6. Planning Obligations under Section 106 of the Town and Country Planning Act 1990: The Tests in Circular 05/2005.

**Obligations should be:**

- necessary
- relevant to planning
- directly related to the proposed development
- fairly and reasonably related in scale and kind to the proposed development
- reasonable in all other respects

**Two questions should be considered when proposing planning obligations:**

**Are they needed from a practical point of view to enable the development to go ahead?**

**Are they so directly related to the proposed development that the development ought not to be permitted without it?**

**Reasons why planning obligations may be proposed include:**

- to provide improved highway facilities, contributions to park and ride, etc.
- to secure the inclusion of affordable housing in a scheme
- to offset the loss of a habitat
- to protect important sites or species

**There is a fundamental principle that planning permissions may not be bought or sold.**
