Housing	Enab Comms	Number of applicants in temporary accommodation (WDC)	The number of applicants in TA at the end of each quarter WDC (Snapshot at end of each quarter)	WDC	Housing Services	Justin Hunt	Angela Hays	😊 Green	35	26	35	29	35		35		35	29	On target	The introduction of the Homeless Reduction Act 2017 is likely to generate an increased demand for 'prevention-relief' accommodation. The requirement is to place for 56 days - prior to a stat homeless application being made. Time spent in temporary accommodation will be lengthened with slower turnover. Our key temporary accommodation provider has, in SCDC, indicated that they are not able to release or provide additional units for use as TA. The procurement of relief accommodation will form a significant strand to a revised homeless strategy along with exploration of working more closely with the private sector. Orwell Housing suggested a TA Summit in preparation of the Act.	National
