure they are properly recorded. These should only be carried out with full involvement of the Procurement Team, in consultation with the Head of Legal and Democratic Services and in accordance with the following provisions.
- b) In procurements above the Public Procurement Threshold, no Post Tender Negotiation is possible unless specifically allowed under the Public Procurement Procedure used or in accordance with advice from the Head of Legal and Democratic Services.

- c) Any Officer appointed by the Chief Officer to carry out Post Tender Negotiation must ensure that all Post Tender Negotiations are conducted on a “subject to contract” basis and should ensure that there are recorded minutes of all negotiation meetings.
- d) Any Post Tender Negotiations must be carried out by a team of at least two Officers, one of whom must be from the Procurement Team or, if not available, a department independent of the Officer(s) dealing with the relevant procurement.
- e) Where a Post Tender Negotiation would lead to a material change to the specification, price or any other contract terms, negotiations should cease, and a new tender will be required unless the Head of Legal and Democratic Services advises otherwise.

4.9. Notifying (debriefing) suppliers

- a) Once a successful supplier has been selected, unless the Procurement Team agree that notifications and a standstill period are not compulsory or appropriate:
 - i. all suppliers who submitted quotations/tenders must be notified of the selection in writing, with their scores and those of the successful supplier; and
 - ii. the notifications to the unsuccessful suppliers shall include feedback regarding their performance comparative to the successful supplier.
- b) Once the notifications have been communicated to the suppliers, a standstill period (previously known as an Alcatel period) of at least 10 calendar days ending on a working day will commence, to allow the Council to take into account any representations made by the unsuccessful suppliers within that standstill period.
- c) Where a challenge occurs:
 - i. The Head of Legal and Democratic Services must be notified immediately.
 - ii. The Procurement Team should be informed.
 - iii. The Officer will not award the contract and all communications relating to the challenger must be referred to Legal Services to handle.
- d) At the appropriate time, the Council will then decide whether to enter into the relevant contract award document.
- e) Where the Procurement Team agree that there will be no standstill period and a supplier requests the reasons for a Contracting Decision this should be provided within 15 working days. Details of the information to be provided should be discussed with the Procurement Team.

5. CONTRACTUAL REQUIREMENTS

5.1. Contract requirements

- a) The following Table C outlines the default minimum forms of contract to be used where the procurement is within these CPR and not complex (see Rule 2 above) and a suitable existing Corporate Agreement (see Rule 3.1 above) is not being used in consultation with the Procurement Team.
- b) The specified standard forms should not be amended, and other forms should not be used, except in consultation with Legal Services.
- c) The Council’s standard form agreements are available from Legal Services or Procurement, and supplemental or alternative terms can be prepared, on request.

Table C: Minimum contract form requirements

Risks Assessed (see Rule 4.1) as low?	Total Value	Form of contract to be used
Yes	Less than £5,000	The appropriate version of the Council's general terms and conditions, as updated by Legal Services from time to time (Officers can use their purchase order to amend any specific provisions of the general terms, but only in accordance with guidance from the Head of Legal and Democratic Services)
NA	£5,000 to £75,000	Either: (a) the Council's standard form agreement for services/goods/works, as appropriate; or (b) standard forms of contract issued by an appropriate industry body (such as NEC4 or JCT contracts or construction-related procurements)
NA	Above £75,000	Either: (a) the Council's standard form agreement for services/goods/works, as appropriate; or (b) standard forms of contract issued by an appropriate industry body (such as NEC4 or JCT contracts or construction-related procurements) <u>with supplemental terms to include the Council's minimum standard requirements for higher value procurements, as outlined in Rule 5.2(b).</u>

5.2. Clauses required within agreements

- a) All contracts shall, irrespective of value:
 - i. Be completed in writing;
 - ii. Specify what is to be supplied (the works/materials/services);
 - iii. Specify the delivery dates/periods;
 - iv. Specify the provisions for payment (how much and when);
 - v. Specify whether the price includes or excludes Value Added Tax;
 - vi. Specify the minimum insurance requirements, as set by the Officer in accordance with Rule 4.1; and
 - vii. Include provisions for the Council to terminate the contract.
- b) All contracts of purchase with a Total Value above £75,000 must also specify:
 - i. That the contractor may not assign, subcontract, transfer, licence or otherwise dispose of any part or whole of their rights or obligations under the contract without prior written consent of the Council (not to be unreasonably withheld);
 - ii. Health and safety requirements;
 - iii. Any ombudsman or appeal requirement including escalation for complaints or conflict resolution;
 - iv. Data protection requirements (if relevant);
 - v. That charter standards are met (if relevant);

- vi. Equality and diversity requirements;
- vii. Freedom of information and environmental information requirements;
- viii. Whistleblowing requirements;
- ix. Anti-bribery requirements, obliging the supplier to comply with the Bribery Act 2010 and enabling the Council to terminate for any breach by the supplier;
- x. Requirements for Consultants and Agents working on behalf of the Council to comply with the Constitution, including these CPR and the Financial Procedure Rules;
- xi. Rights of access to relevant documentation and records for monitoring and audit purposes;
- xii. Intellectual property rights (if required); and
- xiii. Performance monitoring and contract management requirements.

5.3. Contract award (signing or sealing)

- a) All contracts, including those to be made using purchase orders, must be concluded formally in writing before the supply, service or works begin, except in exceptional circumstances and then only with the written consent of a Chief Officer.
- b) The Officer shall confirm that the proposed contract has been procured in accordance with the Constitution, including these CPR and the Financial Procedure Rules. It will be important to refer to the full Constitution for the detailed relevant requirements, but the Officer will normally need to verify in particular:
 - i. Whether the Total Value is within existing budget allocations and, if it is not, that approval has been obtained from Cabinet;
 - ii. If the Total Value does not exceed £30,000, that the Officer approval has the relevant financial authorisation limits and approval levels to enter into the contract;
 - iii. If the Total Value is between £30,000 and £250,000, that approval has been obtained from the relevant Portfolio Holder or from Cabinet; and
 - iv. If the Total Value exceeds £250,000 or is otherwise a Key Decision, that the procurement has been included on the Forward Plan and approval has been obtained from Cabinet.
- c) The signature provisions in the contract documents are to be finalised depending on the requirements set out in Table D below.
- d) Contract documents should then be sent to the successful supplier on the basis that:
 - i. the contract documents remain “subject to contract” unless and until they are signed on behalf of the Council;
 - ii. they are asked to sign the contract document(s) where and as indicated (but not date them) and return them to the Council; and
 - iii. the Council would take this as their authority to date the documents to complete them if/when any necessary final internal approval has been obtained by, and it has been signed on behalf of, the Council.
- e) The Officer responsible for securing signature of the contract documents must ensure that the person signing for the supplier has authority to bind it.
- f) Contracts should then be signed or sealed by the Council in accordance with the following minimum requirements. The Officer shall then date and send a copy of the contract document to the supplier at the appropriate time.

Table D: Minimum completion requirements

Does Rule 5.4(b), below, apply?	Total Value	Method of completion
Yes	Any	Execution as a deed
No	Less than £5,000	Signature or e-mail of Officer
	£5,000 to £75,000	Signature of Line Manager
	£75,000 to the Public Procurement Threshold	Signature of Chief Officer
	Above the Public Procurement Threshold	Execution as a deed

5.4. Execution as a deed

- a) As set out above, contracts should be executed as a deed if the value is above the Public Procurement Threshold.
- b) Contracts should also be executed as a deed if:
 - i. the Council might wish to exercise rights in respect of the contract more than 6 years after the contract ends, or
 - ii. the price is nominal and does not reflect the actual value of the goods/services, or
 - iii. there is any doubt about whether an individual signing a simple contract would be authorised to bind the supplier.
- c) A sample signature box for contracts to be executed as a deed, where the supplier is a company, is below:

The parties have executed this deed on the date specified above	
Executed as a deed by [full name of supplier, e.g. SUPPLIER 123 LIMITED], acting by [two Directors/one Director and the company secretary/one director in the presence of:]	Signature
[Witness signature	Name
Witness name	Director
Witness address	[Signature
Witness occupation	Name
	Director]
Executed as a deed (but not delivered until the date specified above) by affixing the common seal of EAST SUFFOLK COUNCIL in the presence of:	Signature
	Name
	Title
	Signature
	Name
	Title

- d) Use of the Council’s seal to execute as a deed shall be administered by Legal Services, who will not affix the seal or witness the sealing without the authority of Cabinet, a Committee, a Cabinet Member, the Chief

Officer or the relevant Strategic Director or Head of Service acting under delegated powers.

5.5. Signature as a simple contract

- a) A sample signature box for contracts to be signed by an Officer, Line Manager or Chief Officer as set out in Table D above, because they do not need to be executed as a deed, is below:

The parties have entered into this agreement on the date specified above	
Signed on behalf of [full name of supplier, e.g. SUPPLIER 123 LIMITED] by	Signature Name Title
Signed on behalf of EAST SUFFOLK COUNCIL by:	Signature Name Title

5.6. Document circulation and retention

- a) Copies of contracts are to be kept and circulated by the Officer, and the originals are to be retained, as set out in Rule 7.2.

5.7. Contract extensions

- a) It is recognised there will be instances where extending (sometimes called “renewing”) the length of a contract, by exercising an existing extension option in the existing contract, can provide better value than reopening it to competition.
- b) Contracts may only be extended in the following circumstances. For any contracts involving sums at or approaching the applicable Public Procurement Threshold or where there is any doubt as to whether the proposed extension satisfies these requirements, Officers will need to consult the Procurement Team and/or Legal Services as appropriate in advance.

Total Value of the original contract and all extensions, including the proposed extension	Circumstances of the original procurement
Less than the applicable Public Procurement Threshold	The proposed extension of the duration of the contract would be on the terms of extension provided for in the original contract, such that no negotiation is required.
At or more than the applicable Public Procurement Threshold	The proposed extension of the duration of the contract would be on the terms of extension advertised, tendered and evaluated in the original procurement and provided for in the original contract, such that no negotiation is required.

- c) To extend a contract, it will be necessary to prepare a formal notice to the supplier in the terms required by the relevant contract. Officers should liaise with the Procurement Team and Legal Services at an early stage if they need any guidance or to prepare such notice so that it is ready to serve before any deadline in the contract.

5.8. Contract variations

- a) Variation in the scope, duration and/or other terms of an existing contract can also

provide better value than retendering, but can only be carried out through or in consultation with the Procurement Team, in consultation with Legal Services as appropriate, because detailed restrictions may apply and it will be necessary to:

- i. instruct Legal Services to prepare a variation agreement to be entered into between the Council and the supplier; and
 - ii. ensure that any negotiations and other communications with the supplier are carried out on a “subject to contract” basis unless and until the variation agreement is entered into.
- b) In general, where the Total Value of the original contract and all extensions and variations, including the proposed variation, is **less than the applicable Public Procurement Threshold**, the contract may only be varied if:
- i. The procedure under Rule 6.6 has been followed for line of business software systems; or
 - ii. Each of the following conditions have been satisfied:
 - 1) the proposed variation would not materially change the scope of the original contract or there was a contractual review clause or other option in the original contract to allow for such a variation; and
 - 2) the proposed variation would not represent an increase of more than 50% of the Total Value of the original contract; and
 - 3) if the proposed variation extends the duration of the original contract, it does not do so for more than one year from the end of the duration of the original contract; and
 - 4) the Officer’s case for the better value for the Council in not opening the opportunity to competition has been approved by the Procurement Team and the Head of Legal and Democratic Services.
- c) In general, where the Total Value of the original contract and all extensions and variations, including the proposed variation, **may reach or exceed the applicable Public Procurement Threshold**, subject to advice in the relevant circumstances from the Procurement Team and Legal Services, based on the law at the time these CPR were made the contracts may only be varied if:
- i. In the case of contracts for goods or services:
 - 1) the value of the proposed variation is less than **10%** of the initial contract value and less than the relevant Public Procurement Threshold; and
 - 2) the overall nature of the contract remains unaltered; or
 - ii. In the case of contracts for works:
 - 1) the value of the proposed variation is less than **15%** of the initial contract value and less than the relevant Public Procurement Threshold; and
 - 2) the overall nature of the contract remains unaltered; or,
 - iii. The proposed variations:
 - 1) were explicitly provided for in the original procurement and contract documents in clear, precise and unequivocal review clauses which stated the scope and nature of possible variations as well as the conditions under which they may be used; and
 - 2) do not alter the overall nature of the contract.
 - iv. The proposed variations:

- 1) are made because additional works, goods or services have become necessary but a change of supplier cannot be made for “economic or technical reasons” (such as interchangeability or interoperability of existing equipment) or changing supplier would cause “significant inconvenience” or “significant duplication of costs”; and
 - 2) would have a value which does not exceed 50% of the initial contract value; and
 - 3) are published by the Council by notice in the Official Journal of the European Union (or as otherwise required by applicable law).
- v. The proposed variations:
- 1) need to be made due to circumstances which a “diligent contracting authority” could not have foreseen; and
 - 2) do not alter the overall nature of the contract; and
 - 3) would have a value which does not exceed 50% of the initial contract value; and
 - 4) are published by the Council by notice in the Official Journal of the European Union (or as otherwise required by applicable law).
- vi. The proposed variations are not deemed “substantial” to the contract. This type of variation must not be made without guidance from Legal Services. For example, a modification will be “substantial” where it introduces conditions which, had they been part of the original procurement, would have allowed for the admission of other candidates or for the acceptance of a different tender, or attracted additional participants, changes the economic balance of the contract in favour of the supplier in a way not provided for in the initial contract or Framework Agreement, extends the scope of the subject-matter considerably or introduces a new contractor, except where this is permitted.
- d) Where a proposed variation does not fall within one of these categories, the opportunity must be let under a new, relevant competitive process.

5.9. Contract Management

- a) Efficiencies secured under competitive processes will only be realised with effective contractual management.
- b) Named Officer(s) within the relevant department will be responsible for the day to day operational management of any new contract in their area.
- c) Procurement will assist in contract management, particularly in cross-functional (or cross-authority) agreements, with roles being established with departments at contract mobilisation. Using diagram 1 below as a guide, all contract management will be agreed at a suitable level between points A and B, depending on the input required from each in the circumstances:

- d) Requirements on contract management are to include (as a minimum)

- i. An annual review (in consultation with the Finance Team) of the financial status of any supplier in contract with the Council
- ii. Annual check for validity of any required certifications and evidence of current insurance cover
- iii. Annual review of any required policy documentation
- iv. Regular review meetings at agreed intervals to discuss:
 - 1) Contractual performance (key performance measures)
 - 2) Social value delivery
 - 3) Innovations or other potential savings in areas relating to the contract or opportunities to improve the range of services provided.
 - 4) Risk identification, evaluation and management on subjects relating to the contract
 - 5) Customer complaints and compliments.
 - 6) Any data protection issues.

NB – the intervals for these review meetings will vary depending on the complexity of the contract/commodity and the Total Value. As a rule of thumb, the review meetings for any contract with a high risk element or above the Public Procurement Threshold should be held at least quarterly and can be more frequent where performance or risk management are identified as an issue.

- e) For all agreements with a Total Value above the Public Procurement Threshold a report must go annually, via the Chief Executive, to the relevant Cabinet Member regarding:
 - i. Achievement of contractual objectives within the period
 - ii. Current contractual direction (eg continue, review or retender now)

6. OTHER PROCUREMENT PRINCIPLES

6.1. Prevention of corruption:

- a) Officers involved with procurement must comply with the Officers Code of Conduct and must not invite or accept any gift or reward in respect of the award or performance of any contract.
- b) It is the Officer's responsibility, if challenged, to prove that anything alleged to have been done or received was not done or received corruptly.
- c) High standards of conduct are obligatory, corrupt behaviour will lead to dismissal and is a crime under the Bribery Act 2010.

6.2. Declaration of interests:

- a) If it comes to the knowledge of a Member or Officer of the Council that a contract in which they have a pecuniary interest (an interest relating to money) has been, or is to be, entered into by the Council then they must immediately give written notice to the Monitoring Officer.
- b) Written notice is required irrespective of whether the pecuniary interest is direct (where they are a named party) or indirect (for example, where they or someone connected with them (such as their partner or relative) are a board member, employee, stakeholder or beneficial owner).
- c) The Monitoring Officer shall maintain records of all declaration of interests notified by Members and Officers in accordance with Rule 6.2.

- d) The Monitoring Officer shall ensure that the attention of all Members is drawn to the Members' Code of Conduct.

6.3. Collaborative Procurements:

- a) Collaborative procurement arrangements are typically those with another local authority, government team, statutory undertaker or public service purchaser/consortium, who can secure better terms from suppliers by purchasing separate services collectively.
- b) Collaborative procurements must follow the same applicable laws, including the Public Procurement Regulations, as all other procurement. They may also involve specific risks, such as potential liabilities for or caused by other authorities if the arrangement is not structured and documented (with, for example, several liability provisions) to manage such risks.
- c) Where another authority (or other identified public procurement body) is leading on a procurement exercise then it is accepted that this will be done under their contract standing orders.
- d) However, the Officer must first consult the Procurement Team, the Section 151 Officer and the Head of Legal and Democratic Services about the proposed arrangements.

6.4. External work:

- a) The Head of Legal and Democratic Services must be consulted where contracts to work for or provide any advice or other services or goods to an organisation outside of the Council are proposed.

6.5. Land and build contracts

- a) This type of agreement is encountered where (for example) a developer will only sell land which the Council wishes to purchase for development (such as for social housing) if the developer has the right to carry out the construction work for the Council.
- b) Such agreements are complex because opportunities to purchase land can be extremely time sensitive/restricted (where the opportunity to acquire a key site may be lost to third parties if the Council cannot quickly negotiate acceptable terms with the seller) and would not normally be subject to the Public Procurement Regulations, but agreements for public works contracts are subject to the Public Procurement Regulations and other legal restrictions will apply, such as those which are designed to prevent arrangements which distort or threaten to distort competition by favouring certain suppliers.
- c) Accordingly, Officers should consult the Procurement Team and the Head of Legal and Democratic Services about any potential land and build arrangements at the earliest opportunity and prepare to submit to them for consideration:
 - i. details of the circumstances, including proposed arrangements to advertise the Council's requirements for such sites or, if the Officer believes that only one particular site is suitable, full details explaining why no reasonable alternative or substitute exists based on objective criteria which do not artificially narrow down of the parameters of the procurement (NB in any event, contracts with a Total Value at or above the relevant Public Procurement Threshold would have to follow one of the permissible Public Procurement Procedures); and

- ii. at the appropriate stage, an independent open market valuation of the land to be acquired taking into account all conditions which would apply, including those which would operate to the seller's advantage (such as the right to carry out the construction work for the Council on specified cost/profit terms).

6.6. Line of business software systems

- a) A line of business software system is one which the Council considers:
 - i. is critical to normal business/service delivery; and
 - ii. would be costly and disruptive to replace with an alternative system.
- b) Where the Council procures a line of business software solution, there may be a disparity between the viable length of a contract (for example, five years) and the length of the useful life of that system (for example, 20 years). In a market where there is high probability of technological advances, changes in ways of working and changes in market direction, it cannot realistically be assumed that contracts can be negotiated to cover the potential useful life of the software.
- c) In general, where the Total Value of the original contract and all relevant renewals, new agreements, extensions and variations, including the proposed new agreement/variation, **may reach or exceed the applicable Public Procurement Threshold**, a new contract with the existing supplier may only be entered into (whether by variation/renewal of the original contract or entry into a new contract) without a Public Procurement Procedure or otherwise reopening the opportunity to competition:
 - i. in accordance with advice from the Procurement Team and Legal Services, based on the specific circumstances and the law at the relevant time;
 - ii. if the Head of ICT confirms that the relevant system is a line of business system and that any conditions advised by Legal Services (whether by reference to Rule 5.8 or otherwise) are satisfied; and
 - iii. with the approval of the Head of Legal and Democratic Services.
- d) In general, where the Total Value of the original contract and all relevant renewals, new agreements, extensions and variations, including the proposed new agreement/variation, is **less than the applicable Public Procurement Threshold**, a new contract with the existing supplier may only be entered into (whether by variation/renewal of the original contract or entry into a new contract) without a Public Procurement Procedure or otherwise reopening the opportunity to competition:
 - i. if the Head of ICT confirms that the relevant system is a line of business system; and
 - ii. the Officer's case for the better value for the Council in not opening the opportunity to competition (whether because the costs and disruption of moving to a new system would be prohibitive or otherwise) has been approved by the Procurement Team and the Head of Legal and Democratic Services.

6.7. Electronic Procurement:

- a) All procurement should be conducted electronically within the Council unless reasons can be provided to the Procurement Team as to how this would adversely affect a fair competitive process.

- b) The Procurement Team manage an Electronic Sourcing System for which access can be provided as required.

6.8. British and International Standards

- a) Where standards are to be used these must properly reflect the expected requirements or quality.
- b) When using British standards any comparable acceptable standard from the EU must be accepted in lieu of the British standard as long as it either meets or exceeds the standard requested.
- c) Where a standard from outside the EU is provided guidance should be sought from the Head of Legal and Democratic Services.

6.9. Financial status of/security from suppliers

- a) The Officer shall consult the Section 151 Officer as to the need for security (such as a Parent Company Guarantee) and whether it is appropriate to proceed with a proposed supplier with or without such security when:
 - i. the Total Value looks likely to exceed £500,000; or
 - ii. the award would be based on evaluation of the parent company of the proposed contracting party; or
 - iii. it is proposed to make advance payments before receiving the relevant goods, works or services; or
 - iv. there is a concern regarding the financial stability of the contracting party; or
 - v. the potential risks in the contract warrant it.
- b) The Officer must consult the Section 151 Officer as to the need for a Bond when:
 - i. the Total Value looks likely to exceed £1,000,000, or
 - ii. there are concerns about the stability of the contracting party and it is proposed to make advance payments before receiving the relevant goods works or services.

6.10. Supplier Lists

- a) Supplier lists should not be held or used by the Council except where these have been developed through usage of a dynamic purchasing system (or a similar Corporate Agreement) set up by the Procurement Team or other approved external purchasing body in accordance with the Public Procurement Regulations.

6.11. Exemptions to CPR

- a) Some of the provisions of these CPR are intended to correspond with general legal requirements, including the Public Procurement Regulations. Officers will need to liaise at an early stage with the Procurement Team (who will consult Legal Services as necessary) to assess whether a proposed course of action would be contrary to such legal requirements and ensure that the position is explained in any application for a waiver from these CPR.
- b) The Council and its Cabinet have power to waive any requirements within these CPR for specific projects. Officers should note that, if such a decision would constitute a Key Decision, the procedure for Key Decisions under the Constitution would also need to be followed.
- c) In exceptional circumstances, a Chief Officer also has the power, under scheme of delegation in the Constitution, to waive any requirements within these CPR, provided that:
 - i. the Total Value does not exceed the Public Procurement Threshold, or the Head of Legal and Democratic Services has been consulted and approves the

- proposed waiver by reference to the relevant provisions of the Public Procurement Regulations; and
- ii. the relevant Cabinet Member is consulted.
- d) The procedure for seeking an exemption from the CPR is as follows:
 - i. the exemption application form is to be obtained by the Officer from the Procurement Team, completed in draft by the Officer and sent to the Procurement team for review;
 - ii. the Procurement Team will liaise with the Officer to finalise the exemption application form and consult with the Head of Legal and Democratic Services;
 - iii. if the exemption is sought from the Council or its Cabinet, the exemption form will be produced with the relevant report to Council/Cabinet;
 - iv. if the Chief Officer grants an exemption under Rule 6.11(c), they will sign the application form, which is to be submitted to the Section 151 Officer for countersignature;
 - v. the Procurement Team must keep records of all exemptions and the reasons for them.
- e) The Section 151 Officer must monitor the use of all exemptions.

6.12. Pre-Tender Market Engagement

Officers may engage the market by consulting potential suppliers prior to any procurement providing:

- a) Any consultation with the market is not able to be viewed as prejudicial to any potential supplier or any subsequent procurement.
- b) That no individual supplier is given information that could be advantageous in creating a bid which is not made available to all suppliers so that no potential supplier is prejudiced.
- c) That they do not seek or accept assistance in preparing any invitation to bid from anyone with a commercial interest in the process, if this may prejudice the equal treatment of all potential suppliers or distort competition.
- d) They seek early advice from the Procurement Team.

6.13. Local suppliers

- a) When encouraging participation by local businesses in bidding for Council procurement opportunities, it will be important to guard against anything which has the effect of unlawfully subsidising a particular supplier, giving a particular supplier an improper advantage over other potential suppliers, or acting against competition law or other legal requirements.
- b) While Officers must keep this in mind, they will normally avoid such risks by ensuring that they treat suppliers evenly and equally, without discrimination, acting in a transparent manner, in accordance with the CPR.

6.14. Social Value

- a) The Public Services (Social Value) Act 2012 requires that all procurements consider social value in their design.
- b) The Council's own Social Value Policy requires that Social Value is maximised in any and all contracting or commissioning work.
- c) Therefore, unless agreed with the Procurement Team, all contracts should seek to include at least one of the 3 social value elements (social, environmental or economic), proportionate to the value of the contract.

- d) Offices should consult with the Procurement Team and/or the Communities Team if they require any assistance with developing social value initiatives.

7. CONTRACT REGISTER

7.1. Completing the Contract Register

- a) The Procurement Team shall be responsible for keeping the Contract Register for the Council.
- b) The Officer shall give notice of all contracts awarded to the Section 151 Officer and the Procurement Team as soon as practicable following signature and completion.
- c) Such notice is to include as a minimum:
 - i. The parties to the contract
 - ii. The subject of the contract
 - iii. The date of the contract (the date the contract has been signed by both parties and dated to enter into it)
 - iv. The term (duration) of the contract (when the contract begins and expires, or the delivery date, handover date or other date of completion)
 - v. Estimated Total Value of the contract
 - vi. The authority relied on to enter into the contract (Cabinet, Key Decision, Chief Officer Decision, etc)
 - vii. The name of the Chief Officer and the designated Contract Manager responsible for the contract
 - viii. Other details as may be required by External Audit or Central Government.
- d) A current template of all fields required is available from the Procurement Team.
- e) The Procurement Team will update the corporate Contract Register.

7.2. Contract Safekeeping

- a) A copy of all contracts, (including the information required by Rule 7.1 for the contracts register and a copy of the risk assessment completed in accordance with Rule 4.1) must be forwarded to the Procurement Team.
- b) The original executed and completed copy of any contract over the Public Procurement Threshold and any other contract which involves higher than usual risks for the Council must be passed to the Head of Legal and Democratic Services for safe keeping.
- c) Officers are responsible for keeping a copy of all contracts for ready reference and contract management by their Department.
- d) The contracts and associated documentation must normally be retained for a minimum of 6 years after the expiration of the contract, and longer if there are associated liabilities that extend beyond this. For example, contracts executed as a deed should be retained for a minimum of 12 years.
- e) Unsuccessful bids and associated documentation should normally be kept for 6 years from award of contract.
- f) Officers should consult Legal Services if they need any guidance as to how long to retain any original or copy contract documents.

8. DEFINITIONS

Please refer to the Glossary of Terms at the end of the constitution.

Officer Employment Procedure Rules

1. Recruitment and Appointment

1.1 Declarations

- (a) The Council will draw up a statement requiring any candidate for appointment as an Officer to state in writing whether they are the parent, grandparent, husband, wife, partner, child, stepchild, adopted child, grandchild, brother, sister, uncle, aunt, nephew or niece of an existing Councillor or Officer of the Council; or of the spouse or partner of such persons.
- (b) No candidate so related to a Councillor or an Officer will be appointed without the authority of the relevant senior Officer or an Officer nominated by them.

1.2 Seeking Support for Appointment

- and it is the duty of those persons to attend if so required.
- 9.2 Where any Member or Officer is required to attend under this provision, the Chairman of the Committee will inform the Proper Officer. The Proper Officer shall inform the Member or Officer in writing giving at least 5 working days notice of the meeting at which they is required to attend. The notice will state the nature of the item on which they is required to attend and whether any papers are required to be produced for the Committee.
- 9.3 Where, in exceptional circumstances, the Member or Officer is unable to attend on the required date, then the Committee shall in consultation with the Member or Officer arrange an alternative date for attendance to take place, within a maximum of fourteen days from the date of the original request.
- 9.4 In this situation the meetings are to be conducted in accordance with the following principles:
- (i) the investigation shall be conducted fairly and all Members of the Committee shall be given the opportunity to ask questions of attendees, and to contribute and speak
 - (ii) those assisting the Committee by giving evidence shall be treated with respect and courtesy
 - (iii) the investigation shall be conducted so as to maximise the efficiency of the investigation or analysis
 - (ii) any Chief Officer, shall be entitled to accompany a member(s) of their staff to a meeting where they are giving evidence.
- 9.5 The Scrutiny Committee may invite people other than those people referred to above to address it, discuss issues of local concern and/or answer questions. It may wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and shall invite such people to attend.

10. RIGHTS OF & SCRUTINY COMMITTEE MEMBERS TO DOCUMENTS

- 10.1 In addition to their rights as Councillors, Members of the Scrutiny Committee have the additional rights to documents, and to notice of meetings as set out in the [Access to Information Procedure Rules](#) in this Constitution.
- 10.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Scrutiny Committee as appropriate depending on the particular matter under consideration.

11. CALL-IN

- 11.1 When a decision is made by the Cabinet, a committee of the Cabinet, an individual Cabinet Member exercising delegated powers, under joint arrangements, or a Key Decision is made by an Officer, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 working days of being made (this being 'the date of publication' for the purposes of paragraphs 11.3 and 11.4 below).

- 11.2 All Members of the Scrutiny Committee will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.
- 11.3 That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the date of publication of the decision, unless it is 'called in' by the Scrutiny Committee.
- 11.4 Within five working days of the date of publication of a decision any two (2) Members of the Scrutiny Committee or any five (5) Members of the Council may 'call-in' the matter for review of the decision by the Scrutiny Committee.
- 11.5 On receipt of a 'call-in' request, the Chairman of the Scrutiny Committee will determine the most appropriate arrangements for consideration of the matter. The relevant Cabinet Member(s), all the signatories to the 'call-in', the relevant Strategic Director(s), Head(s) of Service and report author of the 'call-in' will immediately be notified of the 'call-in' arrangements. All action to implement the decision which is the subject of the 'call-in' shall be suspended.
- 11.8 Following the meeting of the Scrutiny Committee to consider the call-in, all Members of the Council, relevant Officers and stakeholder will be notified as soon as possible of the outcome of the meeting (including any recommendations from the Committee).
- 11.9 Having considered the 'call in' the Scrutiny Committee may refer the decision back to the Cabinet for reconsideration, setting out in writing the nature of its concerns.
- 11.10 If so referred the Cabinet shall then reconsider the decision within 10 working days, amending the decision or not, before proposing a final decision. The Chairman or any other Member of the Scrutiny Committee shall be entitled to attend the Cabinet meeting and speak to the matter, but not vote.
- 11.11 If the Cabinet's proposed final decision is consistent with the views of the Scrutiny Committee then that decision, once taken, is released for immediate implementation and cannot be subject to further 'call-in'.
- 11.12 If the Cabinet is unable to agree in whole or in part with the conclusions of any recommendations of the Scrutiny Committee, the original Scrutiny report and the Cabinet report shall stand referred to the next available meeting of the Council for further consideration and decision. In reaching a decision the Council shall pay careful regard to the extent to which in whole or in part the proposed decision accords with the Council's existing budgetary and/or Policy Framework. The decision of the Council shall be final.

12. CALL-IN AND URGENCY

- 12.1 The call-in procedure set out above shall not apply where the decision being taken by the Cabinet is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public interest. The record of the decision, and notice by which it is made public, shall state whether, in the opinion of the decision-making person or body, the decision is an urgent one, and therefore not subject to call-in. The Chairman of the Council must agree both

that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Chairman, the Vice-Chairman's consent shall be required. In the absence of both, the Head of Paid Service or their nominee's consent shall be required.

- 12.2 Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency. (This procedure shall not prevent the principle of the decision being subject to review even though, because of urgency it may have been implemented.)
- 12.3 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

13. THE PARTY WHIP IN RELATION TO THE SCRUTINY COMMITTEE

- 13.1 For the purposes of this section, the phrase 'party whip' means 'any instruction given by or on behalf of a political group to any Councillor who is a Member of that group as to how that Councillor should speak or vote on any matter before the Council or any committee or sub-committee, or the application or threat to apply any sanction by the Group in respect of that Councillor should they speak or vote in a particular manner.
- 13.2 The Council will adopt the convention that there will be no application of any party whip on any Member of the Scrutiny Committee when sitting on this Committee.

Part 4 – CODES AND PROTOCOLS

Monitoring Officer Protocol

1. The Monitoring Officer shall discharge their responsibilities with determination and a manner which will enhance the reputation of the Council. In general terms their ability to discharge these duties depends on excellent working relations with colleagues and Members but also the flow of information and access to debate particularly at early stages.

- (q) The Monitoring Officer will appoint a deputy and keep them briefed on emerging issues. The Deputy will act in place of the Monitoring Officer if the Monitoring Officer is absent or unable to act due to conflict or other relevant issues.
- (r) The Monitoring Officer shall endeavour to ensure good communication with clerks to town and parish councils.

3. DEFINITIONS

For the purpose of this protocol a "Senior Officer" is a member of the Strategic Management Team or Head of Service.

Protocol for Member/Officer Relations

1 Introduction

Scope and Purpose

- 1.1 This protocol provides guidance to Members and Officers about how they should interact with each other and outlines some of the appropriate conventions in place within the Council. It cannot cover every eventuality and is not intended to be prescriptive but offers guidance on some issues which commonly arise.
- 1.2 This protocol needs to be considered alongside the Codes of Conduct for Members and Officers. The aim of those codes is to enhance and maintain the integrity of local government with very high standards of personal conduct.

Key Points

- 1.3 The following key points underpin the Member/Officer working relationship:
 - (a) Working relations between Members and Officers must be based on mutual trust and respect.
 - (b) Officers must always remain politically neutral and must not offer advice of a political nature.
 - (c) Officers have a duty to support all Members and provide them with the level of information they need to carry out their roles.
 - (d) Officers will keep discussions with political groups and individual Members confidential unless the group or Member gives permission to discuss the matter with others.
 - (e) Ward Members will be kept informed of relevant matters within their ward and are normally invited to attend public meetings organised by the Council in their ward.
 - (f) Members have a right to access the information which they "need to know" to carry out their duties and responsibilities as a Member.
 - (g) Members must understand and respect the competing pressures and workloads on Officers' time.

2 Definition of the Role of Members and Officers Introduction

- 2.1 Members and Officers are servants of the public. Members are responsible to the electorate and serve only so long as their term of office lasts.
- 2.2 For the effective conduct of Council business, there should be mutual respect and courtesy in all meetings and contacts (both formal and informal) between Members and Officers.
- 2.3 Any behaviour which could be viewed as conferring an advantage or disadvantage should be avoided, as should close personal familiarity between Members and Officers, which could undermine public confidence in the Council.

Members

- 2.4 Members are accountable to and serve the electorate of East Suffolk who determine, every four years, the people they wish to represent them on the Council.
- 2.5 Members, as politicians, may express the values and aspirations of their party political groups but they must recognise that in their role as Members they have a duty to always act in the public interest.

- 2.6 Members may have several roles within the Council and on external bodies or organisations and need to be alert to the possible conflicts of interest that may arise. Members should always be aware that the role they are performing may impact upon the nature of their relationship with Officers and the expectations that Officers may have of them.
- 2.7 Members are mainly responsible for:
- (a) the political direction and leadership of the Council
 - (b) determining policies, plans and strategies
 - (c) implementing those policies, plans and strategies
 - (d) discharging the Council's regulatory functions
 - (e) monitoring and reviewing, primarily through the Cabinet and Scrutiny functions, the Council's performance in implementing its policies, plans and strategies and delivering its services
 - (f) participating in partnership working
 - (g) representing the Council on national regional and local bodies and organisations
 - (h) representing the views of their communities and individual constituents
- 2.8 Some Members will have additional responsibilities relating to their Membership (and/or Chairmanship) of the Cabinet, Scrutiny Committees/Panels or other committees and subcommittees. These roles may require different relationships with certain Officers.
- 2.9 Officers can expect Members:
- (a) to act within the policies, practices, processes and conventions established by the Council
 - (b) to work constructively in partnership with Officers acknowledging their separate and distinct roles and responsibilities
 - (c) to understand and support the respective roles and responsibilities of Officers and their workloads, pressures, scope of powers and management structures
 - (d) to give political leadership and direction and to seek to further the Council's agreed policies and objectives with the understanding that, subject to the Scheme of Delegation to Officers and the Council's core objectives in decision making, Members have the right to take the final decision on issues
 - (e) to consider the advice given by Officers
 - (f) to treat them fairly and with respect, dignity and courtesy
 - (g) to act with integrity, give support and respect appropriate confidentiality
 - (h) to recognise that Officers work to the instructions of their senior Officers and not to individual Members;
 - (i) not to subject them to intimidation, harassment, or put them under undue pressure
 - (j) have regard to the seniority of Officers in determining what are reasonable requests, taking in to account the relationship between the Member and Officer, and the potential vulnerability of Officers, particularly at junior levels
 - (k) not to knowingly request them to exercise discretion which involves acting outside the Council's policies and procedures
 - (l) not to authorise, initiate, or certify any financial transactions or to enter into any contract, agreement or undertaking on behalf of the Council or in their role as a Member without proper and lawful authority
 - (m) not to use their position or relationship with Officers to advance their personal interest or those of others or to influence decisions improperly

- (n) to always comply with the Members' Code of Conduct, the law, the Constitution and other policies, procedures, protocols and conventions agreed by the Council
- (o) Not to criticize staff or specific Officers publicly, whilst recognizing that Members may wish publicly to criticize the activities of the Council or specific decisions of the Council.
- (p) To avoid inappropriate involvement in day to day managerial and operational decisions which are matters for Officers (see paragraph 2.12).

Officers

- 2.10 Officers are employed by and are responsible to the Council. Their job is to give advice to Members and the Council and to carry out the Council's work under the direction and control of the Council, its Cabinet, Committees and Sub-Committees.
- 2.11 The primary role of Officers is to advise, inform and support all Members and to implement the lawfully agreed policies of the Council.
- 2.12 Officers are responsible for day to day managerial and operational decisions within the Council.
- 2.13 In performing their role Officers will act professionally, impartially and with political neutrality. Whilst Officers will report a Member's view on an issue, the Officer should not be influenced or pressured to make comments, or recommendations which are contrary to his professional judgement or views.
- 2.14 Officers should:
 - (a) work in partnership with Members in an impartial and professional manner
 - (b) implement decisions of the Council and its subordinate bodies which are lawful, have been properly approved in accordance with the requirements of the law and the Constitution, and are duly recorded
 - (c) assist and advise all parts of the Council. Officers must always act to the best of their abilities in the best interests of the Council as expressed in the Council's formal decisions
 - (d) respond to enquiries and complaints in accordance with the Council's standards
 - (e) be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Members, the media or other sections of the public
 - (f) always to act with integrity, honesty, respect, dignity and courtesy
 - (g) provide support and learning and development opportunities for Members to help them in performing their various roles
 - (h) not use their relationship with Members to advance their personal interests or to influence decisions improperly
 - (i) always comply, with the Officer Code of Conduct, and such other policies or procedures approved by the Council
 - (j) not publicly criticize any Member of the Council, the Council itself, or its decisions.
- 2.15 Officers do not have to support Members in any role other than that of Member and will not engage in actions incompatible with this protocol. Officers cannot get involved in political activities.

3 Officer Advice to Party Groups

- 3.1 Officers cannot be instructed to attend party political group meetings or write reports for such meetings. Any requests for advice or attendance shall be directed

through the Group Leaders or Chairmen for the relevant Committee or the Cabinet Member concerned.

- 3.2 The request shall be made to the Chief Executive or relevant Strategic Director, or in their absence to the next appropriate Officer. An Officer accepting an invitation to one group or individual will not decline an invitation to advise another group or individual on the same subject. Any request received and advice given shall be the subject of strict confidentiality, unless agreed otherwise.

4 Briefings for Cabinet and Committees

- 4.1 The principles outlined above do not obviate the necessity for regular contact on matters affecting the Council between Senior Officers and the leaders of political groups, or on matters affecting Cabinet Members' responsibilities or those of committee Chairmen.
- 4.2 It is recognised that groups may wish to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision making body. Political groups may at their own discretion decide to engage jointly in such deliberations. Officers may be called upon to support and contribute to such deliberations, provided they maintain a stance of political neutrality.
- 4.3 Support includes briefings for the Cabinet and committees, and briefings for Members related to their individual role, e.g. Cabinet Member or Scrutiny Chairman. Officers should be asked to give advice on Council business only, and not on matters which are of a party-political nature. Support and advice on Council business is available to all political groups.
- 4.4 Usually, only the Chief Executive, Strategic Directors, Heads of Service or Managers may be asked to provide the support outlined in paragraphs 3 and 4. Requests for attendance should be made in sufficient time to allow proper preparation.
- 4.5 Due consideration will be given to the timing of meetings to avoid onerous demands being made on Officers. The time spent advising a group or individual will be reasonable, given the demands on the time of all concerned.

5 Support Services for Members

- 5.1 The role of Officers is to assist Members in discharging their role as Members of the Council. Officers must not be used in connection with party political campaigning or for private purposes. Council resources (e.g. Member services, stationery, photocopying) may only be used for Council business or where such use is conducive or incidental to that role.

6 Members' Access to Information

- 6.1 All political groups are equally entitled to request copies of background information underpinning decisions including essential financial information. All such requests and the replies shall remain confidential to that Party, although Parties may at their discretion choose to share that information between Political Groups.
- 6.2 Members are reminded of the need to consider whether such information is likely to fall within the categories of Confidential or Exempt Information (as defined in this Constitution) and to treat it accordingly. Release of information to Members will be subject to the laws on confidentiality and disclosure of information and the Code of Conduct.

- 6.3 The common law right of Members is based on the principle that any Member has a right to inspect Council documents so far as their access to the documents is reasonably necessary to enable them to properly perform their duties as a Member of the Council. This is referred to as the "need to know" principle.
- 6.4 The exercise of this common law right depends upon the Member's ability to demonstrate that they have the necessary "need to know". A Member has no right to a "roving commission" to go and examine documents of the Council.
- 6.5 The question must initially be determined by the Chief Officer whose team holds the documents in question, with advice from the Head of Legal and Democratic Services. If the Chief Officer refuses to supply the information requested by the Member, the Member may refer the matter to the Monitoring Officer who will review the decision.
- 6.6 In some circumstances (e.g. a committee Member wishing to inspect documents relating to the functions of that committee), a Member's need to know will normally be presumed. In other circumstances (e.g. a Member wishing to inspect documents which contain personal information about third parties), a Member will normally be expected to justify the request in specific terms and may be required to do so in writing.
- 6.7 Draft Council, Cabinet, committee or sub-committee reports and working papers will be considered as work in progress and so may not be requested under these rules.

7 Reports

- 7.1 The Chief Executive, Strategic Directors and Heads of Service may initiate reports on any matter where they believe the Council, Cabinet, committee or sub-committee should make a decision or should be informed.
- 7.2 Where such a report affects another service, the appropriate Strategic Director and Head of Service must be consulted. The appropriate Cabinet Member shall be consulted prior to the publication of a Cabinet report which concerns their Portfolio. Reports shall communicate all relevant information and professional opinions, together with appropriate recommendations. The Cabinet Member may make suggestions as to the content and timing of the report.

8 Scrutiny Committee

- 8.1 Scrutiny Committee may require Senior Officers and Members to attend and provide any information required to answer questions (other than those which they would be entitled to refuse to answer in a court of law). Detailed provisions are contained within the Scrutiny Procedure Rules.

9 Ward Members

- 9.1 It is recognised that because of the workload of both Members and Officers, it is impractical for Ward Members to be advised of everything that is happening within the Council which affects their ward. However, the Ward Members (and, where appropriate, neighbouring Ward Members) should be kept informed and consulted on significant matters affecting their Ward (other than planning applications which can be accessed via the Planning Portal). Officers will need to exercise their judgement in deciding which matters are "significant" in this context. In exercising this judgement, Officers will take into account the significance, publicity value or

contentiousness of the issues. Where matters contained in reports to the Cabinet or a committee or sub-committee are considered to be of particular relevance to a single ward or identifiable group of wards, those wards will be identified in the report. In the case of public meetings in a particular locality, Ward Members will normally be invited to attend and can expect to be consulted on any form of consultation exercise on local issues.

- 9.2 So far as decision making is concerned, Members remain accountable to the whole electorate of the District and must make decisions on matters which come before them which balance the interests of the electorate as a whole.

10 Correspondence

- 10.1 Where an Officer copies correspondence addressed from one Member to another, it should be made clear to the originator and should not be sent to any Member of another group without the originator's consent.
- 10.2 Members' correspondence with Chief Officers should not be copied to Cabinet Members or Scrutiny Committee Chairmen unless the originating Member consents.
- 10.3 Official letters from the Council should normally be sent out in the name of the appropriate Officer, rather than a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) to address correspondence in the name of the Member, but this is the exception rather than the rule. Letters which create obligations or give instructions must not be sent out in the name of a Member.
- 10.4 Any Members who receive correspondence in their capacity as Cabinet Members shall respond to the correspondence in their official capacity only. Such correspondence shall be copied to the Leader of the Council except when doing so would constitute a breach of professional confidence.

11 Media Management

- 11.1 All press releases will be written by the Council's Communications Team and should be approved by the relevant Cabinet Member or by the chairman and vice-chairman of the appropriate committee / sub-committee before issue. If the relevant Cabinet Member is not available, the Leader or Deputy Leader of the Council should be consulted. If neither the chairman nor vice-chairman of a committee is available, a representative of his / her group, nominated by the Leader or Deputy Leader of the group, should be consulted.
- 11.2 All local government publicity material must comply with the Local Government Act 1986 and the Code of Recommended Practice on Local Authority Publicity. The Communications Team should be contacted with any queries in this respect. Specific guidelines in the Code apply to election period and particular care must be taken at this time.
- 11.3 Approaches for information from the press which relate exclusively to matters of fact should be dealt with by the Council's Communications Team. Where approaches from the media relate to political matters or political controversy, the media should be directed, in seeking comments, to the Leader of the Council or relevant Cabinet Member (in relation to executive functions) and to the chairman of the relevant committee or, if they are not available, the vice-chairman (in the case of Scrutiny, and regulatory committees). It is recognised that the Communications Team will

have to exercise their judgement in assessing whether a matter is or is likely to be the subject of political controversy.

- 11.4 Council publicity should not be used to publicise individual Members, except where they are acting to represent the Council as a whole

12 Ceremonial Events

- 12.1 Ceremonial events would normally be attended by the Chairman or Vice-Chairman of the Council, unless they relate specifically to initiatives led by the Cabinet or a particular committee, in which case the Cabinet Member, Chairman or Deputy Chairman of that Committee would attend.
- 12.2 In addition, local Members should be informed and, where possible and appropriate, invited to participate.

13 Inspection of lands, premises, etc.

- 13.1 A Member shall not, unless authorised to do so by the Council or the relevant committee or the head of the relevant department, inspect any lands, premises, or works which the Council have a right or duty to inspect.
- 13.2 A Member shall not issue any order with regard to any matter under the jurisdiction of the Council or as regards any works which are being carried out by or on behalf of the Council or give any instructions to any employee of the Council.

14 Complaints

- 14.1 Where a Member's conduct is considered inappropriate, contact should be made in the first instance with the Chief Executive or Monitoring Officer.
- 14.2 If it is a matter of party discipline, then the matter will be investigated by the party itself, otherwise such matters will be investigated by the Chief Executive or Monitoring Officer or a person duly authorised by them. In serious cases, or case where it appears that a Member may have breached the Code of Conduct, a written complaint may be made to the Monitoring Officer.
- 14.3 A written complaint about the conduct of a Member of this Council (or about a Member of one of the Town or Parish Councils of the district) may be made to the Monitoring Officer [using the form on the Council's website](#);
- 14.4 Whilst this Protocol gives guidance only to Members on the most frequently encountered issues, a breach of the guidance may be regarded as bringing the Protocol and the Council into disrepute
- 14.5 For the purposes of the Protocol, a Chief Officer includes the Chief Executive, Strategic Directors and Head of Service.
- 14.6 Matters relating to Officer conduct will be dealt with solely by the Head of Paid Service and or their nominated Officer.

Officer Code of Conduct

1 Introduction

- 1.1 The public is entitled to demand and expect that local government employees will conduct themselves at the highest standard and with complete integrity. Officers are expected to demonstrate political neutrality when dealing with members of the public or elected Councillors.
- 1.2 This code has been drawn up to help employees of the Council to understand what is expected of them. Observance of this code will help to maintain and improve standards and protect employees from misunderstanding or criticism.
- 1.3 The code is based on a model produced, after consultation, by the local authority associations and the former Local Government Management Board. A copy of this code is made available to every employee of the Council.
- 1.4 Clearly, some provisions will be more relevant to individuals than others - and will depend on an employee's particular job. If Officers require further advice, assistance or clarification of any information contained within this code, please refer to your manager, or contact the HR team or the Monitoring Officer.
- 1.5 The code recognises the challenges that Officers face in an increasingly commercially orientated environment (e.g. local authority companies, trusts, joint partnership ventures etc.). There has always been a demand for transparency in local government and so ensuring that all Officers are aware of, and adhere to, this code helps to maintain and promote high standards of conduct.

2 Standards

- 2.1 Officers are expected to give the highest possible standard of service to the public and, where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.
- 2.2 Officers will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of the appropriate level of management any concerns that they have about the provision of services.
- 2.3 Officers should report to their manager any improper action or breach of procedure. Please see the Whistle Blowing Policy for assistance on how to raise matters which are of concern.

3 Disclosure of information

- 3.1 A great deal of information is now available to the public and most reports produced for Councillors are in the public domain unless there are good reasons for keeping them confidential.
- 3.2 The Council also has to comply with the Freedom of Information Act 2000 (FOI) and the Environmental Information Regulations 2004(EIR). However, Officers must take care not to disclose confidential information and should seek guidance from their manager if in doubt about any item. FOI/EIR requests are co-ordinated by the Customer Service Team, although service teams will be expected to provide information to enable the requests to be responded to.
- 3.3 **Officers** should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way. Any particular information received by an employee from

a Councillor which is personal to that Councillor and does not belong to the Council should not be disclosed by the employee without the prior approval of that Councillor, except where such disclosure is required or sanctioned by the law.

3.4 The General Data Protection Regulation (GDPR) has six key principles:

- Lawfulness, fairness and transparency
- Purpose limitation
- Data minimization
- Accuracy
- Storage limitation
- Integrity and confidentiality (security)

3.5 Further details of the 6 principles are included at Appendix A to this document. Information about the GDPR can be found on the Council's intranet (FRED).

4 Political neutrality

4.1 Officers serve the Council as a whole and may be required to advise political groups. In doing so they must not compromise their own political neutrality and must serve all groups equally. The individual rights of all Councillors must be respected.

4.2 Officers are, of course, entitled to maintain their own political views but must not allow these views to impact on the work they do. In some cases posts will be "politically restricted".

4.3 The Council is required to maintain a list of posts that are subject to restriction on political activity and this list is available from the HR team.

5 Conduct of staff in pre-election period

5.1 Prior to any election there will be a "pre-election period" (PEP) which is notified to all Officers of the Council.

5.2 There is a need for employees to be on their guard against political partiality in PEPs. In this connection political slogans should not be displayed as part of Officers' official duties.

6 Relationships

6.1 No special favour may be shown to friends, partners, and relatives or to current or former employees. Officers must disclose to their manager all personal relationships, whether of a business or private nature, which might have the potential to bring about a conflict of interest between their work and those with whom they have a personal relationship.

6.2 Examples of personal relationships which may give rise to conflicts of interest in the workplace include:

- a family relationship;
- a business/commercial/financial relationship;
- a close personal friendship;

However, personal relationships are not restricted to these examples and if Officers are concerned about a potential conflict of interest, they should discuss this with their manager.

7 Councillors

7.1 Officers are responsible to the Council through the corporate management team

(CMT). For some, their role is to give advice to Councillors and senior managers and all are there to carry out the Council's work. Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other Officers and Councillors and should, wherever reasonable and possible, be avoided.

8 The local communities and service users

- 8.1 Officers should always remember their responsibilities to the communities they serve and ensure courteous, efficient and impartial service delivery to all within those communities, as set out in the policies of the Council. The Council has published customer access standards and all Officers are expected to meet these objectives as a minimum when dealing with local communities and service users.

9 Contractors

- 9.1 All relationships of a business or private nature with external contractors, potential contractors, agency staff, consultants or co-opted Members should be made known, in writing, to your manager. Orders and contracts must be awarded on merit, by fair competition against other tenders, and no special favours should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.
- 9.2 Officers who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, must declare that relationship in writing to their manager.

10 Appointments and other employment matters

- 10.1 Officers involved in appointments should ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant or have a close personal relationship outside work with them.
- 10.2 Similarly, Officers should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner etc. or with whom they have (or have had) a personal relationship.
- 10.3 The Council has detailed procedures for managing staff which must be followed in all cases relating to supervision or recruitment. These are available on the Council's intranet. The HR team is available to offer assistance and advice on such matters.

11 Criminal Convictions

- 11.1 If an Officer receives any type of criminal conviction (including driving offences that lead to points on licences) during the course of their employment with the Council, it is their duty to disclose the matter to their manager. The manager, in liaison with the HR Team, will make a decision as to whether this impacts on their employment. Failure to disclose a criminal conviction may lead to disciplinary action being taken against the employee.

12 Outside commitments

- 12.1 Some Officers have conditions of service which require them to obtain written consent to take on any other outside employment. All employees should be clear about their contractual obligations and should not take outside employment which conflicts with the Council's interests, and/or which has not been the subject of written consent. Please speak with your manager or HR about any other employment activity and before you make any decisions on the matter.
- 12.2 An Officer's off-duty hours are their personal concern but there needs to be realisation that some actions could impact upon the authority. Employees should not subordinate their work duty to private interests and put themselves in a position where duty and private interests conflict.
- 12.3 The Council will not preclude Officers from undertaking additional employment, but any such employment must not, in the view of the Council, conflict with or react detrimentally to the Council's interests, or in any way weaken public confidence in the conduct of its business.
- 12.4 Officers above Scale Point 29 shall devote their whole-time service to the work of the Council and shall not engage in any other business or take up any other additional appointment without the express consent of the Council.

13 Intellectual Property

- 13.1 This is a generic term that includes inventions, creative writings and drawings. If these are created by an Officer during the course of their employment then, as a general rule, they belong to the employer. Inventions are the property of the employer if:
- They have been made in the course of the employee's normal duties; or
 - They have been made in the course of duties specifically assigned to the employee and where invention might be reasonably expected; or
 - They have been made in the course of the employee's duties and at the time the employee had a special obligation to further the interests of the employers (because of the nature of their duties and particular responsibilities arising from them).

14 Personal interests

- 14.1 The Council is responsible for spending public money and must therefore ensure that everything is seen to be done in an impartial and transparent way. The system outlined below is designed to protect both Officers and the Council from any false accusation of bias or corruption.
- 14.2 Officers are required to declare an interest if they are involved in anything outside of work which could lead to a situation where they might reasonably be influenced to make a decision or to take an action at work which is not in the Council's best interests, or which shows favouritism to a certain person or body.
- (a) Non-financial interests
- Officers must declare to their manager any non-financial interests that they have, such as directorships of companies, trusteeships, governorships, voluntary roles (e.g. secretary, treasurer, coach) or positions of management or control in other

organisations (e.g. clubs, societies, associations, charities), or any family connections with other businesses or organisations that may do business with the Council.

Such declarations should be made annually on the declaration of interests form which can be found on the Council's intranet, including a "nil" return.

(b) Financial interests

Officers must declare to their manager any financial interests which they have such as directorships, trusteeships, partnerships, or family connections with other businesses or organisations that may do business with the Council and from which they gain income or other material benefit.

Such declarations should be made annually on the declaration of interests form which can be found on the Council's intranet, including a "nil" return.

(c) Membership of organisations not open to the public

Officers should declare to their manager membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct (e.g. Freemasons, some friendly societies etc.).

The form should be completed as soon as possible after an Officer realises that they have an interest and no later than 28 days after they become aware of it. Failure to disclose such interests may lead to disciplinary action being taken against the Officer. If an Officer has no interests to declare, they are required to submit a "Nil" return on an annual basis.

15 Equality issues

- 15.1 All Officers should ensure that policies relating to equality issues as agreed by the Council are complied with in addition to the requirements of the law. All members of the local community, customers, job applicants and employees have a right to be treated with fairness and equity. In particular, employees must comply with all of the Council's policies, practices and procedures relating to the Equalities Act 2010.
- 15.2 In situations such as the requirement to give an interview under caution an Officer should not be treated any less favourably than a member of the public in a similar situation.

16 Separation of roles during tendering

- 16.1 Officers involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. All Officers who have both a client and contractor responsibility must be aware of the need for accountability and openness.
- 16.2 Officers in contractor or client units must exercise and display fairness and impartiality when dealing with all customers, suppliers, tenderers, other contractors and sub-contractors.
- 16.3 Officers who are privy to confidential information on tenders or costs for either internal or external contractors must not disclose that information to any party or organisation which is not entitled to it.
- 16.4 Officers who may be contemplating a management buyout or may be considering tendering for any work usually delivered by the Council should, as soon as they have

formed a definite intent, inform their manager and withdraw from the contract awarding processes.

- 16.5 Officers should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.
- 16.6 Officers must fully comply with the Council's Procedure Rules, Financial Procedure Rules and Contract Procedure Rules.
- 16.7 The rules around these areas are designed to protect the employee as much as the Council.

17 Corruption

- 17.1 Corruption would include receiving or giving any payment, gift (other than a gift of a nominal value), hospitality, or any other benefit from any person or organisation who a member of staff deals with in their work, irrespective of what it is in respect of, including tips, and payment for additional 'private work'. It is also irrelevant whether any benefits are directly to an Officer or to the Officer's family or friends.
- 17.2 Any case of suspected corruption will be fully investigated and any proven cases will be treated as gross misconduct and criminal prosecutions undertaken.

18 Use of financial resources

- 18.1 Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

19 Hospitality, gifts and sponsorship

- 19.1 Not all offers of gifts and hospitality to Officers of the Council will be made in good faith, for example suppliers may be trying to influence the award of contracts. To protect both Officers and the Council from any accusations of favouritism, all offers need to be considered carefully and decisions recorded.

National Guidance

- (a) The NJC for Local Government Services states at 2.1 on official conduct employees will maintain conduct of the highest standard such that public confidence in their integrity is sustained.
- (b) There will be occasions when Officers are unsure whether they should accept gifts or offers of hospitality from clients or contractors. The following notes are intended to help staff make the right decision.
- (c) Officers must be aware that the offering and acceptance of gifts could result in criminal proceedings (under the Bribery Act 2010). It is obviously wrong for an Officer to accept inducements for personal gain in exchange for treating a client or contractor favourably. On the other hand, it would be churlish to refuse minor items which are of only nominal value.

Gifts

- (a) Officers should refuse gifts made to them personally, or to a family member, by a person or organisation which has, or seeks, dealings with the authority. Excepted from this rule are minor promotional gifts distributed to a wide range of people and not uniquely to one Officer (e.g. pens, calendars, diaries etc. given

usually at Christmas time for use in the office) of up to £10 in value, or gifts given in thanks for good service, such as a box of chocolates, plant or flowers up to the value of £10. All gifts above this value should be refused. Where it is felt that this will cause embarrassment, Officers should explain to the donor that they are not able to accept such gifts, and thank the donor for their kindness, nonetheless. If received by post, Officers should return the gift to the donor with a polite email making it clear that no individual has gained personal advantage from the gift.

(b) If you are in any doubt you should seek advice from your manager.

Hospitality

Invitations to lunch or some other function from a person or organisation which has or is seeking dealings with the Council must be treated with care. A modest working lunch to discuss business or attendance at a reception or promotion which is proportionate and not extravagant, and which has been approved by an Officer's manager is acceptable.

Examples of offers which must be refused include:

- an overnight stay at a hotel
- holidays or hotel accommodation
- theatre tickets
- membership of clubs
- regular or frequent acceptance of corporate hospitality, particularly from the same source
- hospitality in the immediate period before tenders are invited or during the tender process
- hospitality unconnected to work, even if the hospitality is taken in the Officer's own time
- hospitality which the Officer or their manager thinks is lavish, extravagant or excessive, even if the hospitality is taken in the Officer's own time

If Officers are aware that hospitality will be offered at a meeting or event, they should discuss it with their manager beforehand, and if approved, make the necessary declaration prior to attending. Otherwise, all offers of hospitality should be declared as soon as possible after the event.

If Officers are in any doubt, they should seek advice and approval from their manager.

20 Register

20.1 All offers of gifts and / or hospitality must be recorded on a form which can be found on the Council's intranet. The form requires that the date of any offers of gifts/hospitality must be included, together with the financial value of it, and the name of the donor. Also, the reasons for acceptance of any gift or hospitality must be included on the form. The form must be approved by an Officer's manager and in the case of the Chief Executive Officer, by the Monitoring Officer.

21 Public Meetings

21.1 Invitations to attend public meetings in an official capacity should only be accepted where attendance by an Officer is considered appropriate by the Strategic Director

or Head of Service. However, attendance should be restricted to meetings which are:

- clearly not part of any party political activity
- manifestly open to all

22 Breach of this Code of Conduct

22.1 Breach of this Code may amount lead to disciplinary proceedings being brought against the Officer concerned.

Until otherwise amended or replaced by a decision of the Council, the Suffolk Local Code of Conduct set out below shall hereafter apply to all elected Members and any co-opted Members entitled to vote on any decisions of the council or its committees, sub committees or joint committees when acting in their capacity as a Member of the Council.

Preamble

The Suffolk Local Code of Conduct shall be interpreted in accordance with the following 7 principles of public life identified by the Committee on Standards in Public Life chaired by Lord Nolan:

Selflessness - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Code of Good Practice/Guidance for Members - Planning and Rights of Way

1 INTRODUCTION

- 1.1 Planning applications, the allocation of sites within the Development Plan and the way in which they are decided is subject to a great deal of public and media interest. Planning decisions affect the daily lives of everyone and the private lives of individuals, landowners and developers, and therefore on many occasions will be contentious. Because of this it is important that the system of making decisions is seen to be open and impartial, consisting of sound judgements made for justifiable reasons.
- 1.2 The Council has powers under the [Highways Act 1980](#) and the [Town and Country Planning Act 1990](#) to make orders for the creation, diversion and extinguishment (or stopping up) of public footpaths and bridleways, and to enter into agreements for the creation of footpaths and bridleways. The changes made by such orders and agreements affect the right of the public to cross private land and so can be contentious and the subject of impassioned debate. Because of this it is important that the system of making decisions on changes to the public rights of way network is seen to be open and impartial, consisting of sound judgements made for justifiable reasons.
- 1.3 This Code of Practice has been drawn up to set out clearly the way in which the Council deals with planning, public path orders and other applications.
- 1.4 It complements the [Suffolk Code of Members' Conduct](#) and [Officers' Code of Conduct](#) which address a range of aspects of Members' and Officers' conduct in carrying out official duties. Further information on the provision of the Code can be obtained from the Council's [Monitoring Officer](#), telephone 01394 444336.

2 BASIC PREMISE

- 2.1 The basis of the planning system is the consideration of private proposals against wider public interests. The Town and Country Planning Acts provide that decisions on individual proposals should be made in accordance with the Development Plan unless material planning considerations justify a departure from those policies. The Development Plan for East Suffolk Council consists of the Suffolk Coastal Local Plan, the Waveney Local Plan and the Minerals and Waste Local Plan. In addition, the Broads Local Plan is part of the Development Plan for the district.
- 2.2 [The Highways Act 1980](#) and the [Town and County Planning Act 1990](#) both lay down precise criteria to be met for the making and confirmation of public path orders. The legislation is supplemented by advice contained in the Department of Environment, Food and Rural Affairs (DEFRA) Circular (1/09) 'Guidance for Local Authorities' and other circulars and Regulations. The basic premise is to ensure that appropriate balanced consideration is given to the impact of changes to the network upon both the landowner's / occupier's interests and the public's right.
- 2.3 Within the context of the legal provisions, the successful operation of the planning system relies on ensuring that Members and Officers act in a way which is not only fair but is clearly seen to be so. The respective roles of Members and Officers are set out in this Code of Practice.

2.4 The Government has placed a high priority on speed in the determination of planning applications and the practice contained in this code has to take account of this Government priority.

2.5 If a Councillor acts in breach of this Code this could potentially amount to a breach of the Council's Code of Conduct and have potential consequences for that Councillor. If an Officer acts in breach of this Code this may result in action under the Council's Disciplinary Procedure.

3 DECISION MAKING ON PLANNING APPLICATIONS

3.1 Consideration should be given when appointing Members to the North and South Planning Committees, that there are a number of Members who serve across both Committees for consistency on decision making across the district as a whole.

3.2 The Role of Committee Members

Members of the Planning Committee, in making decisions on planning applications, will:

- Act fairly and openly;
- Approach each application with an open mind;
- Carefully weigh up all the material planning considerations;
- Avoid undue contact with interested parties
- Ensure that reasons for decisions are clearly stated.

3.3 The planning system exists to balance the consideration of private proposals against the wider public interest. Members must take into account the interests of all of the District, together with the Government's national planning priorities, and will act in a way which is not only fair but is clearly seen to be so.

3.4 Members will be free to vote on planning applications however they consider appropriate within the context set by the Town and Country Planning Acts and shall not have pre-judged the outcome prior to their consideration at the committee or sub-committee meeting of all relevant available information. Members should not, prior to the meeting, give an undertaking as to the stance they will take on the determination of a planning application, e.g. at a Town or Parish Council meeting, or to an interested party. They should indicate that any view they might put forward might change in the light of the Planning Officer's report and the Committee's discussion.

3.5 Committee Members will also have a role (see 3.8 below) on behalf of their ward to present local views, but Members must make it explicit when acting in that role. The decision-making role and its impartiality must not be prejudiced by any such action.

3.6 Members can expect Officers to give them help in answering questions on planning matters.

3.7 Members will not give instructions to Officers, and they will not put pressure on Officers to make a particular recommendation on an application.

3.8 The Role of Members

The representational role of Members is a key part of the planning process. Subject to compliance with the terms of the Members' Code of Conduct, in fulfilling that role Members will be given the opportunity in respect of all applications to:

- Respond in writing to Officers on the merits of the application;
- Request referral of an application to Planning Committee;
- Attend any committee site meetings for applications within their ward;

- To make representations to the determining committee.
- 3.9 Members shall not give instructions to Officers, nor should they place pressure on Officers in order to secure a particular recommendation on an application.
- 3.10 Members can expect Officers to give them every help and assistance in answering questions relating to planning matters.
- 3.11 **The Role of the Referral Panel**
The Referral Panel will be called by the Head of Planning and Coastal Management, as necessary, for consultative purposes to agree the route for determining a planning application subject to the criteria set out in [Part 2 Section E \(Delegation to Officers\)](#).
- 3.12 The Referral Panel will consider all referral if the 'minded to' decision by Planning Officers is contrary to the referral request.
- 3.13 The Referral Panel is a consultative panel with the Head of Planning and Coastal Management. The Head of Planning and Coastal Management will have final say on items to be referred for Committee decision rather than exercising delegated Officer powers.
- 3.14 **The Role of Officers**
In respect of applications to be determined by the Planning Committee, Officers will:
- Provide professional and impartial advice;
 - Make sure that all information necessary for a decision to be made is given, including the substance of any objections and the views of those consulted;
 - Set the application in the context of the Development Plan and all other material considerations;
 - Provide a clear and accurate written analysis of the issues;
 - Give a clear recommendation;
 - Be responsible for carrying out the decisions of the Planning Committee.
- 3.15 In respect of planning decisions that are taken under delegated authority the case Officer for the application will prepare a brief written resume of key issues and a recommendation. This written report will be considered by a senior Officer, given the appropriate delegated authority by the Head of Planning and Coastal Management, who may exercise that authority to determine the application. In no circumstances will the case Officer determine the application.
- 3.16 In respect of Public Path Order decisions that are taken under delegated authority, the Rights of Way Officer (having the appropriate delegated authority by the Head of Legal and Democratic Services) may exercise that authority to determine an application. A brief written résumé of key issues, the decision and reasons for it will be prepared and placed on the application file. Details of all current applications, and of all public path orders and agreements made by the Council, are also contained in the Rights of Way Manual for Members.
- 3.17 The Council recognises that Chartered Town Planners and other Professional Officers shall not make or subscribe to any statements or reports which are contrary to their own professional opinions and the appropriate Professional Institute's Code of Conduct.
- 4 **DISCUSSIONS WITH APPLICANTS**
- 4.1 Pre-application meetings with prospective applicants are encouraged but will normally only involve Officers. They may involve Members acting in a representative role where approached by a prospective applicant, such meetings should not normally involve Members of the Planning Committee which may be making the

decision on the intended application. Exceptions are where the Planning Committee has, by resolution, determined that a pre-application meeting shall exceptionally involve Members and where the meeting is limited to providing advice on the proper process to follow, involving which Officer to contact for further advice. Committee Members may also wish to pass applicants on to a neighbouring District Councillor.

4.2 Where pre-application meetings involve Members appointed by the Planning Committee a note of the discussion will be taken and will be made available for public inspection subject to the usual rules about Access to Information, when an application is submitted. At least one Officer will be present at all such meetings. The same provisions will apply where following a determination of an application consideration is being given to a fresh application.

4.3 It will be made clear at pre-application meetings that:

- Only Officers' initial and provisional views can be given, based upon the provisions of the Development Plan and other material planning considerations;
- No decisions can be made which would bind or otherwise compromise the decision of the Council;

4.4 A written note will be made of all substantive meetings. A follow-up letter should be normal practice when documentary evidence has been left with the Council.

4.5 A note will be taken of telephone conversations where express advice on the planning merits of a proposal has been given. The meeting note and the follow-up correspondence shall be placed on the relevant file, should an application materialise following initial discussions.

4.6 Members will not take part in post-submission meetings with applicants or other parties, unless:

- Section 5 of this Code of Practice allows this; or
- the matter has been reported to the Planning Committee and the Councillors concerned have been appointed by the Committee

5 **CONSULTATION AND LOBBYING**

5.1 The Council is required by legislation to give certain publicity and consult certain key parties on particular planning applications. The Council supplements the statutory requirements with its own practice on consultation.

5.2 Attached as Appendix A is a statement of the Council's current practice of consultation on planning applications.

5.3 Attached as Appendix B is a statement of the Council's current practice of consultation on rights of way applications.

5.4 In all instances interested parties are asked to make their representations in writing in order that a true record of the representation can be placed on the appropriate file for public inspection and to be used in informing the decision making process. Representations can be submitted electronically or submitted in hard copy form.

5.5 It is quite common for applicants and other interested parties to wish to discuss a proposed development with Members before an application is determined. This can aid the understanding of issues involved. However, to avoid compromising their position before they have received all the relevant information, evidence and arguments, Members of the determining committee may choose, as a matter of principle, not to meet applicants or interested parties. Where they do choose to meet relevant parties they will:

- Not express an opinion which could be taken as firm support or opposition to a proposal;
 - Not organise support or opposition for a proposal or lobby other Members;
 - Inform lobbyists or objectors of the importance of their views being submitted in writing to the Council;
 - Advise the Chairman of the Planning Committee or the Head of Planning and Coastal Management of the existence of any party that appears to be trying to exercise undue or unreasonable pressure on Members of the Council.
- 5.6 Members should take great care to maintain impartiality when attending public meetings in relation to planning matters. They should consider carefully whether it is appropriate to attend in the first place. If they do wish to attend it is advisable to invite the relevant Officer also. At such meetings it is preferable for no view on the merits or otherwise of a proposal to be given.

6 COMMITTEE PROCEDURES

- 6.1 The Planning Committee papers will be available, in accordance with the Access to Information Act provisions, at least five clear working days prior to the meeting.
- 6.2 All applications presented to the Planning Committee for determination will have a full written report from Officers, including the substance of objections, and the views of those who have been consulted on the planning merits of the proposal, a clear explanation of the relevant Development Plan policies, site related history, any other material planning considerations, a reasoned consideration of the proposal and a clear recommendation.
- 6.3 Any material planning information which is received after the written report has been prepared but more than 24 hours before the start of the Planning Committee meeting will be presented orally by Officers. Information received within 24 hours of the start of the meeting will only presented where it is brief and can be readily conveyed to the Committee.
- 6.4 The Head of Planning and Coastal Management will have the discretion to withdraw any item from the agenda of the Planning Committee subsequent to the preparation of the report, but prior to a discussion by the Planning Committee if the circumstance of the application has changed within that period.
- 6.5 Where an application is determined in accordance with an Officers' report the decision will be as set out in that report subject to any amendments which Officers or Members may put forward at the meeting.
- 6.6 Where the Planning Committee disagrees with the Officers' professional advice, the reasons for rejecting a report's recommendation will be clearly stated at the meeting and recorded in the minutes. Members need to be sure that when they do not follow Officers' professional advice, their decisions are based on sound planning reasons. Members shall be aware that they may be required themselves to justify their decision at appeal.
- 6.7 The Council considers that there are benefits in allowing public speaking at Planning Committee meetings. A summary of the adopted practice is set out in Appendix C.
- 6.8 Where a planning obligation is required in respect of a development proposal, the Officers' report to the Planning Committee will set out the reasons for this and indicate any principal terms that the obligation might contain. If the Planning Committee requires additional or amended obligations they shall be clearly specified

by the Planning Committee and in all cases the detail will also be recorded in the minutes of the meeting.

- 6.9 A register is kept of planning obligations entered into and an annual report will be made to the Strategic Planning Committee summarising progress in the receipt and use of financial sums or development in kind received in accordance with a planning obligation.

7 **SITE VISITS**

- 7.1 All sites are investigated by Officers as part of the application process. However, there may be circumstances when Members will wish to visit specific sites, for example, to understand local conditions and the relationship of a proposed development and the surrounding area, where these features cannot be assessed from the submitted drawings, illustrative material or from outside the site.
- 7.2 Formal site visits will be held when there is a clearly identified material benefit for holding one and the Referral Panel agrees with the relevant Planning Officer that there is a need to do so to provide a better understanding of the proposals or Planning Committee so requests that a visit be held.
- 7.3 All Members of the relevant area Planning Committee (including substitutes who may attend at a subsequent meeting) will be invited to attend the site visit, together with the ward Member or ward Members. Where a proposal would have a significant effect on an adjoining ward, the adjoining ward Members will also be invited.
- 7.4 All Members attending formal site visits by the Planning Committee shall be accompanied by an appropriate Officer of the Council.
- 7.5 The site visit is not part of the consideration of the merits of an application and therefore public rights to attend the meeting do not apply. However, a representative of the town or parish council will be invited to the site visit along with the applicant or his / her agent.
- 7.6 If access to private land is necessary, then Officers will secure the prior agreement of the landowner.
- 7.7 The purpose of the site visit is fact finding. Officers will be able to point out relevant features of the site and surroundings. Members will be able to see the physical features of the site and ask questions through the Chairman or the Officer to seek clarification. A written record will be kept of the site visit and placed on the planning file.
- 7.8 No discussion of the merits of the case will be permitted, and all questions from Members will be carried out through the Chairman or, at the Chairman's discretion, directed at the relevant Officer.
- 7.9 The Chairman may ask the applicant (or agent), the representative of the town or parish council, or the owner on whose property the site visit is being conducted if there are any parts of the site that have not been visited that they consider should be seen by the Members. The Chairman will then determine as to whether to accede to any requests for that part of the site or area to be visited.
- 7.10 The visiting party will stay together as a group. No lobbying by applicants, town or parish council representatives or objectors will be allowed. If an applicant or group persists in attempting to lobby, the Chairman may determine to curtail the site visit and return on another occasion.

- 7.11 The Members of the Planning Committee, when on site visits, should not make any comments that could create an impression to an outside party that they had already formed a firm position on the merits of the application. The decision on the application should not be made until the formal meeting of the Planning Committee and the Members will have before them all the necessary information to be able to make an informed decision. There may be occasions when questions raised by Members have not been able to be answered or require further investigation in which event Officers will pursue these matters and report back on them to the Planning Committee.
- 7.12 Exceptionally, a Member of the Planning Committee may not be able to attend a site visit or may wish to see a site that is the subject of a report to the Committee. When visiting sites on their own, Members should normally seek only to view the site from a public area and should deal with any lobbying that may occur at the visit in accordance with Section 5 of this Code of Practice. Members may wish to seek advice before undertaking unaccompanied site visits that necessitate access to private property.
- 7.13 Any site meetings will follow these procedures:
- Relevant Officer will be invited to set out briefly
 - why it was resolved necessary to visit the site
 - the facts of the application
 - the views of consultees as relevant to the visit
 - Any specialist advisers present (e.g. Highway Authority) will be invited to indicate their view of the proposals
 - Chairman will invite the applicant/agent to explain any aspect of the application
 - Town/Parish Council representative(s) as consultees will be invited to speak if they wish
 - Ward Member will be invited to speak – to point out relevant features of the site or the surrounding area or to ask questions about the proposal
 - Committee Members will be invited to ask questions
 - Planning Officer will be given the opportunity to ask questions to seek clarification of any issues
 - Any other person(s) present will be given the opportunity to speak
 - Chairman will close discussion part of the proceedings and invite Members to inspect the site/the area in more detail
 - The order of presentations will generally be adhered to but the Chairman will have the right to vary from these guidelines if circumstances warrant. The Chairman's decision will be final.

8 DISCLOSURE OF INTERESTS AND HOSPITALITY

- 8.1 Members and Officers are required to comply with the requirements of the Suffolk Code of Conduct, including registration of their interests and making appropriate declarations of interest.
- 8.2 Members and Officers are discouraged from receiving hospitality from people with an interest in their planning proposal. If receipt of hospitality is unavoidable, Members and Officers will ensure that it is of the minimum level and will declare its receipt as soon as possible. Members will declare any hospitality received via the Council's on-line Register of Interest system and, in the case of Officers, using the

electronic form which can be found on the Council's intranet. Any hospitality offered but not accepted will also be registered.

- 8.3 In the event that significant hospitality has been offered and accepted by Officers or Members this should be declared at the Planning Committee meeting.

9 **DISTRICT COUNCIL APPLICATIONS**

- 9.1 Where the District Council wishes to carry out development which requires planning permission or make alterations to the rights of way network, it will need to make an application for its own development before development may be carried out. The appropriate application will be submitted by the Chief Executive or his duly authorised nominee and will be dealt with by the Council as Local Planning Authority in the same way as those submitted by private applicants.

- 9.2 No District Council application will be determined under delegated authority but will be determined by the appropriate Planning Committee.

10 **APPLICATIONS SUBMITTED BY MEMBERS AND OFFICERS**

- 10.1 All applications which are submitted by or on behalf of Members, or any Officers of the Council or their spouse / partner in their private capacity, will be reported to the Planning Committee for a decision, rather than being dealt with in accordance with the Scheme of Delegation to Officers.

- 10.2 The Member / Officer concerned will inform the Head of Planning and Coastal Management of the submission of their application to ensure that the above mentioned procedure can be adopted.

- 10.3 No Member or Officer concerned will take part in the processing or determination of the application, and if normally present at the determining Planning Committee meeting, will declare a prejudicial interest in the normal manner and leave the meeting for the consideration of that item of business.

11 **TRAINING**

- 11.1 To facilitate the effective working of the planning system, all Members of the Council are expected to undertake training in the principles of the planning system, rights of way and the procedures followed by the Council in determining applications. The precise contents of this training will be determined from time to time by Officers in consultation with Members.

- 11.2 The *Rights of Way Manual* for Members contains information on rights of way principles and legislation, particularly as relevant to the Council's rights of way role, and is updated regularly.

- 11.3 Members of the Planning Committee will be expected to have undertaken training on current planning and rights of way procedures and the principles of the planning system. When significant changes to the planning system or policy applicable to the District occurs updated information or training as appropriate will be provided to all Members of the Planning Committee – information / training which all Members of the Council will be invited to benefit from if they so wish.

- 11.4 A programme of training will be available each year, covering issues of current importance as well as updating knowledge. From time to time, specialist training will be provided to cover particular topics or to look at matters in greater depth.

- 11.5 Members who have not participated in appropriate training cannot be Members of the Planning Committee. Only in the most exceptional cases when there are no trained Members available and a Planning Committee meeting would be potentially inquorate, should a Member who has not received training take part in making a

decision on a planning application. A record of Member training in planning will be maintained.

- 11.6 As part of the annual monitoring role of the Strategic Planning Committee, the training and provision of information undertaken and provided each year will be reviewed.

 - a) loss of privacy;
 - b) loss of peaceful enjoyment;
 - c) loss of daylight or sunlight;
 - d) adverse visual impact;
 - e) or other adverse effect.
- 2 The person notified will be the occupier of the neighbouring property affected by the proposals;

- 5 Where application proposals affect properties over a wider area, the local town / parish council will be able to express a local view but where the impact could be substantial, consideration will be given to advertising the application by press advertisements as an item of general interest.

STATUTORY CONSULTATION – Rights of Way

The Council is required by legislation to consult statutory undertakers and other affected councils on applications for public path orders. In addition, the Council follows national best practice to achieve unopposed orders wherever this is possible, as recommended by the 'Rights of Way Review Committee Practice Guidance Note No 1'. Upon receipt of a technically correct application the Council will consult widely with representatives of user groups and other bodies and individuals it considers may be affected by or interested in proposals as appropriate.

In all instances consultees and interested parties are asked to submit their views in writing in order that a true record can be placed on the appropriate file and used in informing the decision-making process. A period of 28 days is usually allowed for consultation responses, but this can be extended at the discretion of Officers if consultees require extra time. Responses can be submitted electronically or in hard copy form.

At the end of the consultation process it is usual procedure for the views of the consultees to be forwarded to applicants for consideration. Officers are responsible for managing such subsequent negotiation as is deemed useful in respect of the Council's intention to achieve unopposed public path orders wherever possible.

Negotiation may result in changes to the original proposals and re-consultations will be carried out as appropriate.

PUBLIC SPEAKING PROCEDURES FOR PLANNING COMMITTEE MEETINGS

Subject to the procedure detailed below, there is a right to speak for, or against, any applications for planning permission or similar applications (e.g. Listed Building). There is no right to speak on enforcement issues, which appear on the agenda of the Planning Committee.

PROCEDURE WHEN AN ITEM IS SCHEDULED TO BE REPORTED TO A PLANNING COMMITTEE

Progress on applications can be monitored online by visiting the Council's website – www.eastsuffolk.gov.uk. This will indicate if the application is going to be considered by the Planning Committee and, if so, when. The following would normally be permitted to speak:

- representative of Town / Parish Council or Parish Meeting;
- applicant or representative;
- objector / interested party;
- relevant ward Members

The intention is that only one person would speak from each of the above parties.

Interested parties who wish to speak will need to register before the start of the meeting, the registration to speak at meetings can take place any time in the five days leading up to the Committee date up to 5pm, the day prior to the scheduled meeting.

ORDER OF SPEAKING

The order of debate will be as follows:

1. Introduction by Planning Officer;

5. Representations by applicant or representative;
6. Planning Committee general debate.

DURATION OF SPEAKING

Speakers, other than Ward Members, will be given a maximum of three minutes to speak in presentation, with the Chairman having absolute discretion as to how many and in what form questions are allowed over and above the three minute presentation. No speaker will be given a second opportunity to speak to ensure equality of representation. All questions should be based upon matters of fact only and channelled exclusively through the Chair. There will be no general debate, including those engaged in public speaking, given that the purpose of allowing public speaking is to make appropriate representations and to tease out matters of fact.

ILLUSTRATIVE MATERIAL

If a speaker wishes to refer to illustrative material, which they wish to be displayed at the meeting, then this must be provided to the Officers in advance of the meeting so that appropriate arrangements can be made for its display.

Members ICT Protocol

1. Introduction

East Suffolk Council (ESC) has an expectation that Councillors will use ICT to enable them to effectively deliver all aspects of their role and will therefore provide all necessary ESC ICT resources and ICT support. However it is important that the use of ICT is managed to ensure that ESC complies with all relevant legislation, regulatory codes of practice, policies and ICT best practice. This document has been developed to provide clear guidance on ICT use for Members.

2. Scope

This protocol applies to all Members who have access to ESC ICT resources.

3. Definitions

ICT resources are defined as all elements of ICT infrastructure and environment and includes:

- ESC email account and file storage

4. Guidance on the use of ICT Resources

4.1 ICT Security

All ICT usage must be in compliance with corporate ICT Security Policy and ICT Acceptable Use Policy.

4.2 Use in respect of Council Business

ESC ICT resources are provided for all ESC related business activities and those related to other public bodies or organisations on which Members are the ESC representative or nominee. Members should be aware that use of personal IT for such activities may incur risks to ESC or residents' data.

Members should use ESC ICT resources in accordance with ESC Health and Safety standards; guidance on the safe use of such equipment is available from Corporate Health & Safety Advisor

ESC ICT resources should not be used for any party political activities or election campaigning

Members should use their ESC email address for all ESC related email communication and contact arrangements. ESC email addresses should not be used for any election material or party political statements.

Inappropriate use of ESC ICT resources could be a breach of the Suffolk Code of Conduct and could give rise to formal complaints being made against a Councillor. Any queries about the Suffolk Code of Conduct in relation to ICT resources should be directed to the Monitoring Officer.

5. Responsibilities

Members must take reasonable precautions in the care and use of ESC ICT resources. If ICT equipment is damaged, lost or stolen, this should be immediately reported to ICT Service

Members must return any ICT resources on the request of the ICT Service for the purposes of audit, repairs or maintenance. A replacement device will be provided if required. Members will likely receive sensitive and personal data in the course of their duties and should be aware of their responsibilities under data protection and the need to comply with all relevant legislation including the GDPR (General Data Protection Regulations). The ESC Data Protection Lead (Head of Internal Audit) can provide guidance on any aspect of compliance with data protection and dealing with personal information. Members also need to be aware that data held on their ESC systems may be subject to FOI (Freedom of Information) requests.

ESC does not permit the automatic forwarding of corporate emails (member@eastsoffolk.gov.uk) to other external providers due to security implications. Whilst Members can forward individual emails to personal or other email accounts they should be aware of the data protection implications of this.

6. Support

All ESC ICT resources are maintained and supported to agreed operational and security standards by the ICT team who also provide a dedicated Member ICT Support line which is available during normal office hours for any Member ICT support issue.

ICT advice and guidance for all users is published on the Corporate Intranet (FRED) as well as notifications on any disruptions to ICT.
