SUMMARY AND EXPLANATION

1. The Council's Constitution

- 1.1. East Suffolk Council's Constitution sets out how the Council operates, how decisions are made, and the procedures which are followed to ensure that decisions are lawful and that decision makers are accountable to local people.

2. What's in the Constitution?

- 2.1. The Constitution is divided into 5 Parts:

- a) Summary and Explanation
- b) Functions and Responsibilities
- c) Procedure Rules
- d) Codes and Protocols
- e) Members' Scheme of Allowances

- 2.2. More detailed procedures, codes of practice, protocols and explanatory notes are provided in the Appendix.

3. Council Arrangements

- 3.1. The Council is composed of 55 Councillors who are each elected for a four year term to represent a ward. There are between 1 and 3 Councillors for each ward.
- 3.2. Councillors must be over 18 years old and must live or work in the district.
- 3.3. Councillors are subject to a Code of Conduct to ensure high standards in the way they undertake their duties.
- 3.4. All Councillors meet as the Council and this is called 'Full Council'. Members of the public are welcome to attend Council meetings in person or to view them online, except for confidential/exempt agenda items.
- 3.5. There are three types of Council meeting:
 - a) the Annual Meeting
 - b) ordinary meetings
 - c) extraordinary meetings
- 3.6. There are some decisions which can only be taken by Full Council. The law defines which functions of the Council are the responsibility of its Executive or Cabinet, and which functions are non-Executive and so functions of the Council
- 3.7. Full Council is responsible for setting the Budget and Policy Framework, which sets out the Council's key policies and agreed budget for each year. All decisions must be taken in accordance with this Framework.

- 3.8. The Council's objectives and priorities are set out in its Strategic Plan, which is available on the Council's website.

4. Executive Arrangements

- 4.1. The Council operates Executive arrangements with a Leader and Cabinet model.
- 4.2. The Council is responsible for electing the Leader, who then appoints their Cabinet. The Cabinet comprises the Leader and up to nine other councillors appointed by the Leader. The Leader may also appoint Assistant Cabinet Members to support Cabinet Members in their roles, but they do not have a vote at Cabinet meetings.
- 4.3. Most decisions are Executive decisions. The Cabinet is responsible for developing the policies and strategies of the Council and takes most of the decisions on service provision.
- 4.4. When major Executive decisions are to be taken, these are published in the Cabinet's Forward Plan of Key Decisions which is available on the Council's website. Key Decisions are those which have a significant impact on the Council or where there will be spending or savings of over £250,000
- 4.5. The Council (mainly through the Overview and Scrutiny Committee) is ultimately responsible for holding the Cabinet to account.

5. The Chair of the Council

- 5.1. The Chair is elected by the Council at their Annual meeting each year.
- 5.2. The Chair undertakes civic and ceremonial roles on behalf of the Council, including presiding over meetings of the Full Council.
- 5.3. If the Chair is not available, the Vice Chair undertakes the role.
- 5.4. Neither the Chair nor the Vice Chair can be the Leader or a Member of the Cabinet

6. Interpretation

- 6.1. The ruling of the Chair as to the interpretation or application of this Constitution or as to any proceedings of the Council cannot be challenged at any meeting of the Council.

7. Principles of decision making

- 7.1. All decisions taken by the Council, unless they are delegated to a single Member or to an Officer, are taken by a simple majority vote of the Members who are present. If there is a tie, the Chair of the Council, or of the meeting, has a casting vote.

8. The Council's officers

- 8.1. The Council's officers give advice, implement decisions and carry out the day-to-day delivery of its services. Some Officers such as the Head of Paid Service, the Chief

Finance Officer and the Monitoring Officer have specific statutory duties to undertake to ensure that the Council uses its resources wisely and acts within the law.

8.2. Officers must comply with the Officer Code of Conduct.

9. Partnership working

9.1. The Council works with existing partners and creates new partnerships that will assist the Council in fulfilling its vision and objectives.

10. Joint arrangements

10.1. The Council or the Cabinet may exercise their functions in a number of ways, for example:

- b) establish joint arrangements including a joint committee with one or more local authorities to exercise functions;
- c) co-operate with, or facilitate or co-ordinate the activities of, any person or body;
- d) exercise on behalf of that person or body any functions of that person or body;
- e) delegate functions to another local authority.

12. Contracts and contracting out

12.1. Every contract entered into by the Council must comply with the Contract Procedure Rules and Financial Procedure Rules set out in Part 3 of this Constitution.

13. Citizens' rights

13.1. The Council welcomes the participation of citizens in its work.

13.2. Citizens have a number of rights in their dealings with the Council. Some of these are legal rights, whilst others depend on the Council's own processes.

13.3. Citizens have the right to:

- a) Vote at local elections if they are registered;
- b) Contact their local Councillor about any matters of concern to them in their ward;
- c) Contact the appropriate Cabinet Member about any matters of concern that relate to that Cabinet Member's Portfolio;
- d) Have access to the Constitution;
- e) Attend all meetings of the Council, Cabinet, Scrutiny Committee, and other Committees except where exempt or confidential matters are being discussed
- f) Petition the Council on any matter;

- g) Find out what major decisions are to be discussed by the Cabinet, individual Cabinet Members and Officers, and which decisions are likely to be taken by Cabinet in private (where they relate to confidential/exempt decisions) and when;
- h) See reports and background papers, and records of decisions made by the Council, Cabinet, Committees, individual Cabinet Members and Officers (except exempt and confidential information);
- i) Complain to the Council about something which, in their opinion, the Council should have done that it has not done, something it should have done differently, or something it has done that it should not have, through its complaints process;
- j) Complain to the Local Government and Social Care Ombudsman and the Housing Ombudsman if they think the Council has not followed its procedures properly.
- k) Complain to the Council's Monitoring Officer that a Councillor has breached the Councillor Code of Conduct;
- l) Inspect the Council's accounts and make their views known to the external auditor. The period when accounts are open to inspection is publicised in advance.

14. Changes to the Constitution

- 14.1. The Constitution has been formally adopted by the Council.
- 14.2. The Monitoring Officer has authority to make minor amendments and corrections to the Constitution. The Leader may change Cabinet Portfolios and delegations.
- 14.3. Any substantive changes to the Constitution Council's decision-making arrangements and committee structure will be considered by the Constitution Review Working Group who will recommend any changes to Full Council for approval.

FUNCTIONS AND RESPONSIBILITIES

15. General Principles

- 15.1. Members and Officers must understand how decisions are made, whether they are working alone or in a group or committee.
- 15.2. When making a decision as an individual, due regard should be had as to whether that decision should be made in consultation with another Member and or an Officer. In making any decision the following should apply:
 - Acting in the best interests of the Council
 - Ensuring legislative compliance
 - Ensuring all decisions are made in accordance with the Council's budget and policy framework
 - Basing decisions on all available evidence
- 15.3. Decision making should always be made as transparently as possible. Whilst certain decisions should be recorded and published, decision makers should always assume that any decision may be made available to the public.

16. Decision Making Bodies

- 16.1. Under the Constitution, decisions may be taken by:
- the full Council
 - the Cabinet collectively
 - individual Cabinet Members
 - Committees and Sub Committees
 - Officers
- 16.2. Under the Constitution the bodies below can only make recommendations or referrals (as appropriate) to the decision-making bodies listed above:
- Advisory Committees, Panels and Working Groups
 - Appointments Committee
 - and some recommendations of the Overview and Scrutiny Committee
- 16.3. Whichever body or individual is responsible for taking a decision, the decision will be formally minuted and recorded. Unless a decision contains confidential or exempt information, it will be open to public inspection in accordance with the Access to Information Procedure Rules.
- 16.4. Decisions relating to the Statutory Functions of the Council will be made by the Council and not delegated.

17. Key Decisions

- 17.1. A Key Decision is an executive decision which is likely to:
- result in the Council incurring expenditure, making savings, or receiving income which is significant to the Council's budget for the service or function to which the decision relates; or
 - be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the Council's District
- 17.2. By the term "significant" the Council means a decision which:
- results in expenditure, savings, income, additional funding or virement of over £250,000 being incurred or achieved; or
 - results in an outcome which will have a marked effect on communities living or working in an area comprising two or more wards.
- 17.3. A decision maker may only make a Key Decision in accordance with the requirements of the Access to Information Procedure Rules.

18. Budget and Policy Framework

- 18.1. The process for the approval of the Budget and Policy Framework by the Council is set out in the Budget and Policy Framework Procedure Rules.
- 18.2. When relevant budget provision is in place, all policies not within the Policy Framework will be formulated by Cabinet. If there is an unresolved issue between

Cabinet and the Scrutiny Committee regarding any proposed policy then the matter will be referred for resolution to Council.

18.3. Where relevant budget provision is in place and any proposed action is in accordance with the relevant policy, the exercise of any function not reserved for Council shall be properly discharged by Cabinet.

- 25.5. The Leader may appoint Cabinet Support Members to advise and assist Cabinet Members and cover for them in their absence, although a Cabinet Support Member is not a Member of the Cabinet and may not vote at Cabinet or exercise any function given to a Cabinet Member.
- 25.6. The Leader of the Council will have overall responsibility for the operation of the Cabinet and its decisions.
- 25.7. The Chair and Vice Chair of the Council along with any Members of the Overview and Scrutiny Committee and the Audit and Governance Committee cannot be appointed to the Cabinet.

- 26.4. Under the Local Authorities Functions and Responsibility Regulations 2000 there are a number of Cabinet functions that have been agreed in terms of local choice. The details of these local choice functions can be found in Appendix C
- 26.5. There are also several Outside Bodies the Cabinet can collectively appoint to. Details of which can be found in Appendix E.

27. Discharging of Cabinet Responsibilities

- 27.1. Whilst Cabinet holds a collective responsibility for the functions outlined above, some functions of Cabinet have been discharged to both Individual Cabinet Members and Officers to ensure that decisions of the Council are taken at the most appropriate level and in a timely manner.

28. Responsibilities Delegated to Individual Cabinet Members

28.1. Each Cabinet Member will be responsible for all types of decisions which sit within their Portfolio unless the decision:

- Relates to a proposal to alter the Council's budget and policy framework.
- Is authorising expenditure more than £250,000.
- Is likely to have significant impact on the operation of the Council.
- Is likely to have significant impact on the Portfolio of another Cabinet Member.

28.2. Cabinet Members should consult with other Cabinet Members if a decision is likely to have an impact on their responsibilities. They should also consult with the relevant Officers, Monitoring Officer, and the Section 151 Officer.

28.3. The Leader, or Cabinet Member in respect of decisions within their Portfolio, may, prior to the decision being taken, give notice to the Monitoring Officer to the effect that the decision will no longer be taken by an individual Cabinet Member.

SCHEME OF DELEGATION TO OFFICERS

33. Introduction

- 33.1. “Officers” is the term used to refer to people employed, retained or appointed by the Council to advise and support Members and implement their decisions. This may include contractors, consultants, and agency staff.
- 33.2. The Council also appoints “Statutory” and “Proper” officers that are required to discharge certain legal duties of the Council.
- 33.3. Several Council functions are delegated to Officers, for example Officers may enter into contracts and incur expenditure but must do so within the financial limits and procedures set out in the Finance Procedure Rules and Contract Procedural Rules.
- 33.4. The Council’s approach to decision making is to ensure that its system of delegation enables decisions to be taken at the most appropriate level closest to those who will be affected by the decision in question. Under this system of delegation, most of the Council’s decisions and actions will fall into this category of operational day to day decisions taken by its Officers.
- 33.5. Officer’s powers have been delegated by means of a standing cascade. That means that there are no long lists in this Constitution of specific powers and who they have been delegated to, except for specific delegations which can be found in Appendix F.
- 33.6. When Officers act under delegated powers, they do so in the name of their Head of Service or Strategic Director who will retain the ultimate responsibility for ensuring the powers are exercised at the appropriate level by suitably competent and qualified Officers.
- 33.7. Officers are not empowered to make decisions in respect of matters that are specifically reserved to Members or which amount to the adoption or implementation of new policy.
- 33.8. Before taking decisions, Officers must be satisfied that they can demonstrate, through appropriate records, that they are duly authorised to act and that they have undertaken all appropriate consultation.

- 33.9. The relationship between Officers and Members is governed by a Protocol for Member/Officer relations, and Members and Officers are also bound by the applicable codes of conduct.

34. Officer Structure

- 34.1. The Chief Executive Officer is the Council's Head of Paid Service and is responsible for the operational management of the Council and works with a Corporate Leadership Team to deliver the Council's services within the budget and policy framework set by Members.
- 34.2. A copy of the current senior management and Council service areas can be found at Appendix G.

35. Statutory Officers

- 35.1. The Council is required to confirm the appointment of certain Officers to undertake Statutory Officer roles, which requires them to discharge specific legal duties to ensure the Council acts within the law and uses its resources wisely. These roles are the Head of Paid Service, The Section 151 Officer (also known as the Chief Finance Officer) and the Monitoring Officer.

36. Head of Paid Service

- 36.1. The Chief Executive Officer is the Council's Head of Paid Service. The Head of Paid Service reports to Council on how the discharge of Council functions is coordinated, the number and grade of Officers required for the discharge of functions and the organisation of Officers, including Strategic Director and Head of Service positions.
- 36.2. The Head of Paid Service may not be the Monitoring Officer but may hold the post of Section 151 Officer if a qualified accountant.
- 36.3. Where the Chief Executive is going to be absent for a significant period then responsibility for the Chief Executive functions may be allocated to the appropriate Strategic Director.

37. The Section 151 Officer (Chief Finance Officer)

- 37.1. The Section 151 Officer is the Council's Chief Finance Officer and is responsible for the proper administration of the Council's affairs. Their responsibilities include:
- Ensuring lawfulness and financial prudence of decision making.
 - Administration of financial affairs.
 - Contributing to the Corporate Leadership Team.
 - Providing advice.
 - Giving financial information.
- 37.2. The Section 151 Officer shall, where necessary, and in consultation with the Head of Paid Service and Monitoring Officer, report any compliance issues to the Council, the Cabinet, or the external auditor.

38. The Monitoring Officer

- 38.1. The Monitoring Officer is responsible for ensuring lawfulness and fairness in decision making and matters relating to the conduct of the elected Members. The Monitoring Officer may not hold any other Statutory Officer post.
- 38.2. Their responsibilities include:
- Providing advice to ensure decisions are taken on proper authority, by due process, and in accordance with the Budget and Policy Framework.
 - May report to Council or Cabinet any proposal, decision or omission considered to be unlawful or to amount to maladministration. Such a report will have the effect of stopping the proposal or decision being made until the end of the day after the report has been considered. This can only be done in consultation with the Head of Paid Service and Section 151 Officer.
 - Carrying out the obligations laid down in the Localism Act 2011 in relation to Member conduct and standards and will deal with breaches of the Members Code of Conduct.
 - Determining questions as to the interpretation of the Constitution and will be responsible for ensuring the Constitution is kept up to date and is authorised to make minor or consequential amendments to the Constitution.
 - Giving advice on the scope of the Council's powers and authority to take decisions alongside advice on maladministration, financial impropriety, probity and the Budget and Policy Framework.
- 38.3. All matters in respect to the conduct of legal (or quasi legal) proceedings (including the authentication or execution of documents) are reserved to the Monitoring Officer (also the Head of Legal and Democratic Services), and their duly authorised Officers, who shall be authorised to institute, defend, settle, discontinue or otherwise participate in any such proceedings or take any other action considered necessary to give effect to decisions or protect the interests of the Council.

39. Proper Officers

- 39.1. There are various laws which require certain functions to be undertaken by the "Proper Officer" of the Council. A list of Proper Officer designations can be found at Appendix H. If a Proper Officer is not listed, then the Proper Officer shall be the Strategic Director with responsibility for the subject matter in question or in the alternative the Head of Paid Service.
- 39.2. There are also specific delegations that relate to the Head of Planning and Building Control which are also specified in the above list of designations.

40. Powers of Officers

- 40.1. Officers are appointed to undertake particular roles. Those roles may be established by the terms of their appointment, job or role description, their position in the organisation, or from a specific instruction or the allocation of specific responsibilities

by their manager. Officers' roles may vary from time to time to reflect changes in Service delivery.

- 40.2. To ensure the smooth functioning of the Council and the efficient delivery of the Services that it is responsible for, the Council and the Cabinet delegate to Officers all of the powers that they need to do whatever their role requires of them from time to time.
- 40.3. All powers and functions not specifically reserved to Members in this Constitution or by statute stand delegated to Officers in accordance with the cascade principle set out below.

41. Cascade of Powers

- 41.1. Officers' powers have been delegated by means of a standing cascade. That means that there are no long lists in this constitution of specific powers and who they have been delegated and sub-delegated to, with the exception of the specific delegations in Appendix 1 to this Scheme of Delegation to Officers.
- 41.2. Instead, there is a standing delegation of all necessary powers from the Council and the Cabinet (and their committees) to the Chief Executive and from there to each Strategic Director and the Heads of Service. The cascade continues down through the Heads of Service to team managers and relevant Officers in each Service.
- 41.3. In each case the powers delegated are the full range and extent of powers vested in the Council as necessary in order to discharge functions, implement decisions, and undertake the efficient operational management of the Services that the Strategic Directors and Heads of Service are responsible for.
- 41.4. This includes the power to do anything ancillary or incidental to, arising from, or necessary to give effect to or facilitate the exercise of powers and the discharge of functions delegated to Officers.

42. Use of Powers

- 42.1. When Officers act under delegated powers, they do so in the name of their Head of Service or Strategic Director who will retain ultimate responsibility for ensuring that powers are exercised at the appropriate level by suitably competent and qualified Officers.
- 42.2. It is for the Chief Executive, Strategic Directors and Heads of Service, to determine, record and keep under review the extent to which Officers in their Service are authorised to exercise delegated powers in their name. They shall do this by ensuring that there is clarity in setting out their Service and team structures and defining the respective roles of their Officers.
- 42.3. It is the responsibility of each Officer in the chain of delegations to ensure that powers are being exercised at the most appropriate level by suitably competent and qualified Officers. They shall at all times have due regard for the nature, subject matter, and

likely impact of any decision and liaise closely with those above them in the chain of delegations, including relevant Members, especially where a matter has potentially significant strategic, policy or operational implications.

- 42.4. Any ambiguity that may arise as to whether or not a particular Officer is, by reference to the terms of their appointment, job or role description, or their position in the organisation, authorised in respect of any particular function is to be resolved by reference back up through the chain of delegations to Heads of Service, Strategic Directors or ultimately to the Chief Executive as appropriate who shall, where necessary, give written confirmation of the allocation of any given responsibility.
- 42.5. In exceptional circumstances, and with the agreement of those above them in the chain of delegations, Officers may decline to exercise powers which rest with them where it is considered, in all the circumstances, that it would be more appropriate for another Officer or for Members to exercise the power instead.
- 42.6. Unless specifically prohibited by the terms of any authorisation, Officers may arrange for any power which rests with them to be discharged by another suitably competent and qualified Officer, but they remain responsible for any powers so exercised.
- 42.7. Officers may direct that certain types of decisions, or decisions on particular matters, be reserved to them (or to another Officer) notwithstanding that they would ordinarily be taken at a point further along the chain of cascade.
- 42.8. Where the duly empowered Officer is unavailable or unable to act then, subject to any specific arrangements that may have been put in place, a suitably qualified and competent Officer who is most proximate to the absent Officer in the chain of delegations is empowered to act in place of that Officer. This will usually follow the chain of delegations or line of management back up through team managers and Heads of Service to the Chief Executive.

43. Controls on the use of powers

- 43.1. Officers are not empowered to make decisions in respect of matters that are specifically reserved to Members or which amount to the adoption or implementation of new policy.
- 43.2. Officers are only empowered to act in respect of matters which fall within their Service area, suite of responsibilities and sphere of competence.
- 43.3. Officers who propose to exercise powers in respect of any matter that is not wholly within their Service area, suite of responsibilities or sphere of competence shall be obliged to act in consultation with and take appropriate advice from those Officers with the relevant responsibilities and expertise and particularly from the Chief Financial Officer and the Head of Legal and Democratic Services in respect of financial and legal considerations.

- 43.4. Before taking decisions, Officers must be satisfied that they can demonstrate, through appropriate records, that they are duly authorised to act and that they have undertaken all appropriate consultation.
- 43.5. Officers must at all times observe and abide by the principles and controls governing decision making.

44. Conflicts of Interest

- 44.1. Every Officer is responsible for identifying whether they have a conflict of interest, actual or perceived, in any matter which is under consideration within the Council and notifying the Council (including under section 117 of the Local Government Act 1972) as necessary.

WORKING GROUPS

- 54.11.3. That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the date of publication of the decision, unless it is 'called in' by the Overview and Scrutiny Committee.
- 54.11.4. Within five working days of the date of publication of a decision any two (2) Members of the Overview and Scrutiny Committee or any five (5) Members of the Council may 'call-in' the matter for review of the decision by the Overview and Scrutiny Committee.

The relevant Cabinet Member(s), all the signatories to the 'call-in', the relevant Strategic Director(s), Head(s) of Service and report author of the 'call-in' will immediately be notified of the 'call-in' arrangements. All action to implement the decision which is the subject of the 'call-in' shall be suspended.
- 54.11.6. Following the meeting of the Overview and Scrutiny Committee to consider the call-in, all Members of the Council, relevant Officers and stakeholders will be notified as soon as possible of the outcome of the meeting (including any recommendations from the Committee).
- 54.11.7. Having considered the 'call in' the Overview and Scrutiny Committee may refer the decision back to the Cabinet for reconsideration, setting out in writing the nature of its concerns.

- 54.11.8. If so referred the Cabinet shall then reconsider the decision within 10 working days, amending the decision or not, before proposing a final decision.
- 54.11.9. The Chair or any other Member of the Overview and Scrutiny Committee shall be entitled to attend the Cabinet meeting and speak to the matter, but not vote.
- 54.11.10. If the Cabinet's proposed final decision is consistent with the views of the Overview and Scrutiny Committee then that decision, once taken, is released for immediate implementation and cannot be subject to further 'call-in'.
- 54.11.11. If the Cabinet is unable to agree in whole or in part with the conclusions of any recommendations of the Overview and Scrutiny Committee, the original Overview and Scrutiny report and the Cabinet report shall stand referred to the next available meeting of the Council for further consideration and decision.
- 54.11.12. In reaching a decision the Council shall pay careful regard to the extent to which in whole or in part the proposed decision accords with the Council's existing budgetary and/or Policy Framework. The decision of the Council shall be final.

54.12. Call-in and Urgency

- 54.12.1. The call-in procedure set out above shall not apply where the decision being taken by the Cabinet is urgent.
- 54.12.2. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public interest.
- 54.12.3. The record of the decision, and notice by which it is made public, shall state whether, in the opinion of the decision-making person or body, the decision is an urgent one, and therefore not subject to call-in.
- 54.12.4. The Chair of the Council and the Chair of Overview and Scrutiny Committee must both agree that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Chair(s), the Vice-Chair(s) consent shall be required. In the absence of both, the Head of Paid Service or their nominee's consent shall be required.
- 54.12.5. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency. (This procedure shall not prevent the principle of the decision being subject to review even though, because of urgency it may have been implemented.)
- 54.12.6. The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

- 55.1.3. In the case of the Development Plan, the Cabinet Members' consultations will include the Strategic Planning Committee.
- 55.1.4. The Scrutiny Committee will meet to consider the Cabinet Members' proposals and will make recommendations to the Cabinet about their proposals. Any Member of the Council who is not a Member of the Cabinet will be entitled to attend and speak at the meeting of the committee.
- 55.1.5. The Cabinet will consider any recommendations from the committee and will make recommendations to the Council. The Council will then determine the plan or strategy.
- 55.1.6. Once the Council has approved the plan or strategy all those responsible for taking decisions on behalf of the Council will need to ensure that they are consistent with those plans and strategies. Material changes to any plan or strategy set out above can only be made by following the process above, unless the matter falls within the Council's procedures for dealing with urgent matters.
- 55.1.7. In order that plans and strategies can be kept up-to-date and free from error or doubt, the Cabinet Members whose Portfolio includes overseeing the particular plan or strategy may, after consulting the Council's Monitoring Officer and appropriate Member of the Strategic Management Team or Head of Service, make amendments to the plan or strategy to:
- a) correct typographical errors and any similar changes needed to ensure clarity;
 - b) update any factual information contained in the plan or strategy; and
 - c) make minor modifications necessary to take account of changes in circumstances of the Council and its partners or Government legislation.

55.1.8. Where a Cabinet Member makes any changes under section 55. 1.7 they will be reported to the next available meeting of the Council.

55.2. The Budget

55.2.1. The Council's budget will be determined by a simple majority of those present at a meeting of the Council. For the purpose of this Constitution the budget to be determined by the Council will consist of:

- a) the budget requirement as provided for in the Local Government Finance Act 1992;
- b) the revenue budget allocations to the different services provided by the Council;
- c) the council taxes;
- d) the use of and contribution to reserves and balances;
- e) the capital expenditure; and
- f) the borrowing limits.

55.2.2. Immediately after any vote is taken at a budget decision meeting of the Council there must be recorded in the minutes of the proceedings of that meeting the names of the persons who cast a vote for the decision or against the decision or who abstained from voting. (See also Council Procedure Rules).

55.2.3. In paragraph 55.2.2 above, a "budget decision meeting" means as a meeting of the relevant body at which it:

- a) makes a calculation (whether originally or by way of substitute) in accordance with any of sections 31A, 31B, 34 to 36A, 42A, 42B, 45 to 49, 52ZF, 52ZJ of the Local Government Finance Act 1992(4): or
- b) issues a precept under Chapter 4 of Part 1 of that Act, and includes a meeting where making the calculation or issuing the precept as the case may be was included as an item of business on the agenda for that meeting.

55.2.4. At key stages in the development of the Council's budget the Cabinet will, after consulting those stakeholders it considers appropriate, make its proposals available to Members of the Scrutiny Committee and all other Members of the Council.

55.2.5. For the purpose of section 55.2.4 above the key stages will include:

- a) a review of issues likely to affect the Council's budget in the next financial year or subsequent years;
- b) the overall framework for the preparation of the budget;
- c) the budget information set out in section 55.2.1 (a) to (f) above.

55.2.6. At a meeting to consider the Cabinet's proposals, the Scrutiny Committee will determine its views on the proposals. At this meeting any Member of the Council that is not a Member of the Cabinet will be able to attend and speak.

55.2.7. The Cabinet will consider the views of the Scrutiny Committee and will make recommendations to the Council about the items set out in section 55.2.1 above.

55.2.8. In order that the Council is able to respond quickly to changing circumstances some variations to the budget approved by the Council can be made. The Council's Financial Procedure Rules set out the circumstances under which these changes can be made without reference back to Council. Any other changes, except those dealt with under the Council's urgency procedures, must be made by the Council.

55.3. Conflict Resolution Procedure

55.3.1. The Cabinet will have five working days to object to a Council decision before that decision takes effect.

55.3.2. If the Cabinet registers such an objection, the Council must reconsider the issue in the light of that objection.

55.3.3. The Council may insist on its decision on the basis of a simple majority of those Members present and voting.

56. Access to Information Procedure Rules

56.1. The Local Government Acts 1972 and 2000, the Local Government (Access to Information) Act 1985, the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2012 and the Local Government (Access to Information) (Variation) Order 2006 set down rights of access to local authority meetings, reports and documents subject to specified confidentiality provisions. The Acts also give local authorities duties to publish certain information. In this Constitution they are collectively described as the Access to Information Procedure Rules.

56.2. Definitions

56.2.1. A 'Key Decision' means an executive/Cabinet decision which is likely:

1. to result in the local authority incurring expenditure or making savings in excess of £250,000, or which is significant having regard to the local authority's budget for the service or function to which the decision relates; or

56.2.2. An 'executive decision' means a decision made or to be made, by a decision-maker in connection with the discharge of a function which is the responsibility of the executive/Cabinet of a local authority.

56.4. Access To Meetings

- 56.4.1. Members of the public may attend all meetings of the Council, Cabinet, Scrutiny Committee, Audit and Governance Committee, regulatory committees and meetings of the Cabinet where a Key Decision is to be made, subject to the exceptions in paragraph 40.11 of these Rules.

The requirement for five clear days’ notice of meetings will not apply to any meeting of a sub-committee considering an application in accordance with the Licensing Act 2003 (Hearings) Regulations.
- 56.7.2. If a report is added to the agenda later, the supplementary agenda will be open to public inspection from the time it is completed and sent to Councillors.
- 56.7.3. If the Proper Officer thinks fit, the Council may exclude access by the public (and in more limited circumstances by Members of the Council who are not Members of the

committee or sub-committee considering the item) to a report or part of a report, which, in his or her opinion, relates to an agenda item during which the meeting is likely not to be open to the public. Such reports will be clearly marked “Exempt - not for publication”. Each report will indicate clearly that it contains confidential information and the category of information disclosed (as specified under Schedule 12A of the Local Government Act 1972) by virtue of which the decision-making body is likely to exclude the public. In the case of executive reports, the report will also state, when appropriate, that it contains the advice of a political adviser or assistant.

56.8. Supply of Copies of Information for the Public

56.8.1. The Council will supply copies of:

56.9.3. The Council will make available, for public inspection:

- a copy of a list compiled by the originating Officer of the background papers to the report or part of the report; and

56.9.4. These will remain available for public inspection for a period of four years from the date of the meeting.

56.10. Summary of the Public’s Right to Information

- 56.11.6. Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

Meaning of Exempt Information

- 56.11.7. 'Exempt information' is defined in Schedule 12A of the Local Government Act 1972. Information is only exempt if it falls within one of the following 7 categories and in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information:
- a) Information relating to any individual.
 - b) Information that is likely to reveal the identity of an individual.

56.11.8. Information falling within any of paragraphs (a) to (g) is not exempt by virtue of that paragraph if it relates to proposed development for which the local planning authority can grant itself planning permission under Regulation 3 of the Town and Country Planning General Regulations 1992.

56.11.9. If the Monitoring Officer considers it appropriate, the Council may exclude access by the public to reports which in their opinion relate to items during which, in accordance with Rule 40.11.4 above, the meeting at which those reports are to be discussed is likely not to be open to the public. Such reports will be marked “Exempt - Not for publication” together with the category of information likely to be disclosed.

56.12. Individual Executive Decisions

56.12.1. No Key Decision shall be taken by a Cabinet Member or an Officer unless they have first received a report setting out the background to that decision, the available options and the implications of that decision. Provided that in cases of special urgency, the Cabinet Member or Officer may take that Key Decision without first having received a report if they first obtain the agreement of the Chair of the Scrutiny Committee that the taking of the decision cannot reasonably be deferred to permit the preparation, publication and consideration of a report. If there is no Chair of the Scrutiny Committee, or if the Scrutiny Committee Chair is unable to act, then the agreement of the Chair of the Council (or in his or her absence, the Vice-Chair) will suffice.

56.12.2. Where a Cabinet Member or an authorised Officer receives a report which they intend to take into consideration when they make a Key Decision they shall not make that decision until the report has been available for public inspection for at least five clear days after the report is received by the Cabinet Member / Officer.

56.12.3. The person who submits the report to the Cabinet Member / Officer shall, at the same time, supply a copy of it to the Chair of the Scrutiny Committee, or where there is no Chair, to every Member of the Committee.

56.12.4. The originating Officer shall include, in any report required to be available for inspection by the public, a list of background papers for the report and shall ensure that sufficient copies of the background papers are available to meet every reasonable request from members of the public for them. This does not require the disclosure of exempt or confidential information or advice from a Political Assistant

- a) the title of the Officer and date of decision;

- c) a statement of the reasons for the decision and any alternative options considered and rejected in accordance with provisions of Rule 18 (Recording and Publishing Decisions); and
- d) a record of any conflict of interest in relation to the matter decided which is declared by any Member of the decision-making body, and in respect of any declared conflicts of interest, a note of any dispensation granted by the Head of Paid Service.

- b) a record of the reasons for the decision(s);
- c) details of alternative options considered and rejected by the decision-making body or individual;
- d) a record of any conflict of interest in relation to any matter decided which is declared by any Member of the decision-making body or a Cabinet Member, together with a record of any dispensation granted by the Council's Monitoring Officer;

56.13.2. These documents, once prepared, will be available for the public to inspect at the Council's Offices (East Suffolk House, Station Road, Melton, and Riverside, 4 Canning Road, Lowestoft) during normal office hours, or on the Council's Website.

56.13.3. Confidential or exempt information or the advice of a Political Advisor need not be disclosed.

56.13.4. So far as is reasonably practical, we will aim to make available within ten working days after every meeting of the Council, Scrutiny, regulatory, and other committees, the minutes of the meeting excluding any part of the minutes of proceedings when the meeting was not open to the public or which disclose exempt or confidential information.

56.13.5. Records of decisions and minutes published in accordance with paragraphs 40.13.1 and 40.13.4 above shall continue to be available to the public for six years after the meeting date.

56.14. The Forward Plan Of Key And Exempt Decisions

56.14.1. A Forward Plan will be prepared by the Leader of the Council which will contain details of all the matters likely to be the subject of Key Decisions and confidential

and exempt decisions by the Cabinet, individual Cabinet Members and authorised Officers of the Council for a period of four months.

- 56.14.2. The Forward Plan will be updated on a monthly basis, or as required, ensuring all Key Decisions and confidential and exempt decisions that are due to be taken are included within the Forward Plan.
- 56.14.3. The Forward Plan will be published at least 28 clear days before the start of the period covered by the plan.
- 56.14.4. The most recent Forward Plan shall be taken to have superseded any or each earlier plan.
- 56.14.5. Each current Forward Plan will be available for public inspection at the Council's Offices (East Suffolk House, Station Road, Melton, and Riverside, 4 Canning Road, Lowestoft) during normal office hours, or on the Council's Website.
- 56.14.6. The Forward Plan shall contain the items below if they are available when the plan is prepared, or which the person preparing it may reasonably be expected to obtain:
- a) the matter in respect of which a decision is to be made;
 - b) where the decision taker is an individual, their name and title, if any and where the decision taker is a body, its name and details of membership;
 - c) the date on which, or the period within which, the decision will be taken;
 - d) the identity of the principal groups whom the decision taker proposes to consult before taking the decision;
 - e) the means by which any such consultation is proposed to be undertaken;
 - f) the steps any person might take who wishes to make representations to the Cabinet or decision taker about the matter in respect of which the decision is to be made, and the date by which those steps must be taken; and
 - g) a list of the documents submitted to the decision taker for consideration in relation to the matter and details about how the public can access these documents or request such details as they become available (subject to restrictions); and
 - h) whether the reports to be considered by the decision-maker will include confidential or exempt information and require the meeting to be private to consider the item, either in full or part and the relevant exemption category.
- 56.14.7. Where the public might be excluded from the meeting, or documents relating to the decision need not be disclosed to the public, then the Forward Plan shall contain details of the matter but may not contain any confidential or exempt information or particulars of the advice of a political adviser.
- 56.14.8. If the Cabinet, its committees or Cabinet Members exercising delegated powers meet to discuss a Key Decision to be taken collectively, with an Officer other than a political assistant, within 28 days of the date according to the Forward Plan of Key and Exempt Decisions by which it is to be decided, then it must also comply with

these rules. This requirement does not include meetings, whose sole purpose is for Officers to brief Members.

56.15. General Exception For Inclusion In The Forward Plan

56.15.1. If a matter, which is likely to be a Key Decision, has not been included in the Forward Plan, then subject to Rule 40.16 'Special Urgency', the decision may still be taken if:

- a) the decision must be taken by such a date that it is impracticable to defer the decision to ensure that notice has been published in the Forward Plan or any subsequent notice at least 28 days ahead of the expected date of the decision and;
- b) the Proper Officer has informed the Chair of the Scrutiny Committee, or if there is no such person, each Member of the Scrutiny Committee in writing, by notice, of the matter to which the decision is to be made including reasons why compliance with the requirements to provide at least 28 clear days' notice was impractical in that case;
- c) the Proper Officer has made copies of that notice available to the public at the offices of the Council (East Suffolk House, Station Road, Melton, and Riverside, 4 Canning Road, Lowestoft) and on the [Council's Website](#); and
- d) at least five clear days have elapsed since the Proper Officer complied with (b) and (c).

56.15.2. Where such a decision is taken by the Cabinet or by Cabinet Members exercising delegated powers, it must be taken in public unless it contains exempt or confidential information.

56.15.3. The call-in procedure will apply.

56.16. Special Urgency

56.16.1. If Rule 40.15.1 or 40.15.2 cannot reasonably be complied with, then the decision can be taken, but only if the decision taker (if an individual) or the Chair of the body making the decision, obtains the agreement of the Chair of the Scrutiny Committee that the taking of the decision cannot be reasonably deferred. If there is no Chair of the Scrutiny Committee, or if the Scrutiny Committee Chair is unable to act, then the agreement of the Chair of the Council, or in their absence the Vice-Chair will suffice. If Rule 15.3 cannot reasonably be complied with, it is for the Chair of Council to decide whether the decision can be exempt from the call in procedure pursuant to Rule 12 of the Scrutiny Procedure Rules.

56.16.2. As soon as practicable after the agreement has been obtained, a notice must be published, made available to the public at the Council's Offices and on the Council's website setting out the reasons for urgency and why the decisions cannot be reasonably deferred.

Urgency Provisions for taking Non-Key Decisions

56.16.3. In regard to non Key Decisions, if by virtue of the date by which a decision must be taken Rule 40.16 cannot be followed, then the decision can only be taken if the decision taker (if an individual) obtains the agreement of the Chair of the relevant

committee, and confirmation of the decision is obtained at the next meeting of that committee.

56.17. Notice Of Private Meeting of the Cabinet

- 56.17.1. Where the Cabinet or Individual Cabinet Member is likely to consider an item of business that contains exempt or confidential information and will require the public to be excluded from the meeting to prevent disclosure of this information, it must publish a notice 28 clear days in advance of the meeting including a statement of reasons for the meeting being held in private for that item. The notice will include details of how representations can be made.
- 56.17.2. At least five clear days before the meeting a further notice will be published setting out the reasons for holding any part of the meeting in private, details of any representations received about why the meeting should be held in public and a response to those representations. The meeting will then consider the representations and responses and pass a resolution excluding the public.
- 56.17.3. Except for when the report contains confidential information provided by a Government Department on terms which forbid the disclosure of the information to the public or the disclosure of information of which the public is prohibited by or under any enactment or by the order of a court.
- 56.17.4. If the date of the meeting and the urgency of the decision makes compliance with this requirement impracticable, the meeting may only be held in private with the agreement of the Chair of the Scrutiny Committee, or if the Scrutiny Committee Chair is unable to act, then the agreement of the Chair of the Council, or in their absence the Vice Chair will suffice. After that permission is obtained a notice will be published setting out the reasons why the matter is urgent and cannot reasonably be deferred.

56.18. Attendance at Private Meetings of the Cabinet

- 56.18.1. Notice of private meetings of the Cabinet and its committees will be served on the chairmen of the Scrutiny Committee and sub-committees, at the same time as notice is served on Members of the Cabinet. Where the Scrutiny Committee does not have a Chair, the notice will be served on all the Members of the Scrutiny Committee.
- 56.18.2. Where a decision is to be made at a private meeting of the Cabinet and that decision is within the remit of the Scrutiny Committee / sub-committee, the Chair of that Scrutiny Committee / sub-committee, or in their absence the vice Chair, may attend that private meeting and, with the consent of the person presiding, speak.
- 56.18.3. The Head of Paid Service, the Section 151 Officer and the Monitoring Officer, and their nominees, are entitled to attend any meeting of the Cabinet where a decision is to be made. Where a decision(s) is to be made, the Cabinet may not meet unless the Proper Officer has been given reasonable notice that a meeting is to take place.

56.18.4. Where a decision(s) is to be made, a private Cabinet meeting may only take place in the presence of the Proper Officer or their nominee with responsibility for recording and publicising the decisions.

56.19. Rights of Members of the Scrutiny Committee

56.20. Reports to the Local Authority Where the Key Decision Procedure is not followed

Where an executive decision has been made and was not treated as being a Key Decision and the Scrutiny Committee is of the opinion that it should have been treated as a Key Decision, then any three Members of the Scrutiny Committee (including either the Chair or Vice Chair) may require the executive decision maker to submit a report to the Council within such a reasonable period as the Scrutiny Committee might specify. The report must include details of who made the decision, the decision and reasons for it and the reasons why the executive decision-maker did not consider the decision as a Key Decision.

56.21. Additional Rights of Access to Documents for Members

Any document which is in the possession or under the control of the Cabinet or its committees and contains material relating to any business to be transacted at a public meeting shall be available for inspection by any Member of the Council.

56.21.1. Any document which is in the possession, or under the control, of the Cabinet or its committees; and

- a) contains any material relating to any business transacted at a private meeting of the Cabinet;

57. Contract Procedure Rules

57.1. Introduction and Overview

- 57.1.1. These Contract Procedure Rules exist to ensure that the Council lets contracts in a fair, consistent, honest, legal and transparent manner. There is also a statutory basis for the rules which promote good purchasing practice and public accountability.
- 57.1.2. These rules lay down the minimum standards which must be adhered to when undertaking a procurement.

57.1.3. Furthermore, these Contract Procedure Rules must be read in conjunction with the wider Constitution, including its Financial Procedure Rules, decision making processes and delegated authorities.

57.2. Excluded Contracts

57.2.1. Some contracts are not covered by these rules. These are:

- Contracts for employment
- Agreements regarding the acquisition, disposal or transfer of land
- Agreements creating planning obligations
- Grant awards or loan advances
- Procurements with an “in house” provider. This is often referred to as a “Teckal” or vertical arrangement and subject to specific legal tests
- Some procurements between other public sector bodies

Further advice can be sought from the procurement team.

57.3. Procurement Principles

57.3.1. The aim of every procurement exercise should be to achieve Value for Money as part of the Council’s general requirement to secure Best Value.

57.3.2. In addition to securing Value for Money, the Council will have a Procurement Strategy which lays down additional principles of the Council’s approach to procurement. The procurement strategy aligns procurement to the Council’s strategic plan and will consider things such as social value outcomes and local business participation.

57.4. Procurement Procedures and Approval Thresholds

57.5. Contractual Requirements

57.5.1. All contracts, including those to be made using purchase orders, must be concluded formally in writing (with contracts signed) before the supply, service or works begin except in exceptional circumstances and then only with the written consent of a Chief Officer (Chief Executive or a Strategic Director).

57.5.2. Contracts can only be awarded in line with the Financial Procedural Rules, with officers ensuring they have the relevant financial authorisation limits and approval levels.

57.6. Contract Management and Register

57.6.1. A detailed contract register for contracts worth over £5,000 will be maintained by the Council's procurement team. This is a legal requirement.

57.6.2. Named officers within the relevant team will be responsible for the day-to-day operational management of all contracts within their service area.

57.7. Exemptions to the Contract Procedure Rules

57.7.1. There may be times when the provisions of these Contract Procedure Rules cannot be fully implemented. When deviating from these rules an exemption must be sought.

57.7.2. When seeking an exemption advice must be sought from the procurement team. Consultation and agreement for an exemption must be undertaken with both the Council's Section 151 Officer and Monitoring Officer.

57.7.3. Where the total value of the contract exceeds £75,000 the relevant Cabinet Member must also be consulted.

57.7.4. Only the Chief Executive or a Strategic Director can sign off an exemption (after consultation with and agreement of s151 Officer, MO, and the Cabinet Member as required pursuant to the Contract Procedure Rules Supplementary Notes).

57.7.5. No exemptions can be sought for any procurements above the public procurement thresholds.

57.8. Contract Procedure Rules Supplementary Notes

57.8.1. An operational document has been prepared to further support and supplement the Council's procurement processes and must be referred to when undertaking any procurement and subsequent award of a contract. This guidance can be [found here](#).

58. Finance Procedure Rules

58.1. Introduction

58.1.1. The Financial Procedure Rules provides the framework for the financial administration of the Council with a view to ensuring that financial matters are conducted in a sound and proper manner, constitute value for money and minimise the risk of legal challenge.

58.1.2. All financial decisions and decisions with financial implications must have regard to proper financial control. Any doubt as to the appropriateness of a financial proposal or correctness of a financial action must be clarified in advance of the decision or action with the Section 151 Officer.

58.1.3. These Financial Procedure Rules should be read in conjunction with the Contract Procedure Rules and the Scheme of Delegation.

58.2. Responsibilities

To the Council

58.2.1. Elected members and employees of the Council are responsible for ensuring that they use the resources and assets entrusted to them in a responsible and lawful manner. They should strive to achieve value for money and avoid legal challenge to the Council.

Personal

58.2.2. Any person charged with the use or care of Council resources and assets should make themselves aware of the Council's requirements under these rules. If anyone is in doubt as to their obligations, then they should seek advice. Unresolved questions of interpretation should be referred to the Section 151 Officer.

58.2.3. All employees must report immediately to their manager, supervisor, or other responsible senior Officer any illegality, impropriety, serious breach of procedure or serious deficiency in the provision of services that they suspect or become aware of. Employees can do this without fear or recrimination providing they act in good faith via the Council's Whistle Blowing Policy. In such circumstances managers must record and investigate such reports and take appropriate action.

58.2.4. Compliance with the Council's Anti-Fraud and Corruption Strategy and the Code of Conduct for Officers is mandatory for all Officers.

58.2.5. The Corporate Leadership Team are responsible for ensuring that all staff within their service areas are aware of the existence and content of the Financial Procedure Rules and that they comply with them.

58.2.6. Wherever any matter arises which may involve irregularities in financial transactions, members of CLT must consult with the Section 151 Officer and, if a serious irregularity is confirmed, the matter shall be reported to the Chief Executive, Monitoring Officer and appropriate Cabinet Member.

58.2.7. Members of CLT must notify the Head of Internal Audit immediately of any suspected fraud, theft, irregularity, improper use or misappropriation of Council property, assets or resources. Pending investigation and reporting, the Strategic Director/Head of Service should take all necessary steps to prevent further loss and to secure records and documentation against removal or alteration.

58.3. Section 151 Officer

58.3.1. Section 151 of the Local Government Act 1972 states "every local authority shall make arrangements for the proper administration of their financial affairs and shall secure that one of their Officers has responsibility for the administration of those affairs." This officer is the Council's Section 151 Officer.

58.3.2. The Council will also appoint a deputy Section 151 Officer who will act in the place of the Section 151 Officer if the Chief Officer is absent or unable to act due to conflict or other relevant issues.

58.3.3. The Section 151 Officer is responsible:

- For setting financial management standards and monitoring compliance with them.
- For preparing and submitting reports on revenue and capital budgeting and budget forecasts to Cabinet.
- For advising Cabinet and/or Council on prudent level of reserves and to consider the advice of CIPFA in this matter.
- For preparing the Council's annual Statement of Accounts.

- For advising the Council on Cabinet proposals in accordance with the responsibilities under Section 151 of the Local Government Act 1972.
- For reporting any breaches of the Financial Procedure Rules to Council/Cabinet.
- For powers under Section 114 of the Local Government and Finance Act 1988 which includes reporting to Council, Cabinet and External Auditor if unlawful action is about or has been taken.
- For developing and maintaining a Risk Management Strategy and Risk Register.
- For implementing appropriate measures to prevent and detect fraud and corruption and ensure that effective procedures are in place to investigate promptly any identified fraud or irregularities.

58.3.4. The Section 151 Officer can:

- In exceptional circumstance temporarily suspend the Financial Procedure Rules, keeping a written record of the reasons for such a decision.

59. Financial Planning

59.1. Budgeting

59.1.1. The Council is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighted priorities.

59.1.2. The revenue budget must be constructed to ensure that resource allocation properly reflects the service plans and priorities of the Council. Budgets (spending plans) are needed so that the Council can plan, authorise, monitor, and control the way money is allocated and spent. It is illegal for a Council to budget for a deficit.

59.1.3. Medium-term planning involves a cycle in which managers develop their own plans in conjunction with the Section 151 Officer. As each year passes, another future year will be added to the Medium Term Financial Strategy (MTFS). This ensures that the Council is always preparing for events in advance.

59.2. Capital Programme

59.2.1. Capital expenditure involves acquiring or enhancing fixed assets with long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.

59.2.2. Capital expenditure must form part of an investment strategy and must be carefully prioritised and scrutinised to maximise the benefit of scarce resources.

59.2.3. When seeking additional capital monies for existing projects which is not excluded funding, approval is required, refer to supplementary and virement procedures.

59.2.4. Officers can only proceed with projects where there is adequate provision in the Capital Programme, following Cabinet or Council approval, and with the agreement

of the Section 151 Officer. Cabinet can approve projects up to a value of £1,000,000 (general fund) and £1,000,000 (housing revenue) in any one financial year – either alone or cumulative after which Council approval is required.

59.2.5. With the agreement of the Section 151 Officer, the progress of a project may be accelerated by deferring the start of another project in that year's programme or, if delays are occurring generally, a scheme programmed to start in a later year may be brought forward.

59.2.6. Formal project management via the Council's project management framework is a requirement in the initiation and delivery of large or complex capital projects, including the completion of a business case.

59.3. Maintenance of Reserves

The Council must decide the minimum level of General Reserves it wishes to maintain before it can decide the level of Council Tax it sets. Reserves are set as a matter of prudence. They enable the Council to provide for unexpected events and thereby protect it from overspending, should such events occur. There are also reserves earmarked for specific requirements.

59.4. Housing Revenue Account

59.4.1. East Suffolk Council has a Housing Revenue Account (HRA).

59.4.2. The HRA records expenditure and income arising from the provision of housing accommodation by the Council. It is a ring-fenced account within the General Fund. The main items of expenditure included in the account are management and maintenance costs, major repairs, loan charges, and depreciation costs. The main sources of income are from tenants in the form of rents and service charges.

59.4.3. The HRA is based on accruals in accordance with proper accounting practices, rather than cash accounting.

59.4.4. The HRA cannot budget for a deficit and all borrowing within the HRA must be in line with the CIPFA Prudential Code.

59.5. Alternative Budget proposals

59.5.1. Any alternative budget proposal an opposition group wishes Full Council to consider, at the meeting where the budget is to be set, must be sent to the Section 151 Officer at least five working days before the meeting is scheduled to take place.

59.5.2. If an alternative budget is submitted to the Section 151 Officer five working days before the budget setting Full Council meeting, then the Section 151 Officer will provide an opinion as to whether the alternative budget, if agreed by Full Council, would satisfy the legal requirement to set a balanced budget.

60. Financial Management

Managing Income & Expenditure

60.1. Budget Monitoring and Control

60.1.1. Once the budget has been approved by Council, allocated resources should be used for their intended purposes and properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budgets targets during the financial year.

60.1.2. By continuously identifying and explaining variances against budget targets, the Council can identify changes in trends and resource requirements at the earliest opportunity.

60.1.3. To ensure the Council does not overspend in total, each service is required to manage its own income and expenditure within the budget allocated to it. For the purposes of budgetary control by managers, a budget will usually be the planned income and expenditure excluding support and capital charges, for a department.

60.2. Transfer of budgets (Virement)

60.2.1. A virement is the transfer between existing budgets to manage budgets with a degree of flexibility within the overall budget and policy framework determined by Council.

60.2.2. The Section 151 Officer is responsible for agreeing procedures for transferring (virement) of expenditure between budget headings.

60.2.3. Virements are not permitted between the General Fund and the Housing Revenue Account, and between capital and revenue, and are also not permitted from staffing budgets to any other budget heading except with the express approval of the Section 151 Officer. 62. Risk Management and Control Of Resources

62.1. Risk Management

62.1.1. Risk is the chance or possibility of loss, damage, injury, or failure to achieve objectives caused by an unwanted or uncertain action or event.

62.1.2. Risk Management is the planned and systematic approach to the identification, evaluation, and control of risk.

62.1.3. The Audit and Governance Committee monitors the effective development and operation of Risk Management. It is the overall responsibility of Cabinet to approve the Risk Management Strategy, and to promote a culture of risk management awareness throughout the Council.

62.2. Indemnities

62.2.1. Officers must consult with the Section 151 Officer and Monitoring Officer on the terms of any indemnity that the Council is requested (or has offered) to give.

62.2.2. Ensure that credit arrangements such as loans and lease arrangements are not entered into without prior consultation with the Section 151 Officer. 62.3. Internal Audit

62.3.1. The Council is required to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, considering public sector internal auditing standards and guidance.

62.3.2. The Chief Executive must ensure that the Head of Internal Audit has direct access to and freedom to report in his or her own name and without fear or favour to the Chief Executive.

62.3.3. This includes the ability to meet the Chair of the Audit and Governance Committee alone and External Auditors to discuss significant concerns that they may have over the adequacy and effectiveness of internal controls and risk management activities.

62.4. External Audit

62.4.1. External Auditors are legally required to scrutinise the Council's statement of accounts, they must be satisfied that they give a "true and fair view" of the financial position and transactions of the Council (including any group financial statements where applicable) during the year and complies with all legal requirements.

62.4.2. It is the Section 151 Officers responsibility to ensure that external auditors are given access at all reasonable times to premises, human resources, documents, and assets that the external auditors consider necessary for the purposes of their work.

62.5. Preventing Fraud and Corruption

62.5.1. The Council will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside the Council.

63. Assets

63.1. Asset Registers

63.1.1. The Council holds assets in the form of property, vehicles, plant, software, equipment and other items. It is important that these assets are safeguarded and

used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations.

63.1.2. Finance is responsible for maintaining an asset register. An asset register for all fixed assets with a value of over £10,000 must therefore be maintained in accordance with good practice.

63.1.3. Service areas must maintain their own register of assets in terms of anything valued higher than £250 and for insurance purposes the Payables, Receivables and Insurance Manager should be consulted

63.2. Asset Disposals

63.2.1. Disposal of assets must be pursuant to the Asset Management Strategy.

63.2.4. An individual asset valued at below £75,000 can be authorised for disposal by the relevant Strategic Director in consultation with the affected ward Member(s) and Cabinet Member responsible for assets.

63.2.5. Any disposal of assets over the value of £75,000 must be approved by Cabinet.

63.2.6. If an asset being disposed of is part of a wider asset disposal programme, then the cumulative value of the programme, rather than each individual asset, is the value that needs to be considered.

63.3. Intellectual Property Rights

63.3.1. Intellectual Property Rights is a generic term that includes inventions and writing. If these were created by the employee during employment, then, as a rule. They belong to the Council, not the employee.

65.1.1. Sound systems and procedures are essential to an effective framework of financial accountability and control. The Section 151 Officer is responsible for the operation of the Council's accounting systems, the form of accounts and the supporting financial records. Any changes proposed to be made to the existing financial systems or the establishment of new systems must be approved by the Section 151 Officer before they are implemented.

65.2. Income

65.2.1. Income can be a vulnerable asset and effective income collections systems are necessary to ensure that all income due is identified, collected, receipted and banked properly. It is preferable to obtain income in advance of supplying goods or services as this improves the Council's cashflow and avoids the time and cost of administering debts.

65.2.2. The Section 151 Officer is responsible for agreeing the write off of bad debts (in consultation with the relevant Strategic Director/Head of Service) up to £15,000 in value in each case and refer sums more than this limit, but up to £100,000, to the Cabinet Member for Resources for approval. Individual sums to be written off that exceed £100,000 require Cabinet approval and over £1 million requires Full Council approval.

65.3. Ordering and paying for work, goods and services

65.3.1. Public money should be spent with demonstrable probity and in accordance with Council policies. Councils have a statutory duty to achieve best value, in part through economy and efficiency. Council procedures should help to ensure that services obtain value for money from their procurement arrangements. These procedures should be read in conjunction with the Council's Contract Procedure Rules.

65.3.2. Officers and Members engaged in contractual or procurement decisions on behalf of the Council have a responsibility to declare links or personal interests that they may have with purchasers, suppliers and/or contractors, in accordance with appropriate codes of conduct.

65.3.3. Purchase orders must conform to guidelines approved by Council for the procurement of goods, services, and suppliers. Standard terms and conditions must not be varied without the prior Section 151 officer approval.

65.3.4. Direct debits will require prior Section 151 Officer agreement, or a designated bank signatory, before any agreement is signed.

65.3.5. Purchasing card payments may be made by Officers pre-authorised by the Section 151 Officer and identified on the Authorised Signatory List. Spending limits will be set/approved by the Section 151 Officer.

65.5. Taxation

65.5.1. The Section 151 Officer is responsible for advising the Head of Paid Service, in light of guidance issued by appropriate bodies and relevant legislation as it applies, on all taxation issues that affect the Council.

65.5.2. The Section 151 Officer is responsible for maintaining the Council's Tax records, making all tax payments, receiving tax credits and submitting tax returns by their due date as appropriate.

65.6. Trading accounts and business units (excluding Local Authority Companies)

65.6.1. Under proper accounting practices, Councils are required to keep trading accounts for services provided on a basis other than a straightforward recharge of cost in accordance with the Accounting Code of Practice. Not every trading account requires a separate company. These rules do not relate to companies running as separate legal entities and going concerns.

65.6.2. It is the responsibility of the Section 151 Officer to advise on the establishment and operation of trading account and business units.

66. External Arrangements

66.1. External funding (which is not excluded funding)

66.1.1. The source of external funding and the conditions upon which funding is offered need to be carefully considered to ensure that they are appropriate and compatible with the aims and objectives of the Council.

Approver	Threshold
Head of Service/Budget Holder	Less than £20,000
Strategic Director	£ 20,000 to £75,000
Section 151 Officer in consultation with Portfolio Holder	£ 75,001 to £250,000
Cabinet	£ 250,001 to £1 million
Council	Over £1 million

66.1.2. Officers, wherever possible and practical, should seek consent from Cabinet to accept/spend external funding over £250K, which is not excluded funding, before or at the time of applying for the funding (rather than awaiting the outcome of the

funding application because there can be a tight timescale to accept/spend the funding upon notification of the award).

66.1.3. In the absence of pre-approval, if time allows, an extraordinary meeting of Cabinet must be called to accept or spend the funding.

66.1.4. If timelines for the receipt, or spending, of external funding, which is not excluded funding, are too short to call an extraordinary Cabinet meeting to seek Cabinet's consent, the Chair of Council and Chair of Overview and Scrutiny can be approached to seek their approval to receive, or to receive and spend, the external funding.

66.2. Excluded funding

66.2.1. The following categories of funding are excluded funding which can be accepted without Cabinet approval:

- Emergency grant funding from central government
- Statutory grant funding from central government
- Funding that supports capital schemes, or revenue budgets, already approved in the Capital Programme.
- Funding that has no net capital or revenue cost impact on the Council

66.2.2. The relevant Cabinet Member must be informed of the funding bid and acceptance of funding for all excluded funding.

66.3. Local Authority Companies

66.3.1. The Council has a group company structure. East Suffolk Holdings Limited (company number 12280262) is wholly owned by the Council.

66.3.2. East Suffolk Holdings Limited is the sole shareholder in four subsidiary companies:

- East Suffolk Services Limited (company number 14001825),
- East Suffolk Property Investments Limited (company number 12334865),
- East Suffolk Property Developments Limited (company number 12334993), and
- East Suffolk Constructions Services Limited (company number 12334919)

66.4. Shareholder Reference Group

66.4.1. A Shareholder Reference Group (SRG), as a committee of Cabinet, performs the Council's role as shareholder/owner of its group of companies and exercises the Council's rights under the Articles of each company and under the Shareholder Agreement, except for any rights reserved to Cabinet or Full Council.

66.4.2. The decisions of the SRG are subject to 'call in' by the Overview and Scrutiny Committee. Members of East Suffolk Council may attend meetings of the SRG and may ask questions with the permission of the person presiding.

66.4.3. The Shareholder Representative is the Chair of the SRG. They act as a two-way channel of communication between the Directors of the company and the SRG. The day-to-day operation of the companies is the responsibility of the Directors of the company.

66.5. Freeport East

66.5.1. Freeport East Limited was incorporated on 6 December 2022. ESC is a Member of Freeport East Limited (company number 14525587) with the right to appoint a Director.

66.5.2. East Suffolk is also the Accountable Body for Freeport East Limited. As the Accountable Body, ESC oversees the proper governance and administration of financial affairs within the Freeport.

CODES AND PROTOCOLS

67. Protocol for Member/Officer Relations

67.1. Introduction

67.1.1. This protocol provides guidance to Members and Officers about how they should interact with each other and outlines some of the appropriate conventions in place within the Council. It cannot cover every eventuality and is not intended to be prescriptive but offers guidance on some issues which commonly arise.

67.1.2. This protocol needs to be considered alongside the Codes of Conduct for Members and Officers. The aim of those codes is to enhance and maintain the integrity of local government with very high standards of personal conduct.

67.2. Key Points

67.2.1. The following key points underpin the Member/Officer working relationship:

- a) Working relations between Members and Officers must be based on mutual trust and respect.
- b) Officers must always remain politically neutral and must not offer advice of a political nature.
- c) Officers have a duty to support all Members and provide them with the level of information they need to carry out their roles.
- d) Officers will keep discussions with political groups and individual Members confidential unless the group or Member gives permission to discuss the matter with others.
- e) Ward Members will be kept informed of relevant matters within their ward and are normally invited to attend public meetings organised by the Council in their ward.
- f) Members have a right to access the information which they "need to know" to carry out their duties and responsibilities as a Member.
- g) Members must understand and respect the competing pressures and workloads on Officers' time.

67.3. Definition of the Role of Members and Officers

67.3.1. Members and Officers are servants of the public. Members are responsible to the electorate and serve only so long as their term of office lasts.

67.3.2. For the effective conduct of Council business, there should be mutual respect and courtesy in all meetings and contacts (both formal and informal) between Members and Officers.

67.3.3. Any behaviour which could be viewed as conferring an advantage or disadvantage should be avoided, as should close personal familiarity between Members and Officers, which could undermine public confidence in the Council.

67.4. Members

67.4.1. Members are accountable to and serve the electorate of East Suffolk who determine, every four years, the people they wish to represent them on the Council.

67.4.2. Members, as politicians, may express the values and aspirations of their party-political groups but they must recognise that in their role as Members they have a duty to always act in the public interest.

67.4.3. Members may have several roles within the Council and on external bodies or organisations and need to be alert to the possible conflicts of interest that may arise. Members should always be aware that the role they are performing may impact upon the nature of their relationship with Officers and the expectations that Officers may have of them.

67.4.4. Members are mainly responsible for:

- a) the political direction and leadership of the Council
- b) determining policies, plans and strategies
- c) implementing those policies, plans and strategies
- d) discharging the Council's regulatory functions
- e) monitoring and reviewing, primarily through the Cabinet and Scrutiny functions, the Council's performance in implementing its policies, plans and strategies and delivering its services
- f) participating in partnership working
- g) representing the Council on national regional and local bodies and organisations
- h) representing the views of their communities and individual constituents

67.4.5. Some Members will have additional responsibilities relating to their Membership (and/or Chairmanship) of the Cabinet, Scrutiny Committees/Panels or other committees and subcommittees. These roles may require different relationships with certain Officers.

67.4.6. Officers can expect Members:

- a) to act within the policies, practices, processes and conventions established by the Council
- b) to work constructively in partnership with Officers acknowledging their separate and distinct roles and responsibilities
- c) to understand and support the respective roles and responsibilities of Officers and their workloads, pressures, scope of powers and management structures

- d) to give political leadership and direction and to seek to further the Council's agreed policies and objectives with the understanding that, subject to the Scheme of Delegation to Officers and the Council's core objectives in decision making, Members have the right to take the final decision on issues
- e) to consider the advice given by Officers
- f) to treat them fairly and with respect, dignity and courtesy
- g) to act with integrity, give support and respect appropriate confidentiality
- h) to recognise that Officers work to the instructions of their senior Officers and not to individual Members;
- i) not to subject them to intimidation, harassment, or put them under undue pressure
- j) have regard to the seniority of Officers in determining what are reasonable requests, taking in to account the relationship between the Member and Officer, and the potential vulnerability of Officers, particularly at junior levels
- k) not to knowingly request them to exercise discretion which involves acting outside the Council's policies and procedures
- l) not to authorise, initiate, or certify any financial transactions or to enter into any contract, agreement or undertaking on behalf of the Council or in their role as a Member without proper and lawful authority
- m) not to use their position or relationship with Officers to advance their personal interest or those of others or to influence decisions improperly
- n) to always comply with the Members' Code of Conduct, the law, the Constitution and other policies, procedures, protocols and conventions agreed by the Council
- o) Not to criticize staff or specific Officers publicly, whilst recognizing that Members may wish publicly to criticize the activities of the Council or specific decisions of the Council.
- p) To avoid inappropriate involvement in day to day managerial and operational decisions which are matters for Officers.

67.5. Officers

67.5.1. Officers are employed by and are responsible to the Council.

67.5.2. The primary role of Officers is to advise, inform and support all Members and to implement the lawfully agreed policies of the Council.

67.5.3. Officers are responsible for day to day managerial and operational decisions within the Council.

67.5.4. In performing their role Officers will act professionally, impartially and with political neutrality. Whilst Officers will report a Member's view on an issue, the Officer should not be influenced or pressured to make comments, or recommendations which are contrary to his professional judgement or views.

67.5.5. Officers should:

- a) work in partnership with Members in an impartial and professional manner
- b) implement decisions of the Council and its subordinate bodies which are lawful, have been properly approved in accordance with the requirements of the law and the Constitution, and are duly recorded

- c) assist and advise all parts of the Council. Officers must always act to the best of their abilities in the best interests of the Council as expressed in the Council's formal decisions
- d) respond to enquiries and complaints in accordance with the Council's standards
- e) be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Members, the media or other sections of the public
- f) always to act with integrity, honesty, respect, dignity and courtesy
- g) provide support and learning and development opportunities for Members to help them in performing their various roles
- h) not use their relationship with Members to advance their personal interests or to influence decisions improperly
- i) always comply, with the Officer Code of Conduct, and such other policies or procedures approved by the Council
- j) not publicly criticize any Member of the Council, the Council itself, or its decisions.

67.5.6. Officers do not have to support Members in any role other than that of Member and will not engage in actions incompatible with this protocol. Officers cannot get involved in political activities.

67.6. Officer Advice to Party Groups

67.6.1. Officers cannot be instructed to attend party political group meetings or write reports for such meetings. Any requests for advice or attendance shall be directed through the Group Leaders or Chair for the relevant Committee or the Cabinet Member concerned.

67.6.2. The request shall be made to the Chief Executive or relevant Strategic Director, or in their absence to the next appropriate Officer. An Officer accepting an invitation to one group or individual will not decline an invitation to advise another group or individual on the same subject. Any request received and advice given shall be the subject of strict confidentiality, unless agreed otherwise.

67.7. Political Group Support Officers

67.8. Section 9 of the Local Government and Housing Act, 1989 gives councils a power to appoint political group support officers to qualifying political groups. Whilst the Act allows the political affiliation of an individual to be taken into account in the appointment of any political group support officers, they remain officers of the Council and must therefore not undertake any activity, which may be deemed unlawful. In this context, it should be realised that officer support to the political groups is in the context of their role in the discharge of Council business and although it may require liaison with political parties, at both local and national level, should not be used in promoting the views of an individual political party or undertaking campaigning or other party political business.

67.9. Political group support officers hold politically restricted posts and therefore also face restrictions on their personal political activity.

67.10. Briefings for Cabinet and Committees

- 67.10.1. The principles outlined above do not obviate the necessity for regular contact on matters affecting the Council between Senior Officers and the leaders of political groups, or on matters affecting Cabinet Members' responsibilities or those of committee Chairmen.
- 67.10.2. It is recognised that groups may wish to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision-making body. Political groups may at their own discretion decide to engage jointly in such deliberations. Officers may be called upon to support and contribute to such deliberations, provided they maintain a stance of political neutrality.
- 67.10.3. Support includes briefings for the Cabinet and committees, and briefings for Members related to their individual role, e.g. Cabinet Member or Scrutiny Chairman. Officers should be asked to give advice on Council business only, and not on matters which are of a party-political nature. Support and advice on Council business is available to all political groups.
- 67.10.4. Usually, only the Chief Executive, Strategic Directors, Heads of Service or Managers may be asked to provide the support outlined in paragraphs 3 and 4. Requests for attendance should be made in sufficient time to allow proper preparation.
- 67.10.5. Due consideration will be given to the timing of meetings to avoid onerous demands being made on Officers. The time spent advising a group or individual will be reasonable, given the demands on the time of all concerned.

67.11. Support Services for Members

- 67.11.1. The role of Officers is to assist Members in discharging their role as Members of the Council. Officers must not be used in connection with party political campaigning or for private purposes. Council resources (e.g. Member services, stationery, photocopying) may only be used for Council business or where such use is conducive or incidental to that role.

67.12. Members' Access to Information

- 67.12.1. All political groups are equally entitled to request copies of background information underpinning decisions including essential financial information. All such requests and the replies shall remain confidential to that Party, although Parties may at their discretion choose to share that information between Political Groups.
- 67.12.2. Members are reminded of the need to consider whether such information is likely to fall within the categories of Confidential or Exempt Information (as defined in this Constitution) and to treat it accordingly. Release of information to Members will be subject to the laws on confidentiality and disclosure of information and the Code of Conduct.

67.12.3. The common law right of Members is based on the principle that any Member has a right to inspect Council documents so far as their access to the documents is reasonably necessary to enable them to properly perform their duties as a Member of the Council. This is referred to as the "need to know" principle.

67.12.4. The exercise of this common law right depends upon the Member's ability to demonstrate that they have the necessary "need to know". A Member has no right to a "roving commission" to go and examine documents of the Council.

67.12.5. The question must initially be determined by the Chief Officer whose team holds the documents in question, with advice from the Head of Legal and Democratic Services. If the Chief Officer refuses to supply the information requested by the Member, the Member may refer the matter to the Monitoring Officer who will review the decision.

67.12.6. In some circumstances (e.g. a committee Member wishing to inspect documents relating to the functions of that committee), a Member's need to know will normally be presumed. In other circumstances (e.g. a Member wishing to inspect documents which contain personal information about third parties), a Member will normally be expected to justify the request in specific terms and may be required to do so in writing.

67.12.7. Draft Council, Cabinet, committee or sub-committee reports and working papers will be considered as work in progress and so may not be requested under these rules.

67.13. Reports

67.13.1. The Chief Executive, Strategic Directors and Heads of Service may initiate reports on any matter where they believe the Council, Cabinet, committee or sub-committee should make a decision or should be informed.

67.13.2. Where such a report affects another service, the appropriate Strategic Director and Head of Service must be consulted. The appropriate Cabinet Member shall be consulted prior to the publication of a Cabinet report which concerns their Portfolio. Reports shall communicate all relevant information and professional opinions, together with appropriate recommendations. The Cabinet Member may make suggestions as to the content and timing of the report.

67.14. Scrutiny Committee

67.14.1. Scrutiny Committee may require Senior Officers and Members to attend and provide any information required to answer questions (other than those which they would be entitled to refuse to answer in a court of law). Detailed provisions are contained within the Scrutiny Procedure Rules.

67.15. Ward Members

- 67.15.1. It is recognised that because of the workload of both Members and Officers, it is impractical for Ward Members to be advised of everything that is happening within the Council which affects their ward. However, the Ward Members (and, where appropriate, neighbouring Ward Members) should be kept informed and consulted on significant matters affecting their Ward (other than planning applications which can be accessed via the Planning Portal). Officers will need to exercise their judgement in deciding which matters are “significant” in this context. In exercising this judgement, Officers will take into account the significance, publicity value or contentiousness of the issues. Where matters contained in reports to the Cabinet or a committee or sub-committee are considered to be of particular relevance to a single ward or identifiable group of wards, those wards will be identified in the report. In the case of public meetings in a particular locality, Ward Members will normally be invited to attend and can expect to be consulted on any form of consultation exercise on local issues.
- 67.15.2. So far as decision making is concerned, Members remain accountable to the whole electorate of the District and must make decisions on matters which come before them which balance the interests of the electorate as a whole.

67.16. Ward Members

- 67.16.1. Where an Officer copies correspondence addressed from one Member to another, it should be made clear to the originator and should not be sent to any Member of another group without the originator's consent.
- 67.16.2. Members' correspondence with Chief Officers should not be copied to Cabinet Members or Scrutiny Committee Chair unless the originating Member consents.
- 67.16.3. Official letters from the Council should normally be sent out in the name of the appropriate Officer, rather than a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) to address correspondence in the name of the Member, but this is the exception rather than the rule. Letters which create obligations or give instructions must not be sent out in the name of a Member.
- 67.16.4. Any Members who receive correspondence in their capacity as Cabinet Members shall respond to the correspondence in their official capacity only. Such correspondence shall be copied to the Leader of the Council except when doing so would constitute a breach of professional confidence.

67.17. Media Management

- 67.17.1. All press releases will be written by the Council's Communications Team and should be approved by the relevant Cabinet Member or by the chairman and vice-chairman of the appropriate committee / sub-committee before issue. If the relevant Cabinet Member is not available, the Leader or Deputy Leader of the Council should be consulted. If neither the chairman nor vice-chairman of a

committee is available, a representative of his / her group, nominated by the Leader or Deputy Leader of the group, should be consulted.

- 67.17.2. All local government publicity material must comply with the Local Government Act 1986 and the Code of Recommended Practice on Local Authority Publicity. The Communications Team should be contacted with any queries in this respect. Specific guidelines in the Code apply to election period and particular care must be taken at this time.
- 67.17.3. Approaches for information from the press which relate exclusively to matters of fact should be dealt with by the Council's Communications Team. Where approaches from the media relate to political matters or political controversy, the media should be directed, in seeking comments, to the Leader of the Council or relevant Cabinet Member (in relation to executive functions) and to the chairman of the relevant committee or, if they are not available, the vice-chairman (in the case of Scrutiny, and regulatory committees). It is recognised that the Communications Team will have to exercise their judgement in assessing whether a matter is or is likely to be the subject of political controversy.
- 67.17.4. Council publicity should not be used to publicise individual Members, except where they are acting to represent the Council as a whole

67.18. Ceremonial Events

- 67.18.1. Ceremonial events would normally be attended by the Chairman or Vice-Chairman of the Council, unless they relate specifically to initiatives led by the Cabinet or a particular committee, in which case the Cabinet Member, Chairman or Deputy Chairman of that Committee would attend.
- 67.18.2. In addition, local Members should be informed and, where possible and appropriate, invited to participate.

67.19. Inspection of lands, premises, etc.

- 67.19.1. A Member shall not, unless authorised to do so by the Council or the relevant committee or the head of the relevant department, inspect any lands, premises, or works which the Council have a right or duty to inspect.
- 67.19.2. A Member shall not issue any order with regard to any matter under the jurisdiction of the Council or as regards any works which are being carried out by or on behalf of the Council or give any instructions to any employee of the Council.

67.20. Complaints

- 67.20.1. Where a Member's conduct is considered inappropriate, contact should be made in the first instance with the Chief Executive or Monitoring Officer.
- 67.20.2. If it is a matter of party discipline, then the matter will be investigated by the party itself, otherwise such matters will be investigated by the Chief Executive or

Monitoring Officer or a person duly authorised by them. In serious cases, or case where it appears that a Member may have breached the Code of Conduct, a written complaint may be made to the Monitoring Officer.

- 67.20.3. A written complaint about the conduct of a Member of this Council (or about a Member of one of the Town or Parish Councils of the district) may be made to the Monitoring Officer using the form on the Council's website;
- 67.20.4. Whilst this Protocol gives guidance only to Members on the most frequently encountered issues, a breach of the guidance may be regarded as bringing the Protocol and the Council into disrepute
- 67.20.5. For the purposes of the Protocol, a Chief Officer includes the Chief Executive, Strategic Directors and Head of Service.
- 67.20.6. Matters relating to Officer conduct will be dealt with solely by the Head of Paid Service and or their nominated Officer.

68. Officer Code of Conduct

68.1. Introduction

- 68.1.1. The public is entitled to demand and expect that local government employees will conduct themselves at the highest standard and with complete integrity. Officers are expected to demonstrate political neutrality when dealing with members of the public or elected Councillors.
- 68.1.2. This code has been drawn up to help employees of the Council to understand what is expected of them. Observance of this code will help to maintain and improve standards and protect employees from misunderstanding or criticism.
- 68.1.3. The code is based on a model produced, after consultation, by the local authority associations and the former Local Government Management Board. A copy of this code is made available to every employee of the Council.
- 68.1.4. Clearly, some provisions will be more relevant to individuals than others - and will depend on an employee's particular job. If Officers require further advice, assistance or clarification of any information contained within this code, please refer to your manager, or contact the HR team or the Monitoring Officer.
- 68.1.5. The code recognises the challenges that Officers face in an increasingly commercially orientated environment (e.g. local authority companies, trusts, joint partnership ventures etc.). There has always been a demand for transparency in local government and so ensuring that all Officers are aware of, and adhere to, this code helps to maintain and promote high standards of conduct.

68.2. Standards

68.2.1. Officers are expected to give the highest possible standard of service to the public and, where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.

68.2.2. Officers will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of the appropriate level of management any concerns that they have about the provision of services.

68.2.3. Officers should report to their manager any improper action or breach of procedure. Please see the Whistle Blowing Policy for assistance on how to raise matters which are of concern.

68.3. Disclosure of information

68.3.1. A great deal of information is now available to the public and most reports produced for Councillors are in the public domain unless there are good reasons for keeping them confidential.

68.3.2. The Council also has to comply with the Freedom of Information Act 2000 (FOI) and the Environmental Information Regulations 2004(EIR). However, Officers must take care not to disclose confidential information and should seek guidance from their manager if in doubt about any item. FOI/EIR requests are co-ordinated by the Customer Service Team, although service teams will be expected to provide information to enable the requests to be responded to.

68.3.3. Officers should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way. Any particular information received by an employee from a Councillor which is personal to that Councillor and does not belong to the Council should not be disclosed by the employee without the prior approval of that Councillor, except where such disclosure is required or sanctioned by the law.

68.3.4. The General Data Protection Regulation (GDPR) has six key principles:

- Lawfulness, fairness and transparency
- Purpose limitation
- Data minimization
- Accuracy
- Storage limitation
- Integrity and confidentiality (security)

68.3.5. Further details of the 6 principles are included at Appendix A to this document. Information about the GDPR can be found on the Council's intranet (Sharepoint).

68.4. Political neutrality

68.4.1. Officers serve the Council as a whole and may be required to advise political groups. In doing so they must not compromise their own political neutrality and must serve all groups equally. The individual rights of all Councillors must be respected.

68.4.2. Officers are, of course, entitled to maintain their own political views but must not allow these views to impact on the work they do. In some cases posts will be “politically restricted”.

68.4.3. The Council is required to maintain a list of posts that are subject to restriction on political activity and this list is available from the HR team.

68.5. Conduct of staff in pre-election period

68.5.1. Prior to any election there will be a “pre-election period” (PEP) which is notified to all Officers of the Council.

68.5.2. There is a need for employees to be on their guard against political partiality in PEPs. In this connection political slogans should not be displayed as part of Officers’ official duties.

68.6. Relationships

68.6.1. No special favour may be shown to friends, partners, and relatives or to current or former employees. Officers must disclose to their manager all personal relationships, whether of a business or private nature, which might have the potential to bring about a conflict of interest between their work and those with whom they have a personal relationship.

68.6.2. Examples of personal relationships which may give rise to conflicts of interest in the workplace include:

- a family relationship;
- a business/commercial/financial relationship;
- a close personal friendship;

68.6.3. However, personal relationships are not restricted to these examples and if Officers are concerned about a potential conflict of interest, they should discuss this with their manager.

68.7. Councillors

68.7.1. Officers are responsible to the Council through the Corporate Leadership Team (CLT). For some, their role is to give advice to Councillors and senior managers and all are there to carry out the Council’s work. Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other Officers and Councillors and should, wherever reasonable and possible, be avoided.

68.8. The local communities and service users

68.8.1. Officers should always remember their responsibilities to the communities they serve and ensure courteous, efficient and impartial service delivery to all within those communities, as set out in the policies of the Council. The Council has published customer access standards and all Officers are expected to meet these objectives as a minimum when dealing with local communities and service users.

68.9. Contractors

68.9.1. All relationships of a business or private nature with external contractors, potential contractors, agency staff, consultants or co-opted Members should be made known, in writing, to your manager. Orders and contracts must be awarded on merit, by fair competition against other tenders, and no special favours should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

68.9.2. Officers who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, must declare that relationship in writing to their manager.

68.10. Appointments and other employment matters

68.10.1. Officers involved in appointments should ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant or have a close personal relationship outside work with them.

68.10.2. Similarly, Officers should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner etc. or with whom they have (or have had) a personal relationship.

68.10.3. The Council has detailed procedures for managing staff which must be followed in all cases relating to supervision or recruitment. These are available on the Council's intranet. The HR team is available to offer assistance and advice on such matters.

68.11. Criminal Convictions

68.11.1. If an Officer receives any type of criminal conviction (including driving offences that lead to points on licences) during the course of their employment with the Council, it is their duty to disclose the matter to their manager. The manager, in liaison with the HR Team, will make a decision as to whether this impacts on their employment. Failure to disclose a criminal conviction may lead to disciplinary action being taken against the employee.

68.12. Outside employment

68.12.1. Some Officers have conditions of service which require them to obtain written consent to take on any other outside employment. All employees should be clear about their contractual obligations and should not take outside employment which conflicts with the Council's interests, and/or which has not been the subject of written consent. Please speak with your manager or HR about any other employment activity and before you make any decisions on the matter.

68.12.2. An Officer's off-duty hours are their personal concern but there needs to be realisation that some actions could impact upon the authority. Employees should not subordinate their work duty to private interests and put themselves in a position where duty and private interests conflict.

68.12.3. The Council will not preclude Officers from undertaking additional employment, but any such employment must not, in the view of the Council, conflict with or react detrimentally to the Council's interests, or in any way weaken public confidence in the conduct of its business.

68.12.4. Officers above Scale Point 23 shall devote their whole-time service to the work of the Council and shall not engage in any other business or take up any other additional appointment without the express consent of the Council.

68.12.5. Employment outside of East Suffolk Council must be declared and approved. Such declarations must be made on the 'Officer declarations of interests, outside employment, gifts or hospitality' form on DASH forms/Sharepoint within 28 days of starting employment with East Suffolk Council and within 28 days of any relevant change in circumstances thereafter.

68.13. Intellectual Property

68.13.1. This is a generic term that includes inventions, creative writings and drawings. If these are created by an Officer during the course of their employment then, as a general rule, they belong to the employer. Inventions are the property of the employer if:

- They have been made in the course of the employee's normal duties; or
- They have been made in the course of duties specifically assigned to the employee and where invention might be reasonably expected; or
- They have been made in the course of the employee's duties and at the time the employee had a special obligation to further the interests of the employers (because of the nature of their duties and particular responsibilities arising from them).

68.14. Personal interests

68.14.1. The Council is responsible for spending public money and must therefore ensure that everything is seen to be done in an impartial and transparent way. The system outlined below is designed to protect both Officers and the Council from any false accusation of bias or corruption.

68.14.2. Officers are required to declare an interest if they are involved in anything outside of work which could lead to a situation where they might reasonably be influenced to make a decision or to take an action at work which is not in the Council's best interests, or which shows favouritism to a certain person or body.

(a) Non-financial interests

68.14.3. Officers must declare to their manager any non-financial interests that they have, such as directorships of companies, trusteeships, governorships, voluntary roles

(e.g. secretary, treasurer, coach) or positions of management or control in other organisations (e.g. clubs, societies, associations, charities), or any family connections with other businesses or organisations that may do business with the Council.

68.14.4. Such declarations must be made on the 'Officer declarations of interests, outside employment, gifts or hospitality' form on DASH on Sharepoint within 28 days of starting employment with East Suffolk Council and within 28 days of any relevant change in circumstances thereafter.

(b) Financial interests

68.14.5. Officers must declare to their manager any financial interests which they have such as directorships, trusteeships, partnerships, or family connections with other businesses or organisations that may do business with the Council and from which they gain income or other material benefit.

68.14.6. Such declarations should be made on the declaration of interests form which can be found on the Council's intranet, including a "nil" return.

(c) Membership of organisations not open to the public

68.14.7. Officers should declare to their manager membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct (e.g. Freemasons, some friendly societies etc.). Such declarations must be made on the 'Officer declarations of interests, outside employment, gifts or hospitality' form on DASH on Sharepoint within 28 days of starting employment with East Suffolk Council and within 28 days of any relevant change in circumstances thereafter.

68.14.8. The form should be completed as soon as possible after an Officer realises that they have an interest and no later than 28 days after they become aware of it. Failure to disclose such interests may lead to disciplinary action being taken against the Officer.

68.14.9. If an Officer has no interests to declare, they must submit a "Nil" return on the 'Officer declarations of interests, outside employment, gifts or hospitality' form on DASH/Sharepoint within 28 days of starting employment with East Suffolk Council. Any notifiable change in circumstances thereafter, must be declared on the 'Officer declarations of interests, outside employment, gifts or hospitality' form within 28 days of the change in circumstances..

68.15. Equality issues

68.15.1. All Officers should ensure that policies relating to equality issues as agreed by the Council are complied with in addition to the requirements of the law. All members of the local community, customers, job applicants and employees have a right to be treated with fairness and equity. In particular, employees must comply with all of the Council's policies, practices and procedures relating to the Equalities Act 2010.

68.15.2. In situations such as the requirement to give an interview under caution an Officer should not be treated any less favourably than a member of the public in a similar situation.

68.16. Separation of roles during tendering

68.16.1. Officers involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. All Officers who have both a client and contractor responsibility must be aware of the need for accountability and openness.

68.16.2. Officers in contractor or client units must exercise and display fairness and impartiality when dealing with all customers, suppliers, tenderers, other contractors and sub-contractors.

68.16.3. Officers who are privy to confidential information on tenders or costs for either internal or external contractors must not disclose that information to any party or organisation which is not entitled to it.

68.16.4. Officers who may be contemplating a management buyout or may be considering tendering for any work usually delivered by the Council should, as soon as they have formed a definite intent, inform their manager and withdraw from the contract awarding processes.

68.16.5. Officers should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

68.16.6. Officers must fully comply with the Council's Procedure Rules, Financial Procedure Rules and Contract Procedure Rules.

68.16.7. The rules around these areas are designed to protect the employee as much as the Council.

68.17. Corruption

68.17.1. Corruption would include receiving or giving any payment, gift (other than a gift of a nominal value), hospitality, or any other benefit from any person or organisation who a member of staff deals with in their work, irrespective of what it is in respect of, including tips, and payment for additional 'private work'. It is also irrelevant whether any benefits are directly to an Officer or to the Officer's family or friends.

68.17.2. Any case of suspected corruption will be fully investigated and any proven cases will be treated as gross misconduct and criminal prosecutions undertaken.

68.18. Use of financial resources

68.18.1. Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

68.19. Hospitality, gifts and sponsorship

68.19.1. Not all offers of gifts and hospitality to Officers of the Council will be made in good faith, for example suppliers may be trying to influence the award of contracts. To protect both Officers and the Council from any accusations of favouritism, all offers need to be considered carefully and decisions recorded.

National Guidance

68.19.2. The NJC for Local Government Services states at 2.1 on official conduct employees will maintain conduct of the highest standard such that public confidence in their integrity is sustained.

68.19.3. There will be occasions when Officers are unsure whether they should accept gifts or offers of hospitality from clients or contractors. The following notes are intended to help staff make the right decision.

68.19.4. Officers must be aware that the offering and acceptance of gifts could result in criminal proceedings (under the Bribery Act 2010). It is obviously wrong for an Officer to accept inducements for personal gain in exchange for treating a client or contractor favourably. On the other hand, it would be churlish to refuse minor items which are of only nominal value.

Gifts

68.19.5. Officers should refuse gifts made to them personally, or to a family member, by a person or organisation which has, or seeks, dealings with the authority. Excepted from this rule are minor promotional gifts distributed to a wide range of people and not uniquely to one Officer (e.g. pens, calendars, diaries etc. given usually at Christmas time for use in the office) of up to £20 in value, or gifts given in thanks for good service, such as a box of chocolates, plant or flowers up to the value of £20. All gifts above this value should be refused. Where it is felt that this will cause embarrassment, Officers should explain to the donor that they are not able to accept such gifts, and thank the donor for their kindness, nonetheless. If received by post, Officers should return the gift to the donor with a polite email making it clear that no individual has gained personal advantage from the gift.

68.19.6. If you are in any doubt you should seek advice from your manager.

Hospitality

68.19.7. Invitations to lunch or some other function from a person or organisation which has or is seeking dealings with the Council must be treated with care. A modest working lunch to discuss business or attendance at a reception or promotion which is proportionate and not extravagant, and which has been approved by an Officer's manager is acceptable.

68.19.8. Examples of offers which must be refused include:

- an overnight stay at a hotel,
- holidays or hotel accommodation,

- theatre tickets,
- membership of clubs,
- regular or frequent acceptance of corporate hospitality, particularly from the same source,
- hospitality in the immediate period before tenders are invited or during the tender process,
- hospitality unconnected to work, even if the hospitality is taken in the Officer's own time,
- hospitality which the Officer or their manager thinks is lavish, extravagant or excessive, even if the hospitality is taken in the Officer's own time.

68.19.9. If Officers are aware that hospitality will be offered at a meeting or event, they should discuss it with their manager beforehand, and if approved, make the necessary declaration prior to attending. Otherwise, all offers of hospitality should be declared as soon as possible after the event.

68.19.10. If Officers are in any doubt, they should seek advice and approval from their manager.

68.20. **Register**

68.20.1. All offers of gifts and / or hospitality must be recorded on a form which can be found on the Council's intranet. The form requires that the date of any offers of gifts/hospitality must be included, together with the financial value of it, and the name of the donor. Also, the reasons for acceptance of any gift or hospitality must be included on the form. The form must be approved by an Officer's manager and in the case of the Chief Executive Officer, by the Monitoring Officer.

68.21. **Public Meetings**

68.21.1. Invitations to attend public meetings in an official capacity should only be accepted where attendance by an Officer is considered appropriate by the Strategic Director or Head of Service. However, attendance should be restricted to meetings which are:

- clearly not part of any party-political activity
- manifestly open to all

68.22. **Breach of this Code of Conduct**

68.22.1. Breach of this Code may amount lead to disciplinary proceedings being brought against the Officer concerned.

69. **Data Protection Principles (Appendix A)**

69.1.1. The General Data Protection Regulation and Data Protection Act 2018 set out six key principles.

69.1.2. Personal data shall be:

- Processed lawfully, fairly and in a transparent manner in relation to individuals ('**lawfulness, fairness and transparency**');
- Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving

purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes (**'purpose limitation'**);

- Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed (**'data minimisation'**);
- Accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay (**'accuracy'**);
- Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of individuals (**'storage limitation'**);
- Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures (**'integrity and confidentiality'**).

Suffolk Code Of Conduct

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviours and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish

councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor- officer protocol.

2. Bullying, harassment and discrimination As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**

1. **reasonable and in the public interest; and**
2. **made in good faith and in compliance with the reasonable requirements of the local authority; and**
3. **I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register

also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality As a councillor:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.

10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. [Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

- * Only relevant where an executive function has been delegated to an individual

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which ***directly relates*** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which affects –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter (referred to in paragraph 8 above) ***affects*** the financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. [Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

* Only relevant where an executive function has been delegated to an individual

MEMBERS SCHEME OF ALLOWANCES

All Councils are required to form a scheme of allowances that:

- Determines how much individual Members receive for being a Councillor (the Basic Allowance).
- Determines how much those Members who have additional responsibilities should receive (Special Responsibility Allowances).
- Determines the circumstances under which Members may claim expenses for costs they have incurred because they are a Member.

The Council must set the scheme in accordance with the requirements of the Local Authorities (Members' Allowances) (England) Regulations 2003. The scheme has been produced on the recommendation of an Independent Remuneration Panel, a group of individuals who are entirely separate from the Council who have considered how much Members should receive.

This scheme was approved by East Suffolk Council on 22 January 2025 and came into effect on 1 April 2025, and as required by the Regulations, will be subject to annual review.

70. Basic and Special Responsibility Allowances

- 70.1. A Basic Allowance of £9,379.00 is payable to all Councillors. This is paid monthly and no claim is required. This payment is intended to include all expenses and costs Councillors incur that fall outside the scope of the expenses scheme (see below), including costs of stationery, printing, home energy and internet costs. In addition to the Basic Allowance, Members are offered a laptop and sundries (keyboard, mouse, mobile phone etc.) The Basic Allowance is also meant to recompense time spent at training and briefing sessions.
- 70.2. In addition, Special Responsibility Allowances are payable to those Councillors holding the offices set out in the Table below. These are paid monthly and no claims are required.
- 70.3. Basic and Special Responsibility Allowances accrue on a daily basis and are payable from the date on which the Councillor takes office and will cease on the date on which the office ceases.
- 70.4. These Allowances count as earnings for Income Tax and National Insurance and the appropriate deductions will be made.
- 70.5. Members' Allowances are linked to Officers' pay/allowances, so that any annual pay/allowances increase applied to Officers' pay/allowances will be similarly applied to Members' Allowances. (Note: In some years, Officer pay increases have been expressed as a percentage whilst in other years, Officers have been awarded a lump sum, in this latter instance, the percentage increase in Officer allowances is used for the percentage increase in Members' Allowances.)

- 70.6. Up to two Special Responsibility Allowances will be paid to each Member – 100% of the highest eligible allowance and 25% of the second highest allowance provided the second allowance does not relate to a position on the same Committee. For example, the Chair of Licensing cannot also receive an allowance for being a Member of the Licensing Committee.

71. Travelling and Subsistence Allowances for Members and Independent Persons

- 71.1. Travelling and subsistence allowances may be claimed by Councillors, Co-opted Members and Independent Persons to reimburse expenses that they have necessarily incurred in the performance of an approved duty.
- 71.2. The current rates of these Allowances are shown below, in Section 3.
- 71.3. The definition of an approved duty for this purpose is shown below in Section 8. All formal meetings of the Council, Cabinet and Committees are so approved. Any travel that is out of the district eg overseas or for long distances needs to be approved in advance by the Head of Legal and Democratic Services.

72. Travelling Allowances

- 72.1. When claiming mileage or other travel costs, copies of tickets or receipts etc are required when making a claim. Once copies of the tickets or receipts have been loaded onto Oracle whilst making a claim and the claim has been approved, they can be disposed of.
- 72.2. Members living inside the district should claim expenses from their home, or the starting point of their journey, whichever is the closest. Where a Member lives outside the district the nearest border should be agreed with them by the Head of Legal and Democratic Services, which would then become their notional base for travel purposes from which claims from their “home” may be made.
- 72.3. Members should, when possible, seek to use alternatives such as walking, cycling, public transport or car sharing instead of personal car journeys to support the Council in reducing the environmental impact of its activities.
- 72.4. Any other forms of transport or arrangements that do not fall within the scope above should be notified to the Head of Legal and Democratic Services to consider for pre-approval. Wherever possible, where public transport or alternative transport is being used, then the Member or Council (on their behalf) should seek to pre-purchase tickets to ensure best value.
- 72.5. Where Members are undertaking official duties, claims for travel allowances will be paid at the following rate:

Method of Travel	Payments

Travelling by bicycle	20 pence per mile
Public transport	Standard fare incurred; Members are expected to use any discount / concessionary fare entitlements. Evidenced by receipt.
Taxis	Actual fare, as evidenced by receipt; this should normally be pre-approved by the Head of Legal and Democratic Services and only in exceptional circumstances. Includes any reasonable gratuity paid.
Car parking and toll fares	Actual fee / fare incurred, as evidenced by ticket / receipt / statement

Travel overseas etc	Permission would need to be sought from the Head of Legal and Democratic Services before any tickets were purchased
---------------------	---

73. Subsistence Allowances

- 73.1. No subsistence will be paid for breakfast, lunch or tea. However, an evening meal allowance will be paid where purchased outside of the District for the actual cost of an evening meal up to a maximum of £25.00 on the production of a receipt where an overnight stay is required. An evening meal allowance will only be paid on the production of a receipt. No further overnight subsistence allowances will be payable.
- 73.2. The booking of Conferences, accommodation and travel arrangements for Members which have been approved will continue to be coordinated by Council Officers, where possible, to maximise any discounts that can be achieved.

74. Dependent Carers' Allowances

- 74.1. These allowances are available for Councillors to claim, if they need assistance with the costs of care for their dependents, that are incurred in order to undertake their Council work which may include attending meetings in person or online, dealing with emails or constituents.
- 74.2. The Allowance for Specialist Care of Dependents, in circumstances previously approved by the Council's Head of Legal and Democratic Services, is set at a maximum of £30.00 per hour, per carer/nurse, for actual costs incurred.
- 74.3. The Allowance for Child Care is payable in circumstances previously approved by the Council's Head of Legal and Democratic Services, is set at a maximum of £15 per hour, unless provided free of charge under a government scheme, for actual costs incurred.
- 74.4. Payment of these allowances is subject to the production of a receipt and should not be provided by a family member, from the same household. Payment made on the production of receipts.

- 75.1. Co-optees are external people who are appointed to a Committee due to their extensive knowledge, skills or experience in a specific subject.

76. Additional notes

- 76.1. Basic and Special Responsibility Allowances and Co-optee Allowances are subject to Income Tax under the PAYE system and to National Insurance deductions.

- 76.3. National Insurance contributions will be deducted when the Allowances payable in any month exceed the prescribed threshold. You will be exempt from paying National Insurance once you have reached the state pension age.
- 76.4. The receipt of these Allowances can affect entitlements to benefits and they must be disclosed as income when claiming Housing Benefit and other means tested benefits.

[Appointments to Outside Bodies \(Executive Functions\)](#)

APPENDIX F - REGISTER OF SPECIFIC OFFICER FUNCTIONS

All planning application decisions including decisions concerning Environmental Impact Assessment (EIA) decisions or considerations requiring Habitat Impact Assessments (HRA) are delegated to the Head of Planning and Building Control UNLESS:

1. The Planning Application is, in the opinion of the Head of Planning and Building Control or the Chairman/Vice Chairman of the Planning Committee, of significant public interest; would have a significant impact on the environment; or should otherwise be referred to Members due to its significance in some other respect; or
2. The applicant or landowner is East Suffolk Council; or
3. The applicant, or agent, is an East Suffolk Councillor or an East Suffolk Council employee,
4. The 'minded to' decision of the Planning Officer is contrary to either:
 - a. The material planning consideration comments received from the Town or Parish Council within the 21-day consultation period; or
 - b. The material planning consideration comments received from the Ward Member within the 21-day consultation period; or
 - c. The material planning consideration comments received from a statutory consultee within the 21-day consultation period.

In which case, if item 4 is invoked, the Planning Application will be referred to the Planning Referral Panel – the panel will discuss with the Head of Planning and Building Control (based on planning grounds) to either refer the application to Planning Committee for decision or remain delegated to the Head of Planning and Building Control.

5. Within the 21-day consultation period [on a planning application] if a contrary position to the officer recommendation is received from the Town or Parish Council and a request for Committee decision is received from a Ward Member, then a Planning Committee member call-in process would be triggered. In the event that only a Town/Parish Council response or Ward Member response is received then the existing Referral Panel process would proceed.

With the Planning Committee member call-in process triggered, the Planning case officer would send a notification to all relevant North or South Planning Committee members by email.

This would be carried out once the officer is able to understand whether a decision will be contrary to Town or Parish Council and Ward Member positions.

The Notification shall include:

- The case reference number, the description of development and the address
- A link to Public Access to view the application and documents
- A copy of Town or Parish Council response
- A copy of the Ward Member response
- A sentence setting out the likely officer recommendation

After the notification has been sent, any member of the relevant North or South Planning Committee must respond within 5 working days if they wish to confirm that it should be considered by the Planning Committee. Any Planning Committee member calling the application in must 'reply to all' (including all members of the relevant Planning Committee) and the first response received will be taken as the call-in request.

A call-in request from a Planning Committee member must set out how they consider it meets the expectation that:

"The proposal would be of significant public interest; would have a significant impact on the environment; or should otherwise be referred to Members due to its significance in some other respect".

The above process could not be utilised where:

- a) the Head of Planning and Building Control or the Chair/Vice Chair of the Planning Committee, has already made the decision that in their opinion the application should be determined at Planning Committee because "The proposal would be of significant public interest; would have a significant impact on the environment; or should otherwise be referred to Members due to its significance in some other respect" (point 1 of the current scheme of delegation); or
- b) either the applicant or landowner is East Suffolk Council, or the applicant or agent is an East Suffolk Council employee: or the applicant, or agent, is a close relative of an East Suffolk Councillor or East Suffolk employee, (points 2 and 3 of the current scheme of delegation) because such applications have to be determined by Planning Committee in any case.

Planning Referral Panel

The Planning Referral Panel is a consultative panel consisting of the Chairman and Vice Chairman of each area Planning Committee, convened by the Head of Planning and Building Control as necessary and established to advise on the delegated route of decision making for planning permission and other planning matters as part of the scheme of delegation.

Officers will use the Planning Referral Panel to consult with the Chairman and Vice Chairman of the committees as to whether the application or matter will be determined by the relevant Planning Committee or remain delegated to the Head of Planning and Building Control in

accordance with the Scheme of Delegation. The final decision on whether the relevant Planning Committee or the Head of Planning and Building Control shall determine the application or matter shall be made by the Head of Planning and Building Control as part of the consultation with the Planning Referral Panel.

The Planning Referral Panel will also consider whether it is appropriate for the relevant Planning Committee to undertake a site visit before the case is presented to the Planning Committee.

All consultations with the Planning Referral Panel will be recorded

APPENDIX I – CODE OF GOOD PRACTICE/GUIDANCE FOR MEMBERS – PLANNING AND RIGHTS OF WAY

1 INTRODUCTION

- 1.1 Planning applications, the allocation of sites within the Development Plan and the way in which they are decided is subject to a great deal of public and media interest. Planning decisions affect the daily lives of everyone and the private lives of individuals, landowners and developers, and therefore on many occasions will be contentious. Because of this it is important that the system of making decisions is seen to be open and impartial, consisting of sound judgements made for justifiable reasons.
- 1.2 The Council has powers under the Highways Act 1980 and the Town and Country Planning Act 1990 to make orders for the creation, diversion and extinguishment (or stopping up) of public footpaths, bridleways and restricted byways, and to enter into agreements for the creation of footpaths and bridleways. The changes made by such orders and agreements affect the right of the public to cross private land and so can be contentious and the subject of impassioned debate. Because of this it is important that the system of making decisions on changes to the public rights of way network is seen to be open and impartial, consisting of sound judgements made for justifiable reasons.
- 1.3 This Code of Practice has been drawn up to set out clearly the way in which the Council deals with planning, public path orders and other applications.
- 1.4 It complements the Suffolk Code of Members' Conduct and Officers' Code of Conduct which address a range of aspects of Members' and Officers' conduct in carrying out official duties. Further information on the provision of the Code can be obtained from the Council's Monitoring Officer.

2 BASIC PREMISE

- 2.1 The basis of the planning system is the consideration of private proposals against wider public interests. The Town and Country Planning Acts provide that decisions on individual proposals should be made in accordance with the Development Plan unless material planning considerations justify a departure from those policies. The Development Plan for East Suffolk Council consists of the Suffolk Coastal Local Plan, the Waveney Local Plan and the Minerals and Waste Local Plan. In addition, the Broads Local Plan is part of the Development Plan for the district.
- 2.2 The Highways Act 1980 and the Town and Country Planning Act 1990 both lay down precise criteria to be met for the making and confirmation of public path orders. The legislation is supplemented by advice contained in the Department of Environment, Food and Rural Affairs (DEFRA) Circular (1/09) 'Guidance for Local Authorities' and other circulars and Regulations. The basic premise is to ensure that appropriate balanced consideration is given to the impact of changes to the network upon both the landowner's / occupier's interests and the public's right.
- 2.3 Within the context of the legal provisions, the successful operation of the planning and rights of way system relies on ensuring that Members and Officers act in a way which is not only fair but is clearly seen to be so. The respective roles of Members and Officers are set out in this Code of Practice.

- 2.4 The Government has placed a high priority on speed in the determination of planning applications and the practice contained in this code has to take account of this Government priority.
- 2.5 If a Councillor acts in breach of this Code this could potentially amount to a breach of the Council's Code of Conduct and have potential consequences for that Councillor. If an Officer acts in breach of this Code this may result in action under the Council's Disciplinary Procedure.

3 DECISION MAKING ON PLANNING AND RIGHTS OF WAY APPLICATIONS

- 3.1 Consideration should be given when appointing Members to the North and South Planning Committees, that there are a number of Members who serve across both Committees for consistency on decision making across the district as a whole.

3.2 The Role of Committee Members

Members of the Planning Committee, in making decisions on planning and rights of way applications, will:

- Act fairly and openly;
- Approach each application with an open mind;
- Carefully weigh up all the material planning or rights of way considerations;
- Avoid undue contact with interested parties
- Ensure that reasons for decisions are clearly stated.

- 3.3 The planning system exists to balance the consideration of private proposals against the wider public interest. Members must take into account the interests of all of the District, together with the Government's national planning priorities, and will act in a way which is not only fair but is clearly seen to be so.

- 3.4 Members will be free to vote on applications however they consider appropriate within the context set by the Town and Country Planning Act or Highways Act and shall not have pre-judged the outcome prior to their consideration at the committee meeting of all relevant available information. Members should not, prior to the meeting, give an undertaking as to the stance they will take on the determination of a planning application, e.g. at a Town or Parish Council meeting, or to an interested party. They should indicate that any view they might put forward might change in the light of the Planning Officer's report and the Committee's discussion.

- 3.5 Committee Members will also have a role (see 3.8 below) on behalf of their ward to present local views, but Members must make it explicit when acting in that role. The decision-making role and its impartiality must not be prejudiced by any such action.

- 3.6 Members can expect Officers to give them help in answering questions on planning or rights of way matters.

- 3.7 Members will not give instructions to Officers, and they will not put pressure on Officers to make a particular recommendation on an application.

3.8 The Role of Members

The representational role of Members is a key part of the planning and rights of way process. Subject to compliance with the terms of the Members' Code of Conduct, in fulfilling that role Members will be given the opportunity in respect of all applications to:

- Respond in writing to Officers on the merits of the application;
- Attend any committee site meetings for applications within their ward;
- To make representations to the determining committee.

- 3.9 Members shall not give instructions to Officers, nor should they place pressure on Officers in order to secure a particular recommendation on an application.
- 3.10 Members can expect Officers to give them every help and assistance in answering questions relating to planning matters.
- 3.11 **The Role of the Planning Referral Panel**
The Planning Referral Panel will be called by the Head of Planning and Building Control, as necessary, for consultative purposes to agree the route for determining a planning application subject to the criteria set out in the Scheme of Delegation to Officers.
- 3.12 The Planning Referral Panel will consider referral if the 'minded to' decision by Planning Officers is contrary to comments received from the Town or Parish Council, a Ward Member or a Statutory Consultee.
- 3.13 The Planning Referral Panel is a consultative panel with the Head of Planning and Building Control. The Head of Planning and Building Control will have final say on items to be referred for Committee decision rather than exercising delegated Officer powers.
- 3.14 **The Role of Officers**
In respect of applications to be determined by the Planning Committee, Officers will:
- Provide professional and impartial advice;
 - Make sure that all information necessary for a decision to be made is given, including the substance of any objections and the views of those consulted;
 - Set the application in the context of the Development Plan or Highway Authority policy and practice, and all other material considerations;
 - Provide a clear and accurate written analysis of the issues;
 - Give a clear recommendation;
 - Be responsible for carrying out the decisions of the Planning Committee.
- 3.15 In respect of planning decisions that are taken under delegated authority the case Officer for the application will prepare a brief written resume of key issues and a recommendation. This written report will be considered by a senior Officer, given the appropriate delegated authority by the Head of Planning and Building Control, who may exercise that authority to determine the application. In no circumstances will the case Officer determine the application.
- 3.16 In respect of Public Path Order decisions that are taken under delegated authority, the Head of Planning may exercise that authority to determine an application where there are no unresolved objections. A brief written résumé of key issues, the decision and reasons for it will be prepared and placed on the application file. Further details of public path orders and agreements made by the Council, are available on the East Suffolk Public Rights of Way website.
- 3.17 The Council recognises that Chartered Town Planners and other Professional Officers shall not make or subscribe to any statements or reports which are contrary to their own professional opinions and the appropriate Professional Institute's Code of Conduct.
- 4 DISCUSSIONS WITH APPLICANTS**
- 4.1 Pre-application meetings for planning matters with prospective applicants are encouraged but will normally only involve Officers. They may involve Members acting in a representative role where approached by a prospective applicant, such meetings should not normally involve Members of the Planning Committee which may be

making the decision on the intended application. Exceptions are where the Planning Committee has, by resolution, determined that a pre-application meeting shall exceptionally involve Members and where the meeting is limited to providing advice on the proper process to follow, involving which Officer to contact for further advice. Committee Members may also wish to pass applicants on to a neighbouring District Councillor.

- 4.2 Where pre-application meetings involve Members appointed by the Planning Committee a note of the discussion will be taken and will be made available for public inspection subject to the usual rules about Access to Information, when an application is submitted. At least one Officer will be present at all such meetings. The same provisions will apply where following a determination of an application consideration is being given to a fresh application.
- 4.3 It will be made clear at pre-application meetings that:
 - Only Officers' initial and provisional views can be given, based upon the provisions of the Development Plan and other material planning considerations;
 - No decisions can be made which would bind or otherwise compromise the decision of the Council;
- 4.4 A written note will be made of all substantive meetings. A follow-up letter should be normal practice when documentary evidence has been left with the Council.
- 4.5 A note will be taken of telephone conversations where express advice on the planning merits of a proposal has been given. The meeting note and the follow-up correspondence shall be placed on the relevant file, should an application materialise following initial discussions.
- 4.6 Members will not take part in post-submission meetings with applicants or other parties, unless:
 - Section 5 of this Code of Practice allows this; or
 - the matter has been reported to the Planning Committee and the Councillors concerned have been appointed by the Committee

5 CONSULTATION AND LOBBYING

- 5.1 The Council is required by legislation to give certain publicity and consult certain key parties on particular planning and rights of way applications. The Council supplements the statutory requirements with its own practice on consultation.
- 5.2 Attached as Appendix A is a statement of the Council's current practice of consultation on planning applications.
- 5.3 Attached as Appendix B is a statement of the Council's current practice of consultation on rights of way applications.
- 5.4 In all instances interested parties are asked to make their representations in writing in order that a true record of the representation can be placed on the appropriate file for public inspection and to be used in informing the decision-making process. Representations can be submitted electronically or submitted in hard copy form.
- 5.5 It is quite common for applicants and other interested parties to wish to discuss a proposed development with Members before an application is determined. This can aid the understanding of issues involved. However, to avoid compromising their position before they have received all the relevant information, evidence and arguments, Members of the determining committee may choose, as a matter of

principle, not to meet applicants or interested parties. Where they do choose to meet relevant parties they will:

- Not express an opinion which could be taken as firm support or opposition to a proposal;
- Not organise support or opposition for a proposal or lobby other Members;
- Inform lobbyists or objectors of the importance of their views being submitted in writing to the Council;
- Advise the Chairman of the Planning Committee or the Head of Planning and Building Control of the existence of any party that appears to be trying to exercise undue or unreasonable pressure on Members of the Council.

5.6 Members should take great care to maintain impartiality when attending public meetings in relation to planning matters. They should consider carefully whether it is appropriate to attend in the first place. If they do wish to attend it is advisable to invite the relevant Officer also. At such meetings it is preferable for no view on the merits or otherwise of a proposal to be given.

6 COMMITTEE PROCEDURES

6.1 The Planning Committee papers will be available, in accordance with the Access to Information Act provisions, at least five clear working days prior to the meeting.

6.2 All applications presented to the Planning Committee for determination will have a full written report from Officers, including the substance of objections, and the views of those who have been consulted on the proposal, a clear explanation of the relevant Development Plan policies or legislation, site related history, any other material planning considerations or relevant information, a reasoned consideration of the proposal and a clear recommendation.

6.3 Any material information which is received after the written report has been prepared but more than 24 hours before the start of the Planning Committee meeting will be presented orally by Officers. Information received within 24 hours of the start of the meeting will only be presented where it is brief and can be readily conveyed to the Committee.

6.4 The Head of Planning and Building Control will have the discretion to withdraw any item from the agenda of the Planning Committee subsequent to the preparation of the report, but prior to a discussion by the Planning Committee if the circumstance of the application has changed within that period.

6.5 Where an application is determined in accordance with an Officers' report the decision will be as set out in that report subject to any amendments which Officers or Members may put forward at the meeting.

6.6 Where the Planning Committee disagrees with the Officers' professional advice, the reasons for rejecting a report's recommendation will be clearly stated at the meeting and recorded in the minutes. Members need to be sure that when they do not follow Officers' professional advice, their decisions are based on sound planning reasons. Members shall be aware that they may be required themselves to justify their decision at appeal.

6.7 If an application is granted against Officer recommendation, the Committee must provide reasons for approval but also suggest any conditions that it thinks should be imposed or should delegate those conditions (and any planning obligations) to the officers.

- 6.8 The Council considers that there are benefits in allowing public speaking at Planning Committee meetings. A summary of the adopted practice is set out in Appendix C.
- 6.9 The application will be determined by a simple majority vote by show of hands. All Members of the Committee, including the Chair, should cast a vote in favour or against the motion before the Committee. As the Planning Committee is appointed for the purpose of making decisions on planning applications, members are encouraged not to abstain. If members feel they must abstain they are encouraged to explain their reasoning.
- 6.10 Where a planning obligation is required in respect of a development proposal, the Officers' report to the Planning Committee will set out the reasons for this and indicate any principal terms that the obligation might contain. If the Planning Committee requires additional or amended obligations they shall be clearly specified by the Planning Committee and in all cases the detail will also be recorded in the minutes of the meeting.
- 6.11 A register is kept of planning obligations entered into and an annual report will be made to the Strategic Planning Committee summarising progress in the receipt and use of financial sums or development in kind received in accordance with a planning obligation.

7 SITE VISITS

- 7.1 All sites are investigated by Officers as part of the application process. However, there may be circumstances when Members will wish to visit specific sites, for example, to understand local conditions and the relationship of a proposed development or rights of way proposal and the surrounding area, where these features cannot be assessed from the submitted drawings, illustrative material or from outside the site.
- 7.2 Formal site visits will be held when there is a clearly identified material benefit for holding one and the Planning Referral Panel agrees with the relevant Planning Officer that there is a need to do so to provide a better understanding of the proposals or the Planning Committee so requests that a visit be held.
- 7.3 All Members attending formal site visits by the Planning Committee shall be accompanied by an appropriate Officer(s) of the Council.
- 7.4 The site visit is not part of the consideration of the merits of an application and therefore public rights to attend the meeting do not apply.
- 7.5 If access to private land is necessary, then Officers will secure the prior agreement of the landowner. All appropriate measures will be taken to ensure that the site visit takes place in a manner which is legally compliant and pursuant to government guidance so as not to compromise anyone's health and safety.
- 7.6 The purpose of the site visit is fact finding. Officers will be able to point out relevant features of the site and surroundings. Members will be able to see the physical features of the site
- 7.7 When on a site visit, the Members of the Planning Committee should not make any comments that could create an impression that they have already formed a firm position on the merits of the application. The decision on the application should not be made until the formal meeting of the Planning Committee when the Members will

have before them all the necessary information to be able to make an informed decision.

8 DISCLOSURE OF INTERESTS AND HOSPITALITY

8.1 Members are required to comply with the requirements of the Suffolk Code of Conduct, including registration of their interests, making the appropriate declarations of interest and declaring the receipt of any gifts or hospitality of at least £25 in value. Officers are required to comply with the Officer Code of Conduct, including the registration of their interests and making appropriate declarations of any offers of gifts or hospitality worth £10 or more.

8.2 Members need to declare the receipt of any gifts or hospitality of at least £25 in value as a local non-pecuniary interest, on their Register of Interests' form. Officers need to declare the offer of any gifts or hospitality of £10 or more on the e-form which can be found on the Council's intranet. Any hospitality or gifts above the financial limit that have been offered but not accepted will also need to be registered by Officers.

9 DISTRICT COUNCIL APPLICATIONS

9.1 Where the District Council wishes to carry out development which requires planning permission or make alterations to the rights of way network, it will need to make an application for its own development before development may be carried out. The appropriate application will be submitted by the Chief Executive or his duly authorised nominee and will be dealt with by the Council as Local Planning Authority in the same way as those submitted by private applicants.

9.2 No District Council application will be determined under delegated authority but will be determined by the appropriate Planning Committee.

10 APPLICATIONS SUBMITTED BY MEMBERS AND OFFICERS

10.1 All applications which are submitted by or on behalf of Members, or any Officers of the Council or their spouse / partner in their private capacity, will be reported to the Planning Committee for a decision, rather than being dealt with in accordance with the Scheme of Delegation to Officers.

10.2 The Member / Officer concerned will inform the Head of Planning and Building Control of the submission of their application to ensure that the above-mentioned procedure can be adopted.

10.3 No Member or Officer concerned will take part in the processing or determination of the application, and if normally present at the determining Planning Committee meeting, will declare a prejudicial interest in the normal manner and leave the meeting for the consideration of that item of business.

11 TRAINING

11.1 To facilitate the effective working of the planning system, all Members of the Council are expected to undertake training in the principles of the planning system, rights of way and the procedures followed by the Council in determining applications. The precise contents of this training will be determined from time to time by Officers in consultation with Members.

11.2 East Suffolk Council's Public Rights of Way website provides details on rights of way principles and legislation, particularly as relevant to the Council's rights of way role and is updated regularly.

11.3 Members of the Planning Committee will be expected to have undertaken training on current planning and rights of way procedures and the principles of the planning

system. When significant changes to the planning system or policy applicable to the District occurs updated information or training as appropriate will be provided to all Members of the Planning Committee – information / training which all Members of the Council will be invited to benefit from if they so wish.

- 11.4 A programme of training will be available each year, covering issues of current importance as well as updating knowledge. From time to time, specialist training will be provided to cover particular topics or to look at matters in greater depth.
- 11.5 Members who have not participated in appropriate training cannot be Members of the Planning Committee. Only in the most exceptional cases when there are no trained Members available and a Planning Committee meeting would be potentially inquorate, should a Member who has not received training take part in making a decision on a planning or rights of way application. A record of Member training in planning will be maintained.
- 11.6 As part of the annual monitoring role of the Strategic Planning Committee, the training and provision of information undertaken and provided each year will be reviewed.

APPENDIX I (B) STATUTORY CONSULTATION – Rights of Way

The Council is required by legislation to consult statutory undertakers and other affected councils on applications for public path orders. In addition, the Council follows national best practice to achieve unopposed orders wherever this is possible, as recommended by the 'Rights of Way Review Committee Practice Guidance Note No 1'. Upon receipt of a technically correct application the Council will consult widely with representatives of user groups and other bodies and individuals it considers may be affected by or interested in proposals as appropriate.

In all instances consultees and interested parties are asked to submit their views in writing in order that a true record can be placed on the appropriate file and used in informing the decision-making process. A period of 28 days is usually allowed for consultation responses, but this can be extended at the discretion of Officers if consultees require extra time. Responses can be submitted electronically or in hard copy form.

At the end of the consultation process it is usual procedure for the views of the consultees to be forwarded to applicants for consideration. Officers are responsible for managing such subsequent negotiation as is deemed useful in respect of the Council's intention to achieve unopposed public path orders wherever possible.

Negotiation may result in changes to the original proposals and re-consultations will be carried out as appropriate.

APPENDIX I(C)

PUBLIC SPEAKING PROCEDURES FOR PLANNING COMMITTEE MEETINGS

Subject to the procedure detailed below, there is a right to speak for, or against, any applications for rights of way, planning permission or similar applications (e.g. Listed Building). There is no right to speak on enforcement issues, which appear on the agenda of the Planning Committee.

PROCEDURE WHEN AN ITEM IS SCHEDULED TO BE REPORTED TO A PLANNING COMMITTEE

Progress on applications can be monitored online by visiting the Council's website – www.eastsuffolk.gov.uk. This will indicate if the application is going to be considered by the Planning Committee and, if so, when. The following would normally be permitted to speak:

- representative of Town / Parish Council or Parish Meeting;
- applicant or representative; or supporter in the case of a Right of Way Application;
- objector;
- relevant ward Members

The intention is that only one person would speak from each of the above parties or where multiple speakers have co-ordinated to share the opportunity, the three minutes will be shared over durations confirmed with Democratic Services in advance. In circumstances where multiple speakers desire the three minutes but cannot agree to share it, the three minutes will be granted to the first request to speak.

PROCEDURES AT PLANNING COMMITTEE MEETINGS

Interested parties who wish to speak will be able to register to do so, using an online form. Registration may take place on the day that the reports for the scheduled meeting are published on the Council's website, until 5.00pm on the day prior to the scheduled meeting. A link to the online form will be included on each published agenda.

[Online registration form to speak at Planning Committees.](#)

ORDER OF SPEAKING

The order of debate will be as follows:

2. Questions from Members of the Committee for Officers on the proposal and locality
3. Questions from Members of the Committee for Officers on any third party representations;
4. Representations by objector (objecting to the recommendation);

5. Representations by relevant town or parish council (in exceptional circumstances the Chairman may allow more than one parish council to send a representative by prior agreement where a development proposal is of such magnitude that it affects several parishes);
6. Representations by applicant or representative;
7. Ward Member(s);
8. Officer clarifications following public speaking and any further questions from Members of the Committee for Officers;
9. Planning Committee general debate.

DURATION OF SPEAKING

Speakers, other than Ward Members, will be given a maximum of three minutes to speak in presentation, with the Chairman having absolute discretion as to how many and in what form questions are allowed over and above the three-minute presentation.

Ward members will be given a maximum of five minutes to speak. Where there are multiple ward members they will be allowed a maximum of five minutes each.

No speaker will be given a second opportunity to speak to ensure equality of representation. All questions should be based upon matters of fact only and channelled exclusively through the Chair. There will be no general debate, including those engaged in public speaking, given that the purpose of allowing public speaking is to make appropriate representations and to tease out matters of fact.

ILLUSTRATIVE MATERIAL

If a speaker wishes to refer to illustrative material, which they wish to be displayed at the meeting, then this must be provided to the Officers 24 hours in advance of the meeting so that appropriate arrangements can be made for its display.

If the application is deferred until the next meeting for further information, negotiations or a site visit, either before or after public speaking, speakers will have the opportunity to present their views again.

APPENDIX J – MEMBERS ICT PROTOCOL

1. Introduction

East Suffolk Council (ESC) has an expectation that Councillors will use ICT to enable them to effectively deliver all aspects of their role and will therefore provide all necessary ESC ICT resources and ICT support. However, it is important that the use of ICT is managed to ensure that ESC complies with all relevant legislation, regulatory codes of practice, policies and ICT best practice. This document has been developed to provide clear guidance on ICT use for Members.

2. Scope

This protocol applies to all Members who have access to ESC ICT resources.

3. Definitions

ICT resources are defined as all elements of ICT infrastructure and environment and includes:

- ESC email account and file storage
- Data network and enterprise business applications such as Microsoft Office
- Portable computer devices such as laptops and smartphones provided by the ESC ICT Service as part of the Members' ICT solution
- Electronic files, data and information accessed through the above

4. Guidance on the use of ICT Resources

4.1 ICT Security

All ICT usage must be in compliance with corporate ICT Security Policy and ICT Acceptable Use Policy.

4.2 Use in respect of Council Business

ESC ICT resources are provided for all ESC related business activities and those related to other public bodies or organisations on which Members are the ESC representative or nominee. Members should be aware that use of personal IT for such activities may incur risks to ESC or residents' data.

Members should use ESC ICT resources in accordance with ESC Health and Safety standards; guidance on the safe use of such equipment is available from Corporate Health & Safety Advisor

ESC ICT resources should not be used for any party-political activities or election campaigning

Members should use their ESC email address for all ESC related email communication and contact arrangements. ESC email addresses should not be used for any election material or party-political statements.

Inappropriate use of ESC ICT resources could be a breach of the Suffolk Code of Conduct and could give rise to formal complaints being made against a Councillor. Any queries about the Suffolk Code of Conduct in relation to ICT resources should be directed to the Monitoring Officer.

5. Responsibilities

Members must take reasonable precautions in the care and use of ESC ICT resources. If ICT equipment is damaged, lost or stolen, this should be immediately reported to ICT Service Desk on 01502 523555. All ICT resources issued to Members remain the property of ESC and should be returned to ESC in the event that a Member ceases to be an East Suffolk

Councillor. Access to ESC email and other systems will be suspended and terminated within 3 working days of the councillor ceasing to hold office.

Members must return any ICT resources on the request of the ICT Service for the purposes of audit, repairs or maintenance. A replacement device will be provided if required. Members will likely receive sensitive and personal data in the course of their duties and should be aware of their responsibilities under data protection and the need to comply with all relevant legislation including the GDPR (General Data Protection Regulations). The ESC Data Protection Lead (Head of Internal Audit) can provide guidance on any aspect of compliance with data protection and dealing with personal information. Members also need to be aware that data held on their ESC systems may be subject to FOI (Freedom of Information) requests.

ESC does not permit the automatic forwarding of corporate emails (member@eastsoffolk.gov.uk) to other external providers due to security implications. Whilst Members can forward individual emails to personal or other email accounts they should be aware of the data protection implications of this.

6. Support

All ESC ICT resources are maintained and supported to agreed operational and security standards by the ICT team who also provide a dedicated Member ICT Support line which is available during normal office hours for any Member ICT support issue.

ICT advice and guidance for all users is published on the Corporate Intranet (FRED) as well as notifications on any disruptions to ICT.

7. Printing and Scanning

Members have access to the corporate printing service and can collect any printing securely from MFD (multi-functional device) at any ESC office location (East Suffolk House, Riverside, Marina, Woodbridge Library, Felixstowe Library and Beccles Library). Print requests which are not printed and collected within 72 hours will be automatically deleted. Personal printers or printing consumables are not supplied as part of Members ICT.

Members can use the MFDs to scan documents for their ESC business for electronic storage and management.
