In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16’. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

Executive Summary

Executive Summary

We are required to issue an annual audit letter to Waveney District Council (the Council) following completion of our audit procedures for the year ended 31 March 2016.

Below are the results and conclusions on the significant areas of the audit process.

Area of Work	Conclusion
Opinion on the Council's ▶ Financial statements	Unqualified – the financial statements give a true and fair view of the financial position of the Council as at 31 March 2016 and of its expenditure and income for the year then ended
▶ Consistency of other information published with the financial statements	Other information published with the financial statements was consistent with the Annual Accounts
Concluding on the Council's arrangements for securing economy, efficiency and effectiveness	We concluded that you have put in place proper arrangements to secure value for money in your use of resources

Area of Work	Conclusion
Reports by exception:	
▶ Consistency of Governance Statement	The Governance Statement was consistent with our understanding of the Council
▶ Public interest report	We had no matters to report in the public interest.
▶ Written recommendations to the Council, which should be copied to the Secretary of State	We had no matters to report.
▶ Other actions taken in relation to our responsibilities under the Local Audit and Accountability Act 2014	We had no matters to report.

Area of Work	Conclusion
Reporting to the National Audit Office (NAO) on our review of the Council's Whole of Government Accounts return (WGA).	The Council is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

As a result of the above we have also:

Area of Work	Conclusion
Issued a report to those charged with governance of the Council communicating significant findings resulting from our audit.	Our Audit Results Report was issued on 2 September 2016
Issued a certificate that we have completed the audit in accordance with the requirements of the Local Audit and Accountability Act 2014 and the National Audit Office's 2015 Code of Audit Practice.	Our certificate was issued on 23 September 2016

In December 2016 we will also issue a report to those charged with governance of the Council summarising the certification work we have undertaken.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

Kevin Suter

Executive Director
For and on behalf of Ernst & Young LLP

Purpose

Purpose

The Purpose of this Letter

The purpose of this annual audit letter is to communicate to Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Council.

We have already reported the detailed findings from our audit work in our 2015/16 Audit Results Report to the 15 September 2016 Audit & Governance Committee, representing those charged with governance. We do not repeat those detailed findings in this letter. The matters reported here are the most significant for the Council.

Responsibilities

Responsibilities

Responsibilities of the Appointed Auditor

Our 2015/16 audit work has been undertaken in accordance with the Audit Plan that we issued on 16 February 2016 and is conducted in accordance with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office.

As auditors we are responsible for:

- ▶ Expressing an opinion:
 - ▶ On the 2015/16 financial statements; and
 - ▶ On the consistency of other information published with the financial statements.
- ▶ Forming a conclusion on the arrangements the Council has to secure economy, efficiency and effectiveness in its use of resources.
- ▶ Reporting by exception:
 - ▶ If the annual governance statement is misleading or not consistent with our understanding of the Council;
 - ▶ Any significant matters that are in the public interest;
 - ▶ Any written recommendations to the Council, which should be copied to the Secretary of State; and
 - ▶ If we have discharged our duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

Alongside our work on the financial statements, we also review and report to the National Audit Office (NAO) on your Whole of Government Accounts return. The Council is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the return.

Responsibilities of the Council

The Council is responsible for preparing and publishing its statement of accounts accompanied by an Annual Governance Statement. In the AGS, the Council reports publicly each year on how far it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and any changes planned in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

The background is a blurred office scene. On the right, a laptop screen displays a financial chart. In the center and foreground, there are several glasses of water on a wooden desk. To the left, there are papers with financial data, including a pie chart and a table of numbers. A pen and a calculator are also visible on the desk.

Financial Statement Audit

Financial Statement Audit

Key Issues

The Council's Statement of Accounts is an important tool for the Council to show how it has used public money and how it can demonstrate its financial management and financial health.

We audited the Council's Statement of Accounts in line with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office and issued an unqualified audit report on 23 September 2016.

Our detailed findings were reported to the 15 September 2016 Audit & Governance Committee.

The key issues identified as part of our audit were as follows:

Significant Risk	Conclusion
<p>Management override of controls</p> <p>A risk present on all audits is that management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly, and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.</p> <p>Auditing standards require us to respond to this risk by testing the appropriateness of journals, testing accounting estimates for possible management bias and obtaining an understanding of the business rationale for any significant unusual transactions.</p>	<p>We obtained a full list of journals posted to the general ledger during the year, and analysed these journals using criteria we set to identify any unusual journal types or amounts. We then tested a sample of journals that met our criteria and tested these to supporting documentation.</p> <p>We considered the following accounting estimates on property, plant and equipment, and pensions liabilities to be the most significant in your accounts. We considered the estimates and the key judgements made to be reasonable.</p> <p>We did not identify any material weaknesses in controls or evidence of material management override.</p> <p>We did not identify any instances of inappropriate judgements being applied.</p> <p>We did not identify any other transactions during our audit which appeared unusual or outside the Council's normal course of business</p>
<p>Revenue and expenditure recognition</p> <p>Auditing standards also required us to presume that there is a risk that revenue and expenditure may be misstated</p>	<p>Our testing has not revealed any material misstatements with respect to revenue and expenditure recognition.</p>

due to improper recognition or manipulation.
We respond to this risk by reviewing and testing material revenue and expenditure streams and revenue cut-off at the year end.

For local authorities the potential for the incorrect classification of revenue spend as capital is a particular area where there is a risk of management override. We therefore review capital expenditure on property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised.

Overall our audit work did not identify any issues or unusual transactions which indicated that there had been any misreporting of the Council's financial position.

Our testing of income and expenditure found that it was appropriately classified, and our cut-off testing established it was recorded in the correct year.

Our testing did not identify any expenditure which had been inappropriately capitalised.

Other Key Findings

There were significant trends in national appeals that may have impacted on the Council's business rates appeals provision.

Conclusion

We reviewed the methodology underpinning the Council's business rate appeals provision, and how it had factored in national trends such as appeals for GP surgeries.

We judged the Council had made reasonable assumptions, supported by appropriate levels of evidence. There were no concerns reported.

A close-up, shallow depth-of-field photograph of a stack of old, worn coins. The coins are metallic and show signs of age, with some characters like 'M', 'C', 'Y', 'F', and 'L' visible on their edges. A bright yellow rectangular box is overlaid on the left side of the image, containing the text 'Value for Money' in a black, sans-serif font.

Value for Money

Value for Money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

We issued an unqualified value for money conclusion on 23 September 2016.

Our audit identified a significant risk to sustainable resource deployment for which, on the basis of our work performed, we concluded that adequate arrangements were in place. Our key findings are set out below.

Key Findings

Through its year end capital and revenue outturn, annual budget setting, use of reserves and its medium term financial planning, the Council continues to plan well to secure its longer term financial resilience. However, along with many other local councils, WDC is facing significant financial challenges over the next three to four years.

The Council's external funding sources are reducing and are subject to change and uncertainty in future years. The Council's financial forecasts that have been reported to Members make clear the scale of the challenge being faced which include a cumulative budget gap of around £4.1 million to 2018/2019 which will need to be bridged through savings and efficiencies or increased income.

Some of the main areas of uncertainty which impact the council relate to:

- Future levels of business rates income, and the volatility in business rate income forecasts; and
- Level of Government funding through the Revenue Support Grant (RSG).

Business rates income forecasting in particular presents a challenge for the Council, adding a significant degree of uncertainty to the Council's funding position in the medium term. The Council has a good track record of delivering savings and meeting its budget. It is acutely aware of the challenges it faces and good progress has already been made on identifying robust savings and efficiency plans to bridge the medium term budget gap.

Other Reporting Issues

Other Reporting Issues

Whole of Government Accounts

The Council is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Council's annual governance statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it is misleading.

We completed this work and did not identify any areas of concern.

Report in the Public Interest

We have a duty under the Local Audit and Accountability Act 2014 to consider whether, in the public interest, to report on any matter that comes to our attention in the course of the audit in order for it to be considered by the Council or brought to the attention of the public.

We did not identify any issues which required us to issue a report in the public interest.

Written Recommendations

We have a duty under the Local Audit and Accountability Act 2014 to designate any audit recommendation as one that requires the Council to consider it at a public meeting and to decide what action to take in response.

We did not identify any issues which required us to issue a written recommendation.

Objections Received

We did not receive any objections to the 2015/16 financial statements from member of the public.

Other Powers and Duties

We identified no issues during our audit that required us to use our additional powers under the Local Audit and Accountability Act 2014.

Independence

We communicated our assessment of independence in our Audit Results Report to the Audit & Governance Committee on 15 September 2016. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning regulatory and professional requirements.

Control Themes and Observations

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

Focused on your
future

Focused on your future

Area	Issue	Impact
EU referendum	<p>Following the majority vote to end the UK's membership of the European Union (EU) in the EU Referendum held on 23 June 2016 there is a heightened level of volatility in the financial markets and increased macroeconomic uncertainty in the UK. All three major rating agencies (S&P, Fitch and Moody's) took action on the UK Sovereign credit rating and, following the rating action on the UK Government. For entities in the public sector, there is likely to be an impact on investment property valuations if confidence in the wider UK property market falls; and the valuation of defined benefit pension obligations may also be affected. It is too early to estimate the quantum of any impact of these issues, but there is likely to be significant ongoing uncertainty for a number of months while the UK renegotiates its relationships with the EU and other nations.</p>	<p>Many of the issues and challenges that face the UK public sector will continue to exist, not least because continued pressure on public finances will need responding to. Additionally it may well be that the challenges are increased if the expected economic impacts of the referendum and loss of EU grants outweigh the benefits of not having to contribute to the EU and require even more innovative solutions.</p> <p>We are committed to supporting our clients through this period, and help identify the opportunities that will also arise. We will engage with you on the concerns and questions you may have, provide our insight at key points along the path, and provide any papers and analysis of the impact of the referendum on the Government and Public Sector market.</p>

Appendix A

Audit Fees

Appendix A Audit Fees

Our fee for 2015/16 is in line with the scale fee set by the PSAA and reported in our Audit Plan and Annual Results Report.

Description	Final Fee 2015/16 £	Planned Fee 2015/16 £	Scale Fee 2015/16 £
Total Audit Fee – Code work	53,774	53,774	53,774
Total Audit Fee – Certification of claims and returns	11,015	11,015	11,015

Our fee for the certification of grant claims is based on the indicative scale fee set by the PSAA. Our actual fee will be determined on completion of the Housing Benefit subsidy claim, by 30 November 2016.

We confirm we have not undertaken any non-audit work outside of the PSAA's requirements.
